18 EXAMINATION

19 BY MR. SITWALA:

20 Q. Good morning, Congressman. How are you
21 doing this morning?

22 A. Good. Good morning.

23 Q. Do you --

24 A. Before we get started, though, I'm a -- two
25 questions. One, so who's -- you're the lawyer here?

<p style="text-align: right;">Page 220</p> <p>1 Q. Yes.</p> <p>2 A. And your name is?</p> <p>3 Q. Ravi, R-a-v-i.</p> <p>4 A. Ravi.</p> <p>5 Q. Yes.</p> <p>6 A. Okay. And then who's this?</p> <p>7 Q. This is Nate Boyer. He's also a lawyer for</p> <p>8 defendants.</p> <p>9 A. Okay.</p> <p>10 Q. And we represent both Hearst as well as Ryan</p> <p>11 Lizza, in case that was your second question.</p> <p>12 A. Okay. And you work for who?</p> <p>13 Q. For Hearst.</p> <p>14 A. So you guys are Hearst -- you're Hearst</p> <p>15 employees?</p> <p>16 Q. Correct.</p> <p>17 A. Okay.</p> <p>18 THE WITNESS: And you guys work with another</p> <p>19 firm?</p> <p>20 THE REPORTER: Yes.</p> <p>21 THE WITNESS: Okay. And then the other</p> <p>22 question I have is in your opening you said that this</p> <p>23 is NuStar Farms. Well, I'm not NuStar Farms.</p> <p>24 MR. SITWALA: Congressman, your case was</p> <p>25 consolidated with your family's in their businesses'</p>	<p style="text-align: right;">Page 222</p> <p>1 MR. SITWALA: That's correct.</p> <p>2 THE WITNESS: Okay.</p> <p>3 MR. SITWALA: And if you look at the notice</p> <p>4 of deposition, it's a notice of deposition to you and</p> <p>5 nobody else.</p> <p>6 THE WITNESS: Okay.</p> <p>7 MR. SITWALA: All right. Are you ready to</p> <p>8 proceed?</p> <p>9 THE WITNESS: Yeah.</p> <p>10 MR. SITWALA: Great.</p> <p>11 BY MR. SITWALA:</p> <p>12 Q. Do you have any medical condition that would</p> <p>13 impair your memory or your ability to tell the truth</p> <p>14 today?</p> <p>15 A. No.</p> <p>16 Q. Are you taking any medication that would</p> <p>17 impair your memory or your ability to tell the truth?</p> <p>18 A. No.</p> <p>19 Q. Let me just go over a few rules. I think</p> <p>20 you're already familiar with these from the previous</p> <p>21 deposition in this case, and I believe you've been</p> <p>22 deposed before that as well.</p> <p>23 A. Were you in the last deposition --</p> <p>24 Q. I was not.</p> <p>25 A. -- where you deposed me?</p>
<p style="text-align: right;">Page 221</p> <p>1 case, so the caption -- and Steve can -- Mr. Biss can</p> <p>2 jump in if I'm misstating anything. So the caption</p> <p>3 is -- the et al. is everybody else, including</p> <p>4 yourself.</p> <p>5 Does that make sense?</p> <p>6 THE WITNESS: Okay. I just want to confirm.</p> <p>7 Steve, are you okay with that?</p> <p>8 MR. BISS: I am. The cases were</p> <p>9 consolidated. The style of the case has no</p> <p>10 reflection on -- is not evidence in any way, shape,</p> <p>11 or form that you have any involvement in NuStar</p> <p>12 Farms.</p> <p>13 THE WITNESS: Okay.</p> <p>14 MR. BISS: That's right; isn't it, Ravi?</p> <p>15 MR. SITWALA: It -- certainly that in and of</p> <p>16 itself would not suggest that, that's correct.</p> <p>17 THE WITNESS: Right. But didn't you --</p> <p>18 didn't you guys go into court to -- in favor of</p> <p>19 consolidating the case?</p> <p>20 MR. SITWALA: We did? Anyway, I don't --</p> <p>21 there's -- I don't think there's any need to discuss</p> <p>22 this.</p> <p>23 THE WITNESS: Well, I just want to make sure</p> <p>24 that, you know, it's under the right pretense here of</p> <p>25 why I'm here. I'm here on my own, not NuStar Farms</p>	<p style="text-align: right;">Page 223</p> <p>1 Q. I was not.</p> <p>2 A. You were not.</p> <p>3 Were you?</p> <p>4 MR. BOYER: Irrelevant. Please continue.</p> <p>5 BY MR. SITWALA:</p> <p>6 Q. So neither of us took the last deposition,</p> <p>7 to answer your question.</p> <p>8 A. Okay.</p> <p>9 Q. Let's try not to speak over each other today</p> <p>10 so that the court reporter can take everything down.</p> <p>11 I'm going to try to speak more slowly than I have</p> <p>12 been so far, and I would ask you to try to speak in</p> <p>13 a -- slow enough that she can take down both of our</p> <p>14 words. I'll do my best to let you finish your</p> <p>15 answers, and I would ask you to do the same for me</p> <p>16 with my questions.</p> <p>17 Does that make sense?</p> <p>18 A. Yeah.</p> <p>19 Q. If you don't understand my question, please</p> <p>20 let me know. And if you do answer the question, I'm</p> <p>21 going to assume that you understood it; is that fair?</p> <p>22 A. Yep.</p> <p>23 Q. If you need a break at any time, just let me</p> <p>24 know. The only thing I would ask is that you answer</p> <p>25 any pending question, and then we'll take a break</p>

<p style="text-align: right;">Page 224</p> <p>1 whenever you like.</p> <p>2 Is that okay with you?</p> <p>3 A. Yes.</p> <p>4 Q. Great.</p> <p>5 And you understand you're under oath today</p> <p>6 just as if you were testifying in court before a</p> <p>7 judge or a jury?</p> <p>8 A. Yes.</p> <p>9 Q. And your answers will be truthful and</p> <p>10 complete; correct?</p> <p>11 A. Yes.</p> <p>12 Q. Okay. What did you do to prepare for</p> <p>13 today's deposition?</p> <p>14 A. Just printed out the hit piece that Lizza</p> <p>15 did, spoke to my lawyer this morning. Then obviously</p> <p>16 I wasn't sure if the deposition was on because there</p> <p>17 was no -- 'cause my lawyer wasn't going to be able to</p> <p>18 be present via video, and that was it.</p> <p>19 Q. How long did you speak with your lawyer?</p> <p>20 A. Is it relevant for you to know how long I</p> <p>21 spoke with my lawyer?</p> <p>22 Q. Your lawyer can make objections with respect</p> <p>23 to relevance, but in a deposition you have to answer</p> <p>24 the question unless he instructs you not to.</p> <p>25 A. I don't have privilege with my lawyer in how</p>	<p style="text-align: right;">Page 226</p> <p>1 particular, I'm asking how many times you can recall</p> <p>2 you spoke with your lawyer.</p> <p>3 A. I don't know. Handful of times. He</p> <p>4 notified me about it and then we discussed it,</p> <p>5 what -- you know, where it was going to be, I</p> <p>6 remember that, and you guys were trying to have me go</p> <p>7 to Los Angeles and then San Francisco.</p> <p>8 Q. Again, I don't need to know what you talked</p> <p>9 about.</p> <p>10 A. Oh, okay.</p> <p>11 Q. I'm just asking when and how many times.</p> <p>12 A. Okay.</p> <p>13 Q. Would you say that you spoke in the last</p> <p>14 week about this deposition?</p> <p>15 A. This morning, I just told you.</p> <p>16 Q. Sure. Other than that.</p> <p>17 A. Yeah, I think so.</p> <p>18 Q. Okay. Did you speak --</p> <p>19 A. Few days ago.</p> <p>20 Q. Did you speak with anybody else about this</p> <p>21 deposition?</p> <p>22 A. Yeah, yeah.</p> <p>23 Q. And who would that be?</p> <p>24 A. I spoke to Matt Butler.</p> <p>25 Q. And who is that?</p>
<p style="text-align: right;">Page 225</p> <p>1 often I talk to my lawyer?</p> <p>2 Q. No.</p> <p>3 A. Okay. Well, let's see. I guess I can tell</p> <p>4 you. Let's see here. So roughly at 7:00 a.m. this</p> <p>5 morning I got notified by my lawyer that -- Mr. Biss,</p> <p>6 that there was a --</p> <p>7 MR. BISS: Well, hold on, hold on.</p> <p>8 BY MR. SITWALA:</p> <p>9 Q. Please don't -- yeah, don't tell me the</p> <p>10 contents of your conversation. I was just asking how</p> <p>11 long.</p> <p>12 A. Okay. Looks like roughly 30 minutes.</p> <p>13 Q. Okay. And had you spoken with your lawyer</p> <p>14 before today in preparation for this deposition?</p> <p>15 A. Yeah.</p> <p>16 Q. And how many times?</p> <p>17 A. I don't know. I don't remember.</p> <p>18 Q. More than five?</p> <p>19 A. Probably.</p> <p>20 Q. Okay.</p> <p>21 A. I don't know about preposition -- or not for</p> <p>22 this deposition, but I've spoke to him more than five</p> <p>23 times.</p> <p>24 Q. Sorry.</p> <p>25 So in preparation for this deposition in</p>	<p style="text-align: right;">Page 227</p> <p>1 A. He was -- as I was preparing, I was just</p> <p>2 kind of jotting down all my notes about who was --</p> <p>3 who was with me at the time that the hit piece came</p> <p>4 out, and he was the one that was with me.</p> <p>5 Q. And what was his role?</p> <p>6 A. He was one of my campaign consultants in</p> <p>7 2018.</p> <p>8 Q. And you're still in touch with him.</p> <p>9 A. Um-hmm. Well, I had to -- I called him so</p> <p>10 that I could -- 'cause I just remembered that he was</p> <p>11 there so I wanted to make sure that that was the</p> <p>12 case.</p> <p>13 Q. And what did you speak with him about?</p> <p>14 A. Just to confirm that he was there.</p> <p>15 Q. Did you talk --</p> <p>16 A. I knew he was there, but I just wanted to</p> <p>17 make sure that my memory was correct. It's been, you</p> <p>18 know, a few years ago.</p> <p>19 Q. Sure.</p> <p>20 And do you recall speaking to him about</p> <p>21 anything else?</p> <p>22 A. Well, just about the hit piece coming out.</p> <p>23 Q. Okay. And what do you recall of that</p> <p>24 conversation?</p> <p>25 A. My conversation with him, just to confirm</p>

<p style="text-align: right;">Page 228</p> <p>1 that it came through and it was pushed out all over 2 on social media multiple times and he was there the 3 whole time. 4 Q. Okay. And just so I'm clear, the 5 conversation I'm asking about is the one you just had 6 with him. That's what you talked to him about. 7 A. Yeah, I just called to confirm that he was 8 there. 9 Q. Did you speak to him about anything else? 10 A. No. It was a two-minute conversation. 11 Q. Okay. And when you say "there," what do you 12 mean by "there"? 13 A. There when the hit piece came out, there 14 with me. 15 Q. Physically? 16 A. Physically. 17 Q. Okay. And where were you? 18 A. I was at my home. 19 Q. And where is that? 20 A. Tulare, California. 21 Q. And he was there with you? 22 A. Correct. 23 Q. Was there anybody else there with you? 24 A. No, just, I mean, probably my family, but I 25 don't remember. I just remember specifically being</p>	<p style="text-align: right;">Page 230</p> <p>1 with evidence. 2 Q. Can you tell me -- did he explain any more 3 about what that meant? 4 A. He said that when he was in his deposition 5 that they -- that there were some verbiage that was 6 taken out of context, and he said that he brought it 7 up to you. I don't know if you were in the 8 deposition so -- I don't know. But that he brought 9 it up that they doctored evidence -- that you guys 10 doctored evidence. 11 Q. Anything else? 12 A. No. 13 Q. And did you -- 14 A. I'm sure there was more, but that was the 15 gist of it, that -- that you guys have doctored 16 evidence and so major problem. 17 Q. And did you reach out to him or did he reach 18 out to you to tell you that? 19 A. I think I was probably just talking to him 20 and then it came up in just in the matter of 21 conversation. 22 Q. Okay. And who is your former communications 23 director? 24 A. Jack Langer. 25 Q. L-a-n-g-e-r?</p>
<p style="text-align: right;">Page 229</p> <p>1 outside when it happened, we were on the patio, and 2 then after that my phone went off for -- you know, we 3 spent the next five hours, I think it was probably -- 4 probably till about 1:00 in the morning, so five, 5 six, seven hours dealing with it. 6 Q. You and Mr. Butler? 7 A. Um-hmm. 8 Q. Did you speak with anybody else about this 9 deposition or in preparation for it? 10 A. I spoke to my father; I spoke to my former 11 communications director. That's all I can remember. 12 Q. Okay. 13 A. Sure there were more, but that's what I 14 remember. 15 Q. And can you tell me, when did you speak with 16 your father? 17 A. Two or three days ago -- 18 Q. And was that -- 19 A. -- roughly. 20 Q. I'm sorry. 21 Was that over the phone? 22 A. Over the phone. 23 Q. And what was the -- what do you recall of 24 that conversation? 25 A. He reiterated to me that you guys tampered</p>	<p style="text-align: right;">Page 231</p> <p>1 A. L-a-n-g-e-r, yeah. 2 Q. And do you know what he's doing today? 3 A. He is a communications director for -- in 4 the United States House of Representatives. 5 Q. For a particular representative or more 6 generally? 7 A. For Connie Conway. 8 Q. And what district does Representative 9 Conway -- 10 A. She represents my old district. 11 Q. Got it. 12 And what was the substance of your 13 conversation with Mr. Langer? 14 A. Just that -- it was just kind of 15 remembering, going back, I was trying to recollect 16 that -- the night in 2018 and kind of how that all 17 went down because we were noticing on social media 18 and then Apple News specifically, which was very 19 unusual, did a nationwide push notification. 20 So I'm not sure how you guys arranged that, 21 but it was quite convenient for you to maximize the 22 damage. 23 Q. And is there anything else you recall about 24 your conversation with Mr. Langer? 25 A. Yeah. So he was also present when -- and</p>

<p style="text-align: right;">Page 232</p> <p>1 we're skipping a lot here, but we could spend the 2 whole time on this. I don't know how deep you want 3 to get into it, but when it was republished on 4 Twitter by Mr. Lizza, but then at the height of the 5 impeachment hearings that would have been -- he would 6 remember that. 7 (Garbled audio.) 8 THE WITNESS: Steve? 9 MR. SITWALA: Steve, are you objecting? I 10 think maybe -- 11 MR. BISS: No. 12 MR. SITWALA: Okay. 13 THE WITNESS: Oh, Steve, we couldn't -- your 14 screen is gone and it sounded like you were objecting 15 or something. 16 MR. BISS: No, not objecting. 17 THE WITNESS: Okay. 18 BY MR. SITWALA: 19 Q. Please continue. So you were talking 20 about -- 21 A. So at the height of the impeachment, so, you 22 know, we sued you, I sued you and my family sued you, 23 and then -- and then you guys decided to put it out 24 on Twitter that then caused a whole 'nother round of 25 damages.</p>	<p style="text-align: right;">Page 234</p> <p>1 A. Yeah, just -- it was just -- it was just, 2 you know, half hour ago. 3 Q. Okay. 4 A. Yeah. 5 Q. So what else do you remember? 6 A. Just that -- you know, just confirming that 7 he was there just so I could make sure that I knew 8 what happened, you know, in both -- both times. 9 Q. Anything else? 10 A. Of the publication. 11 Q. Okay. Anything else? 12 A. That I talked to him about this morning? 13 Q. Yes. 14 A. No. 15 Q. Now, I believe you said you couldn't recall, 16 but let me just ask to make sure, is there anybody 17 else you recall talking to in preparation or 18 anticipation of this deposition? 19 A. I talked to Langer, Butler, my father, 20 Steve. I mean, not -- I mean, I told, like, my staff 21 that I was going to be, you know, out of pocket 22 today. 23 Q. Your staff in your current employment? 24 A. Correct. 25 Q. Okay. And how many people are on your</p>
<p style="text-align: right;">Page 233</p> <p>1 Q. And that's -- 2 A. So he was -- you know, he was in charge of 3 my communications at the time, so he knew that that 4 came up, and then of course it led to, you know, kind 5 of the same thing that happened in 2018 I had to 6 relive in 2019 of your ridiculous accusations. 7 Q. Did you have any -- in 2019 did you have any 8 communications with Mr. Langer, like e-mails or texts 9 or anything like that -- 10 A. No. 11 Q. -- about this? 12 A. No. 13 Q. You would have just talked to him either -- 14 A. We've provided you everything. He's 15 provided you everything that he has. 16 Q. "He" meaning Mr. Langer? 17 A. Um-hmm. 18 Q. Anything else? 19 A. We searched through everything that would 20 have had that, but I don't do e-mails, so there would 21 be no e-mails. 22 Q. Sure. 23 And do you recall anything else from your 24 recent conversation with Mr. Langer before this 25 deposition?</p>	<p style="text-align: right;">Page 235</p> <p>1 staff? 2 A. Well, I'm not going to -- I'm not going to 3 disclose that here. 4 Q. You're refusing to answer the question? 5 A. Because you guys leak, I don't need my 6 current employees being harassed by you and your 7 thugs. 8 Q. And knowing how many of them would -- 9 A. Absolutely, because you'll release this out, 10 and that's important public information that you and 11 your people would go after and target these people. 12 Q. So just to be clear, you're refusing to 13 answer the question; correct? 14 A. I did answer the question. I'm not 15 refusing. 16 Q. You're refusing to disclose the number of 17 members -- 18 A. Because you send thugs and harass them. 19 Q. I'm not asking why. I'm just confirming. 20 You're not going to answer; right? 21 A. I answered it. 22 Q. You're not going to tell me the number; 23 right? 24 A. I'm not going to tell you the number because 25 of your harassment.</p>

<p style="text-align: right;">Page 236</p> <p>1 Q. Did you speak with your brother about the 2 deposition? 3 A. Not that I can remember, no. 4 Q. And any other family members? 5 A. I told my wife that I had a deposition 6 today. 7 Q. Okay. Any other family members? 8 A. I told my daughter 'cause I just talked to 9 her when I walked out the door and she was on her way 10 to school. 11 Q. And is it fair to say you didn't speak about 12 anything of substance with either your wife or your 13 daughter? 14 A. No. No, I did not speak anything of 15 substance. 16 Q. Okay. Thank you. 17 Okay. So I think we just started to get 18 into this. So who is your employer today? 19 A. Truth Social, Trump Media Technology Group. 20 Q. Okay. And are you full time employed by 21 that entity? 22 A. Yes. 23 Q. Okay. Do you report to anybody there? 24 A. Sure. I report to the board. 25 Q. To the board.</p>	<p style="text-align: right;">Page 238</p> <p>1 A. No. 2 Q. I believe you mentioned you reviewed some 3 documents in preparation for the deposition, 4 including the article at issue; is that correct? 5 A. Correct. 6 Q. Is there any -- are there any other 7 documents you reviewed? 8 A. I reviewed probably a month ago, month and a 9 half ago, you had an expert witness that I read 10 something that -- I don't remember the expert 11 witness' name. 12 Q. Mr. Hosfield. I don't know if that would 13 refresh your recollection. 14 Was the subject of the expert witness report 15 damages? 16 A. Yes. 17 Q. And with respect to your case -- or your 18 claim. 19 A. Yes. 20 Q. Okay. Anything else? 21 A. Documents? 22 Q. Yes. 23 A. I mean, not in the last -- what's the time 24 frame? 25 Q. Let's say the last two weeks.</p>
<p style="text-align: right;">Page 237</p> <p>1 A. Yeah. 2 Q. And what is your position? 3 A. I'm the CEO. I mean, you're asking me these 4 questions you already know. 5 Q. For the record. 6 A. Okay. All right. You're just doing it for 7 the record. 8 Q. Yeah. I mean, they're not trick questions. 9 A. Okay. I didn't know where you were going 10 with this. 11 Q. So you said you report to the board. How 12 large is the board? 13 A. It's five. 14 Q. And who is on the board? 15 A. Myself, President Trump, Donald Trump, Jr., 16 Kash Patel, Wes Moss. 17 Q. What was the last name? 18 A. Wes Moss. 19 Q. Can you spell it? 20 A. I think it's Moss. W-e-s. 21 Q. Okay. But the last name. 22 A. I think it's M-o-s-s. 23 Q. Oh, okay. Got it. 24 And did you tell the board that you had a 25 deposition today?</p>	<p style="text-align: right;">Page 239</p> <p>1 A. No. 2 Q. Okay. 3 A. Not that I remember. I mean, there could 4 have been one but not that I remember. 5 Q. And that includes documents that are part of 6 the court file or anything else; correct? 7 A. I have not read -- I read that expert 8 witness report. I mean, I remember reading the 9 circuit opinion, but I don't think that was in the 10 last two weeks. 11 Q. Are you done with your answer? Are you done 12 with your answer? 13 A. Those are the things I remember. 14 Q. Okay. And I see you brought something with 15 you today. And what did you bring with you today? 16 A. I mean, just papers -- 17 Q. And what are they? 18 A. -- on my own. 19 Q. Well, can you please tell me what's in that 20 folder? 21 A. Why? 22 Q. Because you brought them to the deposition. 23 A. And you have the right to go through my 24 documents? 25 Q. The documents that you brought to the</p>

<p style="text-align: right;">Page 240</p> <p>1 deposition and have in front of you, yes.</p> <p>2 A. That seems a little odd that I would have to</p> <p>3 show you my documents.</p> <p>4 Q. Well, I'm asking you to do so.</p> <p>5 A. Aren't they my documents? I have to provide</p> <p>6 my documents to you?</p> <p>7 Q. I'm asking you what they are.</p> <p>8 A. Do I have to provide you my car keys?</p> <p>9 Q. Are you not going to answer the question?</p> <p>10 A. Well, you're demanding to see documents that</p> <p>11 are in my possession.</p> <p>12 Q. Well, let's back up for a second, then. Can</p> <p>13 you please tell me, describe the documents that</p> <p>14 are --</p> <p>15 A. Yeah, it's the defamatory hit piece.</p> <p>16 Q. Anything else?</p> <p>17 A. No.</p> <p>18 Q. And did you have -- do you have notes on</p> <p>19 that or no?</p> <p>20 A. I don't think I have to disclose if I have</p> <p>21 notes or not.</p> <p>22 Q. Are you not going to answer the question?</p> <p>23 A. I did answer the question. I mean, do you</p> <p>24 have a right to look through my notes?</p> <p>25 Q. I have a right to ask you questions, you're</p>	<p style="text-align: right;">Page 242</p> <p>1 A. Well, I just think it's absurd.</p> <p>2 Q. That's fine. But are you going to answer</p> <p>3 the question?</p> <p>4 A. I've never seen that before.</p> <p>5 Q. I'm not trying to have extended arguments</p> <p>6 today. I just want --</p> <p>7 A. I'm not either. You called me for a</p> <p>8 deposition, let's just remember that, you're the one</p> <p>9 that called me.</p> <p>10 Q. You understand why we called you for a</p> <p>11 deposition; right?</p> <p>12 A. No, I do not.</p> <p>13 Q. Okay.</p> <p>14 A. Because -- I don't find it funny.</p> <p>15 Q. Okay.</p> <p>16 A. You weren't in the last deposition, I don't</p> <p>17 know if your other lawyer was, but you -- you,</p> <p>18 Hearst -- I'm not picking on you because I guess you</p> <p>19 weren't there -- you deposed me before for seven</p> <p>20 hours.</p> <p>21 Q. I understand that.</p> <p>22 A. And you stopped the deposition. You</p> <p>23 stopped -- you stopped the deposition and you hid</p> <p>24 evidence from me.</p> <p>25 Q. I'm not trying to get into an argument with</p>
<p style="text-align: right;">Page 241</p> <p>1 under oath. Your attorney can object or instruct you</p> <p>2 not to answer.</p> <p>3 THE WITNESS: Steve, do I have to show them</p> <p>4 my documents?</p> <p>5 MR. BISS: No.</p> <p>6 MR. SITWALA: Are you instructing him not to</p> <p>7 answer the question, Steve?</p> <p>8 MR. BISS: No.</p> <p>9 MR. SITWALA: No, you're not instructing</p> <p>10 him?</p> <p>11 MR. BISS: No.</p> <p>12 MR. SITWALA: I'm going to ask the question.</p> <p>13 You can state your objection if you want.</p> <p>14 BY MR. SITWALA:</p> <p>15 Q. Do you have notes written on the article</p> <p>16 that is inside --</p> <p>17 A. I mean, look, if you insist, if you want to</p> <p>18 see it, it seems ridiculous that you're trying to go</p> <p>19 through my documents. I've never heard of that.</p> <p>20 I've been in -- conducted many depositions and I</p> <p>21 never go to the attorney or the witness and say let</p> <p>22 me see what's in front of you. I mean, it sounds --</p> <p>23 it seems ridiculous.</p> <p>24 Q. I'm asking the question. You can answer it</p> <p>25 or I guess you can choose not to.</p>	<p style="text-align: right;">Page 243</p> <p>1 you. Can you please answer my question.</p> <p>2 A. Well, I just want you -- I just want to make</p> <p>3 sure that you know that you ended the deposition with</p> <p>4 me early, you hid evidence from me, and then now you</p> <p>5 called me back for another deposition and now you</p> <p>6 want to go through my notes.</p> <p>7 Q. Do you understand that the court basically,</p> <p>8 when presented with the question of whether you</p> <p>9 should have been provided that evidence in the</p> <p>10 deposition, found that you should not?</p> <p>11 A. Yeah, I know you guys went to the judge and</p> <p>12 whined and cried, and then the judge ruled in your</p> <p>13 favor to hide evidence from me.</p> <p>14 Q. So it's your view --</p> <p>15 A. So you deposed me for seven hours, you hid</p> <p>16 evidence, so -- and then now you call me back for a</p> <p>17 deposition and you're asking me, you know, questions</p> <p>18 that you already know the answer to, and you want to</p> <p>19 look through my notes, which I've never even heard of</p> <p>20 that before.</p> <p>21 Q. Is it your testimony that the judge is</p> <p>22 complicit in hiding evidence from you?</p> <p>23 A. You went to the judge and asked the judge to</p> <p>24 enable you to hide evidence.</p> <p>25 Q. Does -- do the documents inside that folder</p>

<p style="text-align: right;">Page 244</p> <p>1 have your notes on them?</p> <p>2 A. Look, I mean, if you just want to get going</p> <p>3 with it I'll just show you what they are. I mean, if</p> <p>4 you want to see them, right there, it's all over</p> <p>5 the -- all over the Internet.</p> <p>6 Q. Okay. Thank you.</p> <p>7 If either -- you can show me that they don't</p> <p>8 have notes or you can tell me they don't and then we</p> <p>9 can move on.</p> <p>10 A. I don't think there's any notes on them, but</p> <p>11 I'll go through it page by page.</p> <p>12 Q. Thank you.</p> <p>13 A. They have nice little cartoons, though, you</p> <p>14 did.</p> <p>15 I don't see anything other than just the hit</p> <p>16 piece.</p> <p>17 Q. Okay. Thank you.</p> <p>18 Did you have any role in responding to the</p> <p>19 third-party subpoena that was issued to TMTG? And</p> <p>20 you know --</p> <p>21 A. What do you mean "role"? I mean, I was</p> <p>22 notified of it.</p> <p>23 Q. Okay. Was that the extent of your</p> <p>24 involvement?</p> <p>25 A. Yeah. I mean, and we complied, the company</p>	<p style="text-align: right;">Page 246</p> <p>1 Q. Okay.</p> <p>2 A. I didn't read anything but other than when</p> <p>3 it leaked out. And, of course, it was a fun little</p> <p>4 hit piece for you guys for about a week. And that</p> <p>5 expert testimony I read I reviewed.</p> <p>6 Q. Okay. And what about documents that were</p> <p>7 produced by any of the parties, including your case</p> <p>8 and in your family's case?</p> <p>9 A. Not that I know of.</p> <p>10 Q. Okay. Have you spoken with anybody in your</p> <p>11 family about their lawsuit since your last</p> <p>12 deposition?</p> <p>13 A. I mean, only the -- I mean, yeah, I think --</p> <p>14 I mean, I'm sure that I have, you know. I mean, it's</p> <p>15 been -- I don't know. What has it been since you --</p> <p>16 since this was -- I forget, the Eighth Circuit ruling</p> <p>17 was, what, about a year ago, and you guys deposed me</p> <p>18 a year ago until you ended the deposition.</p> <p>19 Q. So the answer is yes.</p> <p>20 I know you did mention that your father</p> <p>21 spoke about, you know, his deposition. So other than</p> <p>22 that, can you recall any specific conversations with</p> <p>23 your family about --</p> <p>24 A. Yeah, because he -- I remember -- I don't</p> <p>25 remember all the specifics, but I do remember from a</p>
<p style="text-align: right;">Page 245</p> <p>1 complied.</p> <p>2 Q. Okay. And TMTG --</p> <p>3 A. And you ran to the media and you leaked the</p> <p>4 story.</p> <p>5 Q. You understand --</p> <p>6 A. And you har- -- yeah, you caused more</p> <p>7 harassment for something that was already publicly</p> <p>8 available.</p> <p>9 Q. And you understand when I refer to TMTG I'm</p> <p>10 talking about Trump Media Technology Group; correct?</p> <p>11 A. Yeah, I'm well aware.</p> <p>12 Q. Okay.</p> <p>13 A. And you should be too because you leaked it.</p> <p>14 Q. Have you reviewed at any point any</p> <p>15 deposition transcripts in this case?</p> <p>16 A. No.</p> <p>17 Q. What about your previous deposition</p> <p>18 transcript?</p> <p>19 A. No.</p> <p>20 Q. How about any court orders?</p> <p>21 I'm sorry. You did mention the Eighth</p> <p>22 Circuit earlier so I understand you reviewed that.</p> <p>23 Other than the Eighth Circuit --</p> <p>24 A. I'm aware of the shenanigans you pulled in</p> <p>25 Florida.</p>	<p style="text-align: right;">Page 247</p> <p>1 year ago, rough time frame, that my dad said that you</p> <p>2 accused him of multiple additional federal crimes in</p> <p>3 addition to doctoring the evidence that you were --</p> <p>4 when you presented it to him in the deposition.</p> <p>5 Q. Okay. Anything else?</p> <p>6 A. Not that I know of. I mean, I know that --</p> <p>7 I think you harassed my mother, you harassed -- oh,</p> <p>8 you harassed my uncle recently. No, you harassed two</p> <p>9 of my uncles, that's right.</p> <p>10 Q. And how did we harass your -- your -- I</p> <p>11 understand you're referring to the deposition of your</p> <p>12 Uncle Gerald. What about your other uncle?</p> <p>13 A. You were trying to get him to testify, and</p> <p>14 then you called off the deposition for some reason.</p> <p>15 But why you would -- why you would interview those</p> <p>16 people I have no idea, other than just to harass.</p> <p>17 Q. So it's your view that, for example, your</p> <p>18 Uncle Gerald doesn't have any knowledge relevant to</p> <p>19 this case?</p> <p>20 A. Well, you're the one that called him, but</p> <p>21 he's not -- you know, he has nothing to do with me.</p> <p>22 Q. I --</p> <p>23 A. But he has -- I mean, he definitely has</p> <p>24 information about 'cause it's a bad situation because</p> <p>25 of what you guys have done.</p>

<p style="text-align: right;">Page 248</p> <p>1 Q. You said --</p> <p>2 A. It's a really bad situation.</p> <p>3 Q. You said that your --</p> <p>4 A. Well, you're ignoring -- you're ignoring</p> <p>5 what I just said. I mean, you have a -- you're</p> <p>6 harassing my family mem- -- extended family members</p> <p>7 and don't -- and also, you sent thugs around all over</p> <p>8 this county, interviewing anybody and everybody that</p> <p>9 had ever had any involvement with my family, people</p> <p>10 that were -- had -- definitely would have zero</p> <p>11 information about this, about this case.</p> <p>12 So I've been hearing -- you know, of course</p> <p>13 over the last year I guess you asked if I had</p> <p>14 additional information. I mean, I remember -- you</p> <p>15 know, I've had, you know, people come up to me and</p> <p>16 say, yeah, somebody knocked on so-and-so's door, you</p> <p>17 know, they were -- they were -- they had badges in</p> <p>18 hand, which was -- which was ridiculous because</p> <p>19 they're not federal agents, they were like retired</p> <p>20 federal agents or something.</p> <p>21 Q. Okay.</p> <p>22 A. I don't know the name of them, but I'd like</p> <p>23 to put that in the record of whoever those people</p> <p>24 were that were, you know, here in -- here in Tulare</p> <p>25 County running around harassing people that would</p>	<p style="text-align: right;">Page 250</p> <p>1 air, you made that story up too. So, yeah, I think</p> <p>2 it upset him.</p> <p>3 Q. Other than evading taxes, do you recall any</p> <p>4 other details as to why --</p> <p>5 A. I mean, I just remember that it was</p> <p>6 harassment and it was -- and it was, you know,</p> <p>7 multiple conspiracy theories about that you guys</p> <p>8 brought up to -- that upset him.</p> <p>9 Q. Okay. You don't remember anything other</p> <p>10 than that?</p> <p>11 A. I mean, I'd have to go -- I mean, I guess --</p> <p>12 I don't even know. Can I look at his deposition?</p> <p>13 Q. I'm not asking you to.</p> <p>14 THE WITNESS: Can I -- Steve, can I review</p> <p>15 my father's deposition? I don't --</p> <p>16 MR. BISS: I think you're entitled to unless</p> <p>17 it's been designated as highly confidential or</p> <p>18 counsel's eyes only so -- which I don't remember if</p> <p>19 it has been so designated but, you know, we can talk</p> <p>20 about that.</p> <p>21 THE WITNESS: Well, and -- so for the sake</p> <p>22 of time here, I mean, I'd like to get more specifics</p> <p>23 as to the additional accusations that Hearst has</p> <p>24 leveled against my family. It would be good if I</p> <p>25 could review that and then submit for the record, you</p>
<p style="text-align: right;">Page 249</p> <p>1 have no information whatsoever about this -- about</p> <p>2 this case.</p> <p>3 Q. So --</p> <p>4 A. So why did you -- you know, so why was that</p> <p>5 done? The only purpose was to inflict more damage.</p> <p>6 So the damages are not just what happened at the time</p> <p>7 but also the damages that have occurred during the</p> <p>8 course of this case. I've never seen anything quite</p> <p>9 like it. It's just -- it's just pure harassment,</p> <p>10 it's very unprofessional.</p> <p>11 Q. Okay. So going back to your -- you</p> <p>12 mentioned that your father had told you that he was</p> <p>13 accused of additional federal crimes in his</p> <p>14 deposition.</p> <p>15 Do you recall any details about what the</p> <p>16 nature of those crimes were?</p> <p>17 A. I mean, it was just like this hit piece, it</p> <p>18 was something to do -- something ridiculous, like</p> <p>19 that he was evading -- something about evading taxes</p> <p>20 or something.</p> <p>21 Q. Okay. Anything else?</p> <p>22 A. All pretty serious. I mean --</p> <p>23 Q. Sure. I'm saying --</p> <p>24 A. Yeah, I mean, you guys made it up. I don't</p> <p>25 know. Just like this story was made up out of thin</p>	<p style="text-align: right;">Page 251</p> <p>1 know, after I review the deposition.</p> <p>2 BY MR. SITWALA:</p> <p>3 Q. Just to be clear, I'm just asking your</p> <p>4 recollection of the conversation. I'm not asking</p> <p>5 you --</p> <p>6 (Overlapping speakers.)</p> <p>7 THE WITNESS: Well, I know, that's -- in</p> <p>8 order to recollect and to answer the question fully,</p> <p>9 I would need to review the deposition. I'm saying</p> <p>10 that I would supplement this deposition once I review</p> <p>11 my father's transcripts.</p> <p>12 BY MR. SITWALA:</p> <p>13 Q. You're certainly allowed to make corrections</p> <p>14 and supplement the transcript, you know --</p> <p>15 A. Well, do you -- but you asked --</p> <p>16 Q. I'm just asking --</p> <p>17 (Overlapping speakers.)</p> <p>18 THE WITNESS: You asked me a question.</p> <p>19 BY MR. SITWALA:</p> <p>20 Q. -- sitting here today.</p> <p>21 A. You asked me a question. That's what I</p> <p>22 recollect. I would like to be more thorough in my</p> <p>23 answer, but I would have to review the deposition of</p> <p>24 where you harassed my father, and then I could go</p> <p>25 through in detail, you know, the crazy conspiracies</p>

<p style="text-align: right;">Page 252</p> <p>1 that you came up with.</p> <p>2 Q. I understand you're saying that. I'm not</p> <p>3 asking you to do that, but I understand what you're</p> <p>4 saying.</p> <p>5 A. Are you objecting that -- for me to -- are</p> <p>6 you objecting for me to review the deposition?</p> <p>7 Q. I'm not asking you to do it now. If you</p> <p>8 want to review it afterwards and submit something,</p> <p>9 that's entirely up to you.</p> <p>10 A. Okay. So I can review my father's</p> <p>11 deposition.</p> <p>12 Q. My colleague has reminded me, there's</p> <p>13 information that's in that deposition that I believe</p> <p>14 has been designated counsel's eyes only by your</p> <p>15 family; so I think you would need to work out with</p> <p>16 them and your joint counsel that. It's not our</p> <p>17 objection, just to be clear. I just want to make</p> <p>18 sure you understand that. There's a protective order</p> <p>19 in this action. All the parties can designate things</p> <p>20 confidential or even a higher level of</p> <p>21 confidentiality, and then, you know, it must be</p> <p>22 treated that way.</p> <p>23 And so because your family would have</p> <p>24 designated information in that deposition as</p> <p>25 counsel's eyes only to them, I don't want to suggest</p>	<p style="text-align: right;">Page 254</p> <p>1 things that were gone over last time.</p> <p>2 A. Okay. All right.</p> <p>3 Q. I'll try to be efficient, you know, and it</p> <p>4 is what it is.</p> <p>5 A. Okay.</p> <p>6 Q. Your were elected ten times; correct?</p> <p>7 A. I was elected 12 times.</p> <p>8 Q. 12 times. Okay.</p> <p>9 And I have from 2002 to 2020 you served; is</p> <p>10 that correct?</p> <p>11 A. I was elected ten times to the United States</p> <p>12 Congress and I was elected twice to the Community</p> <p>13 College Board here in this county.</p> <p>14 Q. I see. Okay.</p> <p>15 And the Community College Board, when were</p> <p>16 you elected to that?</p> <p>17 A. 1996.</p> <p>18 Q. And what was your role on that board?</p> <p>19 A. I was a trustee, one of five board members.</p> <p>20 Q. And is that a government role?</p> <p>21 A. Yes.</p> <p>22 Q. Okay. For the US House of Representatives,</p> <p>23 you served from 2002 to 2020; is that correct?</p> <p>24 A. That's correct.</p> <p>25 Q. And as you just said, you were elected ten</p>
<p style="text-align: right;">Page 253</p> <p>1 that I could tell you as a separate party you could</p> <p>2 see it.</p> <p>3 Does that make sense?</p> <p>4 A. So you're not the ones that would stop me</p> <p>5 from seeing --</p> <p>6 Q. No, no, we're not. But I just --</p> <p>7 A. But then why did you in the deposition last</p> <p>8 time --</p> <p>9 Q. Those are different materials.</p> <p>10 A. -- with me and you refused to provide the</p> <p>11 evidence?</p> <p>12 Q. That was our counsel's-eyes-only material.</p> <p>13 What I'm saying it's in your father's deposition,</p> <p>14 that material is different material, that is your</p> <p>15 family's confidential information. But let's please</p> <p>16 move on.</p> <p>17 I want to talk about your long career in</p> <p>18 Congress. And none of this should be a surprise, but</p> <p>19 I just want to get it on the record and hopefully --</p> <p>20 A. Yeah, I mean, I think you already asked me</p> <p>21 about that last time. Well, I know you didn't</p> <p>22 because you weren't there. But when you ended the</p> <p>23 deposition last time, you already -- you asked me all</p> <p>24 these questions before.</p> <p>25 Q. I'm going to do my best not to go over</p>	<p style="text-align: right;">Page 255</p> <p>1 times.</p> <p>2 Your most recent election was in 2020;</p> <p>3 correct?</p> <p>4 A. Yeah.</p> <p>5 Q. Can you tell me what district you</p> <p>6 represented.</p> <p>7 A. 22.</p> <p>8 Q. District 22.</p> <p>9 A. You already know these answers but ...</p> <p>10 Q. And you represented the same district for</p> <p>11 all your terms; correct?</p> <p>12 A. It was -- no, it was previously the 21st.</p> <p>13 Q. Okay. Thank you.</p> <p>14 When did that change --</p> <p>15 A. But you already know this. You already know</p> <p>16 these answers. I mean, we can go through this. I</p> <p>17 mean, you already asked before. It changed in 2012.</p> <p>18 Q. Okay. Thank you.</p> <p>19 You never lost a Congressional election;</p> <p>20 correct?</p> <p>21 A. No.</p> <p>22 Q. Not correct?</p> <p>23 A. No, I didn't lose a Congressional election.</p> <p>24 Q. Okay.</p> <p>25 A. I mean --</p>

<p style="text-align: right;">Page 256</p> <p>1 Q. Thank you.</p> <p>2 A. Yeah.</p> <p>3 Q. In 2018 do you recall that you received over</p> <p>4 115,000 votes?</p> <p>5 A. What I recall is that roughly a month before</p> <p>6 the election you guys did a ridiculous hit piece of a</p> <p>7 preposterous story that I then spent the next month</p> <p>8 having to defend against, which is why you guys did</p> <p>9 it, in coordination with others. Yeah, so it was a</p> <p>10 very, very ugly time.</p> <p>11 Q. When you say --</p> <p>12 A. It did tremendous damage because it lowered</p> <p>13 my reelection number, which was your objective, to</p> <p>14 the lowest it ever -- it ever was.</p> <p>15 Q. How much --</p> <p>16 A. Because typically I would win pretty</p> <p>17 comfortably, and instead I had to spend millions and</p> <p>18 millions of dollars because of your defamation and</p> <p>19 your well-timed hit piece a month before the</p> <p>20 election. And then, of course, I had to relive it</p> <p>21 again during the impeachment hearings because you</p> <p>22 guys decided to republish it again.</p> <p>23 Q. You just said coordinated with others about</p> <p>24 the piece. Could you tell me who those others are</p> <p>25 that you believe that the defendants coordinated with</p>	<p style="text-align: right;">Page 258</p> <p>1 won by, I don't know, five or six in 2020. That's a</p> <p>2 far cry from where I was before before you guys</p> <p>3 purposefully destroyed my reputation and harassed my</p> <p>4 family, and you continue to harass my family today.</p> <p>5 Q. Would you agree that, just to make this</p> <p>6 quicker, that the vote counts are a matter of public</p> <p>7 record for the elections?</p> <p>8 A. Yes.</p> <p>9 Q. And we can look at the Board of Elections</p> <p>10 vote counts and rely on those counts; correct?</p> <p>11 A. Sure.</p> <p>12 Q. Okay. In 2016 you served as a member of</p> <p>13 President Trump's transition team; correct?</p> <p>14 A. Yes.</p> <p>15 Q. How did you get selected for that role?</p> <p>16 A. I don't remember.</p> <p>17 Q. Do you recall if you volunteered for it, or</p> <p>18 did someone come ask you to do it?</p> <p>19 A. I assume somebody asked me.</p> <p>20 Q. And what --</p> <p>21 A. I wouldn't remember that.</p> <p>22 Q. Okay. Do you recall --</p> <p>23 A. But I know I didn't lobby for it, I didn't</p> <p>24 try to do it.</p> <p>25 Q. Okay. Do you recall what your</p>
<p style="text-align: right;">Page 257</p> <p>1 in publishing the piece.</p> <p>2 A. They got the story from somewhere.</p> <p>3 Q. So you don't know who the other people are?</p> <p>4 A. I mean, how would -- you guys are the ones</p> <p>5 that know and you haven't disclosed it.</p> <p>6 Q. Okay. In 2020 you received even more votes</p> <p>7 than you received in 2018; correct?</p> <p>8 A. What happened in 2020 is I got a few votes</p> <p>9 more than I did the previous time because of the</p> <p>10 damage that you did to my reputation.</p> <p>11 Q. In fact, it was the most votes you'd ever</p> <p>12 received.</p> <p>13 A. That is a basis of turnout, not anything</p> <p>14 else.</p> <p>15 Q. But it's true; right?</p> <p>16 A. I'm not going to -- that's a ridiculous</p> <p>17 statement. You guys hammered me, on purpose, 30 days</p> <p>18 before the election and you republished it and every</p> <p>19 single day it's out there, everywhere. So the whole</p> <p>20 idea that you would think you haven't done damage to</p> <p>21 me is preposterous. And playing numbers games is the</p> <p>22 numbers don't work in your favor because I typically</p> <p>23 would win by double digits, most of the time more</p> <p>24 than 20 points, and in '18, as you well know, I won</p> <p>25 by, I don't know, four or five, and then I think I</p>	<p style="text-align: right;">Page 259</p> <p>1 responsibilities were as part of that team?</p> <p>2 A. Defense and intelligence issues and a little</p> <p>3 bit on water issues.</p> <p>4 Q. Okay.</p> <p>5 A. Resource issues but mainly water issues.</p> <p>6 Q. Which is right in your wheelhouse coming</p> <p>7 from the valley; correct?</p> <p>8 A. (Witness nods head.)</p> <p>9 Q. That's a yes? I saw you nodding, but I just</p> <p>10 want to get it in the record.</p> <p>11 A. Yes.</p> <p>12 Q. And for defense and intelligence, that was</p> <p>13 part of your expertise having served for many years</p> <p>14 on committees relating to that; correct?</p> <p>15 A. Correct.</p> <p>16 Q. Okay. And you've had a number of committee</p> <p>17 assignments during your tenure in Congress; correct?</p> <p>18 A. Yes.</p> <p>19 Q. Okay. And in the 2015 to '16 term you</p> <p>20 chaired the Select Committee on Intelligence;</p> <p>21 correct?</p> <p>22 A. I chaired the committee from '15 to '19.</p> <p>23 Q. Correct.</p> <p>24 And from '15 to '16 you were also on the</p> <p>25 Ways and Means Committee; correct?</p>

<p style="text-align: right;">Page 260</p> <p>1 A. Correct.</p> <p>2 Q. And those are two very important committees;</p> <p>3 right?</p> <p>4 A. They are -- every committee in Congress is</p> <p>5 important.</p> <p>6 Q. Fair enough.</p> <p>7 Those are particularly prestigious</p> <p>8 assignments; no?</p> <p>9 A. Yeah.</p> <p>10 Q. Okay. And you were -- in 2017 to '18 you</p> <p>11 were the chairman of the Permanent Select Committee</p> <p>12 on Intelligence; correct?</p> <p>13 A. I just answered that.</p> <p>14 Q. And the answer is yes?</p> <p>15 A. Um-hmm.</p> <p>16 Q. And then --</p> <p>17 A. Where are you going with this? I mean,</p> <p>18 we're going to go through all this?</p> <p>19 Q. We're almost done.</p> <p>20 A. The questions you already know the answers</p> <p>21 to?</p> <p>22 Q. Well, we're almost done, and then we can go</p> <p>23 to things that perhaps you don't think we know the</p> <p>24 answers to.</p> <p>25 In '19 to '20 you were on the committee on</p>	<p style="text-align: right;">Page 262</p> <p>1 Q. Okay.</p> <p>2 A. But, yeah, any document that you guys are</p> <p>3 bringing up in there would be taken as very</p> <p>4 suspicious being that your habit of -- of doctoring</p> <p>5 evidence.</p> <p>6 Q. On January in 2021 you were awarded the</p> <p>7 Presidential Medal of Freedom; correct?</p> <p>8 A. Correct.</p> <p>9 Q. And can you tell me what that meant to you.</p> <p>10 A. Yeah, it's a -- one of the highest civilian</p> <p>11 honor in the country.</p> <p>12 Q. And do you recall what the President said in</p> <p>13 terms of why you had earned that honor?</p> <p>14 A. I mean, I can paraphrase it, but it was</p> <p>15 primarily for -- it wasn't just uncovering the Russia</p> <p>16 hoax that Hearst and others were involved with that</p> <p>17 you -- that is actually mentioned in this article</p> <p>18 because you guys were trying to hide the fact that</p> <p>19 you knew it was a hoax. And so I was awarded it not</p> <p>20 just because we got to the bottom of the hoax but</p> <p>21 also because of the attacks like Lizza and Hearst did</p> <p>22 on myself, my family, my staff, and that's -- in</p> <p>23 simple form, that's what this award was for.</p> <p>24 Q. Okay. Would you describe your tenure in</p> <p>25 Congress as a successful one?</p>
<p style="text-align: right;">Page 261</p> <p>1 taxation and then you remained in Ways and Means and</p> <p>2 Intelligence; correct?</p> <p>3 A. I was the -- what's called the ranking</p> <p>4 Republican on Intelligence and I was the ranking</p> <p>5 Republican on the Health Committee.</p> <p>6 Q. Okay. And, finally, for '21 to '22 you had</p> <p>7 the same assignments, in addition to trade; is that</p> <p>8 correct?</p> <p>9 A. Correct.</p> <p>10 Q. Okay. In the two years ending in</p> <p>11 December -- the end of December 2016 your campaign</p> <p>12 raised approximately two and a half million dollars.</p> <p>13 Does that sound correct to you?</p> <p>14 A. I would have no idea.</p> <p>15 Q. Okay. But you -- this is a matter of public</p> <p>16 record; correct?</p> <p>17 A. I don't trust any numbers that you have.</p> <p>18 Q. Would you trust the numbers that the FEC</p> <p>19 has?</p> <p>20 A. Not if you're providing them.</p> <p>21 Q. Okay. But if somebody went to the FEC and</p> <p>22 got the numbers, would you trust those numbers if it</p> <p>23 wasn't me?</p> <p>24 A. Well, I would trust the reports that I filed</p> <p>25 but ...</p>	<p style="text-align: right;">Page 263</p> <p>1 A. Yeah. I mean, look, there's a lot left to</p> <p>2 do.</p> <p>3 Q. Okay. And you left Congress at the end of</p> <p>4 2021; correct?</p> <p>5 A. I left in the first of this year.</p> <p>6 Q. That's right. You announced that you were</p> <p>7 going to leave in December of 2021 but you actually</p> <p>8 left in January of 2022?</p> <p>9 A. Yeah.</p> <p>10 Q. Why did you leave?</p> <p>11 A. Because of people like you.</p> <p>12 Q. Can you please elaborate on that.</p> <p>13 A. The defamations piled up so much, and then</p> <p>14 you coordinate with big tech and you've</p> <p>15 successfully -- you push the fake news and destroy</p> <p>16 people's minds, you push it through technology</p> <p>17 through social media and other ways, just like you</p> <p>18 pushed the story through Apple News the night that it</p> <p>19 came out in '18 and the American people lost their</p> <p>20 voice.</p> <p>21 And so when the President called me and</p> <p>22 asked me to take this -- take the job, I thought that</p> <p>23 it was -- it was so important that I left just to do</p> <p>24 this so I could give the American people their voice</p> <p>25 back.</p>

<p style="text-align: right;">Page 264</p> <p>1 Q. Okay.</p> <p>2 A. And that's what we're doing every day. So I</p> <p>3 didn't leave because I needed a job, I left because</p> <p>4 of people like you and scumbags like Lizza.</p> <p>5 Q. And when did you first hear from the</p> <p>6 President regarding this opportunity?</p> <p>7 A. I don't know. It was just right around the</p> <p>8 time of the -- when he called me. When it was</p> <p>9 announced, whatever that was.</p> <p>10 Q. Okay. So around December?</p> <p>11 A. Yeah, somewhere in there.</p> <p>12 Q. Did you know about -- if I say Truth Social,</p> <p>13 you know what I'm talking about, obviously.</p> <p>14 A. Um-hmm.</p> <p>15 Q. Did you know about Truth Social and its</p> <p>16 development at some point prior to hearing from the</p> <p>17 President, or is that when you first learned --</p> <p>18 A. I had no idea that the company was being</p> <p>19 created until it came out publicly, whenever that</p> <p>20 was.</p> <p>21 Q. And, I'm sorry, did it come out publicly</p> <p>22 prior to the President reaching out to you or --</p> <p>23 A. Yeah, yeah. It was announced, I don't know,</p> <p>24 maybe -- well, I'm not going to speculate, but it was</p> <p>25 announced before that.</p>	<p style="text-align: right;">Page 266</p> <p>1 A. No.</p> <p>2 Q. And when you announced -- I'm sorry. Strike</p> <p>3 that.</p> <p>4 When it was announced that you were going to</p> <p>5 lead this company, you pointed out that part of the</p> <p>6 mission was to end censorship; correct?</p> <p>7 A. Yeah.</p> <p>8 Q. And to allow for the free flow of ideas and</p> <p>9 expression; correct?</p> <p>10 A. Yeah.</p> <p>11 Q. And one of the things that you wanted to do</p> <p>12 was provide a platform that encouraged global</p> <p>13 conversation without any discrimination; correct?</p> <p>14 A. Yeah.</p> <p>15 Q. Do you recall --</p> <p>16 A. I don't know if those were my words, but I</p> <p>17 know that that's -- you know, I mean, I could go on</p> <p>18 and on about that but -- so I'm not -- if you're</p> <p>19 ascribing those words to me, I don't know. I mean,</p> <p>20 if those were in -- were those my words?</p> <p>21 Q. More or less. But if you agree with the</p> <p>22 gist, that's all I was asking.</p> <p>23 A. Okay.</p> <p>24 Q. I'm not asking you to recall --</p> <p>25 A. Well, I'm just concerned that you're trying</p>
<p style="text-align: right;">Page 265</p> <p>1 Q. Okay. So sometime --</p> <p>2 A. And that's how I found out about it. I</p> <p>3 didn't -- that's how I knew that it was created,</p> <p>4 which I was happy about, obviously, because of you</p> <p>5 and all of the people that you work with shutting</p> <p>6 down people's voices --</p> <p>7 Q. Okay.</p> <p>8 A. -- and destroying character.</p> <p>9 Q. So then you heard from him sometime in</p> <p>10 December and he asked you to take on the role that</p> <p>11 you took on; is that fair?</p> <p>12 A. That is, yep.</p> <p>13 Q. Do you remember anything else of that</p> <p>14 conversation?</p> <p>15 A. That was the gist of the conversation.</p> <p>16 Q. Did you ultimately have to apply for the</p> <p>17 job?</p> <p>18 A. No.</p> <p>19 Q. Do you know whether anybody else was asked</p> <p>20 to take the role?</p> <p>21 A. No.</p> <p>22 Q. You don't know or you know nobody was?</p> <p>23 A. I wouldn't know. I would have no idea.</p> <p>24 Q. Did you submit a resume or anything like</p> <p>25 that?</p>	<p style="text-align: right;">Page 267</p> <p>1 to get me to agree to things that I didn't say but, I</p> <p>2 mean, generally I agree with those statements.</p> <p>3 Q. Okay. Yeah, I'm not --</p> <p>4 A. But they're your statements, not mine.</p> <p>5 Q. Fair enough.</p> <p>6 Do you recall that a couple days before you</p> <p>7 were announced as CEO that the company had announced</p> <p>8 a pipe investment of about a billion dollars?</p> <p>9 A. No. I mean, I know about the pipe</p> <p>10 investment but ...</p> <p>11 Q. Did you have any role in actually generating</p> <p>12 that investment?</p> <p>13 A. No, I did not, and this is -- and here you</p> <p>14 go again with your conspiracy theories.</p> <p>15 Q. Simple question.</p> <p>16 A. No, I don't think it's a -- I think it's a</p> <p>17 ridiculous question, and now I know what my dad was</p> <p>18 talking about.</p> <p>19 Q. Okay.</p> <p>20 A. Yeah, you're ginning up conspiracy theories.</p> <p>21 Q. How was your compensation determined when</p> <p>22 you joined the company?</p> <p>23 A. I just -- my lawyer talked to their lawyer</p> <p>24 and that was it. That's all I -- you know, I never</p> <p>25 even -- I never even negotiated on it. My lawyer</p>

<p style="text-align: right;">Page 268</p> <p>1 said, hey, here's what the deal is and that was --</p> <p>2 and I was like, okay --</p> <p>3 Q. Got it.</p> <p>4 A. -- and they worked out the details. But you</p> <p>5 already know that.</p> <p>6 Q. No, I did not.</p> <p>7 A. Okay.</p> <p>8 Q. In any event, you -- you'd produced a couple</p> <p>9 contracts, either you or the company, and were you</p> <p>10 involved in any way in the negotiations over the</p> <p>11 contracts?</p> <p>12 A. I don't know what contracts you're referring</p> <p>13 to. I'd have to see them.</p> <p>14 Q. Okay.</p> <p>15 MR. SITWALA: I'm going to mark what will be</p> <p>16 exhibit -- Defendants' Exhibit 141.</p> <p>17 (Defendants' Exhibit Number DX141</p> <p>18 marked for identification.)</p> <p>19 MR. SITWALA: And Steve, Nate will e-mail</p> <p>20 you a copy.</p> <p>21 MR. BISS: I was just about to ask. Thank</p> <p>22 you.</p> <p>23 BY MR. SITWALA:</p> <p>24 Q. I'm handing you --</p> <p>25 A. I'm not accepting one document from you</p>	<p style="text-align: right;">Page 270</p> <p>1 shown him these documents a week ago and then he</p> <p>2 would have been able to compare documents to the real</p> <p>3 documents and to see if there were any discrepancies,</p> <p>4 but I fundamentally disagree with this approach.</p> <p>5 And -- and I recall in the year 1868 in</p> <p>6 Virginia they abolished spring guns, you know, you</p> <p>7 couldn't set up a shotgun inside the door of your</p> <p>8 house, somebody opened the door and they would get</p> <p>9 blown away by the shotgun. And the Virginia General</p> <p>10 Assembly abolished it because it was fundamentally</p> <p>11 unfair to do that to people.</p> <p>12 And, you know, it's kind of like that right</p> <p>13 here, it's kind of like a spring gun. So, you know,</p> <p>14 I think you just proceed with your questions. If you</p> <p>15 think you -- you have something that you need to take</p> <p>16 up with the judge, you can -- you can do that.</p> <p>17 MR. SITWALA: Well, we clearly do. Well,</p> <p>18 why don't we continue up till the next break and then</p> <p>19 we'll reach out to the court during that break.</p> <p>20 I will note just for the record the exhibit</p> <p>21 was marked Defendants' Exhibit 141, which is a</p> <p>22 contract, an employment agreement draft that was</p> <p>23 produced by TMTG in this action, but I will get back</p> <p>24 to it later.</p> <p>25 ///</p>
<p style="text-align: right;">Page 269</p> <p>1 guys.</p> <p>2 Q. You're not going to look at it.</p> <p>3 A. Hell, no. You tamper with -- you tampered</p> <p>4 with evidence and you -- and you also tampered with</p> <p>5 witnesses, so I am not taking some document. You had</p> <p>6 plenty of time to send me whatever the hell you</p> <p>7 wanted me to look at. You had -- you've had, what,</p> <p>8 two months to prepare for this deposition, and now</p> <p>9 you're asking me to look at documents after you</p> <p>10 already know that you've tampered with evidence,</p> <p>11 you've tampered with witnesses, and you've tampered</p> <p>12 with -- and you've harassed my family.</p> <p>13 MR. SITWALA: So just for the record, I will</p> <p>14 note that the witness is not accepting the exhibit.</p> <p>15 Mr. Biss, I don't know if you want to have a</p> <p>16 conversation with your client, or we will have to</p> <p>17 just take this one up later with the court.</p> <p>18 MR. BISS: No, I agree with him</p> <p>19 wholeheartedly. I -- my trust level is lower than</p> <p>20 his.</p> <p>21 MR. SITWALA: All right. Well, we'll take</p> <p>22 this up --</p> <p>23 MR. BISS: I -- I agree -- I don't</p> <p>24 understand why you think it's okay to sandbag him at</p> <p>25 the deposition with these documents. You could have</p>	<p style="text-align: right;">Page 271</p> <p>1 BY MR. SITWALA:</p> <p>2 Q. You understand that you're entitled to</p> <p>3 145,000 restricted share units for TMTG as part of</p> <p>4 your --</p> <p>5 A. I don't know.</p> <p>6 Q. Do you know what restricted share units are?</p> <p>7 A. No.</p> <p>8 Q. And do you understand that TMTG is at least</p> <p>9 at the moment a privately held company?</p> <p>10 A. That I know, yeah.</p> <p>11 Q. Do you know how many shares of TMTG are</p> <p>12 outstanding currently, approximately?</p> <p>13 A. No.</p> <p>14 Q. Do you know who owns a percentage -- the</p> <p>15 majority of the company, if anybody?</p> <p>16 A. Look, I'm not going to get into -- this has</p> <p>17 no relevance over this -- over this case. And like I</p> <p>18 started from the outset, because of your past</p> <p>19 behavior I only take these -- any questions like this</p> <p>20 as something that you're going to leak out to harass</p> <p>21 my current employer and our team at Truth Social, and</p> <p>22 I'm not going to subject them to the same harassment</p> <p>23 that you've levied against people of this county and</p> <p>24 my -- and my family.</p> <p>25 Q. Are you seeking lost earnings in this case?</p>

<p style="text-align: right;">Page 272</p> <p>1 A. I'm not sure of the term lost -- I don't</p> <p>2 know what the term "lost earnings" means.</p> <p>3 Q. Are you seeking money damages in this case</p> <p>4 for lost business opportunities either in the past or</p> <p>5 going forward?</p> <p>6 A. Yeah, I mean, absolutely.</p> <p>7 Q. Okay. And are you going to tell me what you</p> <p>8 know about the value of the shares that you own in</p> <p>9 TMTG?</p> <p>10 A. That's all speculative. I'm not going to</p> <p>11 speculate because there's -- it takes the approval of</p> <p>12 the Securities Exchange Commission, so this is all</p> <p>13 public information.</p> <p>14 Q. And when you refer to the approval, you're</p> <p>15 referring to the merger that's been -- being</p> <p>16 discussed for some time now?</p> <p>17 A. Yeah, we're a privately held company and --</p> <p>18 and, you know, I just -- you know, we put out</p> <p>19 official statements on this so -- about the merger.</p> <p>20 Q. Do you know --</p> <p>21 A. I'd just refer you to those -- those</p> <p>22 official statements if you -- and you can go find</p> <p>23 them or we can provide them to you.</p> <p>24 Q. And do you know what you would be receiving</p> <p>25 in value for your shares if the merger went forward?</p>	<p style="text-align: right;">Page 274</p> <p>1 that.</p> <p>2 THE WITNESS: Okay. Is the clock still</p> <p>3 running? I mean, I've got --</p> <p>4 MR. SITWALA: No. When we're on the record,</p> <p>5 that's when the clock is running. When we take</p> <p>6 breaks and we're off the record, the clock stops</p> <p>7 running.</p> <p>8 THE WITNESS: Okay. So you're deciding to</p> <p>9 stop this right now.</p> <p>10 MR. SITWALA: Yes, I'd like to go off the</p> <p>11 record now so that we can resolve this issue with the</p> <p>12 exhibits.</p> <p>13 THE WITNESS: But you want me to leave the</p> <p>14 room?</p> <p>15 MR. SITWALA: We can leave the room. You</p> <p>16 can stay here.</p> <p>17 THE WITNESS: I'll leave the room but -- but</p> <p>18 you have --</p> <p>19 MR. SITWALA: Can we go off --</p> <p>20 THE WITNESS: -- to talk to my lawyer or you</p> <p>21 have to talk to yourselves?</p> <p>22 MR. SITWALA: No, no, no, to your lawyer.</p> <p>23 Mr. Biss, can we go off the record so that</p> <p>24 we can talk about this?</p> <p>25 MR. BISS: Sure.</p>
<p style="text-align: right;">Page 273</p> <p>1 A. I'm not going to discuss -- I'm not going to</p> <p>2 discuss under -- I would have to check with counsel</p> <p>3 from Truth Social any discussion about anything to do</p> <p>4 with the SEC.</p> <p>5 Q. So at least sitting here right now you're</p> <p>6 not willing to discuss that; right?</p> <p>7 A. I mean, I don't know what I can disclose or</p> <p>8 not disclose.</p> <p>9 Q. You just -- you can't answer the question</p> <p>10 sitting here today; correct?</p> <p>11 A. I'm answering the question in that I would</p> <p>12 have to get approval from counsel as to what could be</p> <p>13 disclosed, especially being since this is an SEC</p> <p>14 issue. I don't control the public company.</p> <p>15 MR. SITWALA: Why don't we take a short</p> <p>16 break now since we've been going for about an hour,</p> <p>17 and then we can talk about reaching out to the court</p> <p>18 and then we will resume in -- is -- let's say ten</p> <p>19 minutes unless, of course, we get on with the court.</p> <p>20 Is that okay with you?</p> <p>21 THE WITNESS: So you want me to talk to the</p> <p>22 judge?</p> <p>23 MR. SITWALA: No, I don't want you to talk</p> <p>24 to the judge. We will talk to your counsel. You</p> <p>25 don't need to be -- you don't need to worry about</p>	<p style="text-align: right;">Page 275</p> <p>1 MR. SITWALA: Thank you.</p> <p>2 THE VIDEOGRAPHER: This is the end of Media</p> <p>3 Number 1. We are off the record at 10:02 a.m.</p> <p>4 (Recess taken.)</p> <p>5 THE VIDEOGRAPHER: This is the beginning of</p> <p>6 Media Number 2. We are on the record at 10:23 a.m.</p> <p>7 MR. SITWALA: So for the record, I</p> <p>8 understand that going forward in this deposition</p> <p>9 should I mark and offer exhibits the witness will at</p> <p>10 least accept those exhibits; is that a -- is that</p> <p>11 fair?</p> <p>12 MR. BISS: That's fair, but there's no need</p> <p>13 to put it on the record. Just go ahead and let's</p> <p>14 start the deposition. Let's go.</p> <p>15 THE WITNESS: And also, is there -- just to</p> <p>16 confirm, the only people that are in this deposition</p> <p>17 right now are the ones that are in this room or you,</p> <p>18 Steve?</p> <p>19 MR. BISS: Yeah.</p> <p>20 THE WITNESS: Or are there other people that</p> <p>21 are listening in or --</p> <p>22 MR. SITWALA: There's nobody else listening</p> <p>23 in, as far as I'm aware. There may be transcript --</p> <p>24 I don't know, but there may be other people connected</p> <p>25 to the RealTime, but they would be counsel of record</p>

<p style="text-align: right;">Page 276</p> <p>1 in the case, to the extent that there are.</p> <p>2 THE WITNESS: What does that mean? I mean,</p> <p>3 I just noticed there's a phone -- I'm not sure, is</p> <p>4 that a speaker or is that a phone?</p> <p>5 MR. SITWALA: This is a microphone.</p> <p>6 THE WITNESS: Yeah, I know, but is it to a</p> <p>7 telephone or is it --</p> <p>8 (Overlapping speakers.)</p> <p>9 THE VIDEOGRAPHER: That's so my camera can</p> <p>10 hear your attorney. That's it.</p> <p>11 THE WITNESS: Okay. I'm just trying to --</p> <p>12 MR. SITWALA: There's no separate recording.</p> <p>13 THE WITNESS: You have no other attorneys</p> <p>14 that are on this call?</p> <p>15 MR. SITWALA: That are on the call, no.</p> <p>16 THE WITNESS: Okay.</p> <p>17 BY MR. SITWALA:</p> <p>18 Q. Okay. Why did you choose to sue over this</p> <p>19 article?</p> <p>20 A. Because defamation and slander is illegal in</p> <p>21 this country and it shouldn't be done.</p> <p>22 Q. Okay.</p> <p>23 A. It's because you guys did this to inflict</p> <p>24 tremendous damage on me and my family, my staff, and</p> <p>25 you've continued to do it, and I'll just remind you</p>	<p style="text-align: right;">Page 278</p> <p>1 research on my own and eventually, you know, I knew I</p> <p>2 had some legal recourse, I wasn't sure what that was,</p> <p>3 and it just took me time to do the research and find</p> <p>4 a lawyer, and then as soon as that was done then we</p> <p>5 proceeded.</p> <p>6 Q. And was this the only article that you were</p> <p>7 thinking about at the time that was causing you</p> <p>8 damage that you were considering suing over?</p> <p>9 A. At that time, I mean, there were -- this was</p> <p>10 the -- this was the -- you know, one of the most --</p> <p>11 one of the worst. There's other articles, but this</p> <p>12 one surely -- clearly is really bad.</p> <p>13 Q. But there were others.</p> <p>14 A. Anytime someone defames me or slanders me, I</p> <p>15 am going to -- I'm trying to -- I'm doing everything</p> <p>16 I can to get my reputation back and cleaned up. So</p> <p>17 if you defame me again, I'll sue you again.</p> <p>18 Q. And if somebody else defames you, you'll sue</p> <p>19 them.</p> <p>20 A. If I'm defamed or slandered, absolutely.</p> <p>21 Q. And did you discuss the possibility of suing</p> <p>22 with anybody other than your counsel in this case?</p> <p>23 A. I don't know. That was a long time ago.</p> <p>24 Q. So you don't remember.</p> <p>25 A. I wouldn't remember.</p>
<p style="text-align: right;">Page 277</p> <p>1 that I actually asked you first to retract and you</p> <p>2 didn't do it. And then this continued and then you</p> <p>3 continued the hit pieces and then you republished the</p> <p>4 hit piece again in 2019.</p> <p>5 Q. Do you recall when you were first asked for</p> <p>6 the article to be retracted?</p> <p>7 A. I mean, it would have been 2019.</p> <p>8 Q. And why did you wait till 2019 to ask for a</p> <p>9 retraction?</p> <p>10 A. Because I was -- I didn't know what to do.</p> <p>11 At that point I was trying to figure out what to do</p> <p>12 with -- with the mess that you created for me and my</p> <p>13 family. I didn't know what my -- what avenues I had.</p> <p>14 I had to explore, I had to review, and once I</p> <p>15 completed that review, then I asked you, as I recall,</p> <p>16 to retract, and this went on and on. You guys have</p> <p>17 fought it every single point of this case, and now it</p> <p>18 will be up to a jury to decide the fate.</p> <p>19 Q. And when you say you were reviewing, you</p> <p>20 know, what to do before you sent the letter -- and</p> <p>21 I'm not asking if you had discussions with counsel</p> <p>22 what they were, but were you reviewing with counsel</p> <p>23 or was that something you were reviewing on your own?</p> <p>24 A. I had -- I mean, look, it was so bad I</p> <p>25 didn't know what else to do, so I just -- I had to</p>	<p style="text-align: right;">Page 279</p> <p>1 Q. Do you recall discussing it with anybody who</p> <p>2 served in Congress with you?</p> <p>3 A. About suing someone?</p> <p>4 Q. Yeah.</p> <p>5 A. About suing you guys?</p> <p>6 Q. Correct.</p> <p>7 A. I'm sure I did. I'm sure I -- I mean, are</p> <p>8 you talking about specifically suing you?</p> <p>9 Q. Yeah. We'll get into it more generally.</p> <p>10 A. Are you talking about the defamation, the</p> <p>11 slander, and the damages?</p> <p>12 Q. Yeah, put that aside. We'll talk about that</p> <p>13 later. I'm asking about actually deciding --</p> <p>14 A. Not that -- I mean, not that I remember, I</p> <p>15 mean.</p> <p>16 Q. Okay. And what are you hoping to accomplish</p> <p>17 through this lawsuit?</p> <p>18 A. I want to get my reputation back, I want the</p> <p>19 harassment of my family to stop, I want the story</p> <p>20 taken down, and I want -- and I want damages because</p> <p>21 you guys need to pay for your criminality.</p> <p>22 Q. What's the criminality?</p> <p>23 A. Witness tampering, extortion, that would be</p> <p>24 one of them, but defamation --</p> <p>25 Q. So --</p>

<p style="text-align: right;">Page 280</p> <p>1 A. -- also.</p> <p>2 Q. Well, describe the witness tampering you're</p> <p>3 talking about.</p> <p>4 A. That will be up to -- it's not for me to</p> <p>5 decide if Department of Justice or the prosecutor</p> <p>6 wants to -- wants to investigate it or not.</p> <p>7 Q. I'm sorry. What witnesses do you believe</p> <p>8 that we've tampered with?</p> <p>9 A. You've tampered with -- well, you've</p> <p>10 harassed a lot of people, but clearly you tampered</p> <p>11 with Chris Buskirk.</p> <p>12 Q. Anyone else?</p> <p>13 A. You know, I'd have to go through and get all</p> <p>14 the names. It would take me some time, but</p> <p>15 there's -- there's others in terms of how you sent</p> <p>16 your thugs out to go to their homes at night, asking</p> <p>17 them questions, throwing up phony badges. I think</p> <p>18 you even sent them to places in Iowa, I think. I</p> <p>19 don't recall.</p> <p>20 Q. And the extortion, what do you mean by that?</p> <p>21 A. I'm not going to get into that with you.</p> <p>22 You guys know what you did.</p> <p>23 Q. Do you know and you're not telling me, or</p> <p>24 you don't know?</p> <p>25 A. I don't know all the -- I don't know all the</p>	<p style="text-align: right;">Page 282</p> <p>1 But, I mean, simply put, you attacked me to</p> <p>2 damage my reputation; in order to do that, you went</p> <p>3 out and you harassed my family, who had nothing to do</p> <p>4 with this; you created what -- you know, it's one of</p> <p>5 the biggest sins in the decay of American civics that</p> <p>6 you guys participated in, and you tied me to</p> <p>7 conspiracy, federal crimes, and in order to do that</p> <p>8 you used my family as pawns, and not just my family</p> <p>9 in Iowa, you're continuing to do it by harassing my</p> <p>10 uncles and my grandmother.</p> <p>11 Q. And what are these federal crimes?</p> <p>12 A. They're in the story, they're in the Eighth</p> <p>13 Circuit opinion. I mean, you wrote a story, a hit</p> <p>14 piece on me that talked about illegal activity,</p> <p>15 undocumented workers, and God only knows what else,</p> <p>16 me hiding, having secrets, that I was conspiring to</p> <p>17 keep secrets. You know what it is, you've read the</p> <p>18 pleadings.</p> <p>19 Q. Okay. Now, your family has long owned and</p> <p>20 operated a dairy farm in Tulare; correct?</p> <p>21 A. Correct.</p> <p>22 Q. And that farm is operated by your Uncle</p> <p>23 Gerald?</p> <p>24 A. Well, it's now -- I mean, it's now his farm,</p> <p>25 I mean, you guys know that.</p>
<p style="text-align: right;">Page 281</p> <p>1 particulars but -- but -- but from my perspective</p> <p>2 you've engaged in criminal behavior.</p> <p>3 Q. What do you know about this extortion?</p> <p>4 A. I know that you tampered with Mr. Buskirk.</p> <p>5 Q. Anything else?</p> <p>6 A. I told you I can get you -- you know, I</p> <p>7 remember there were people around in this region that</p> <p>8 you sent your thugs to.</p> <p>9 Q. Can you just tell me in your own words what</p> <p>10 the nature of your defamation claim is.</p> <p>11 A. The nature of my claim?</p> <p>12 Q. Yes. So let me break that down. That's</p> <p>13 maybe a bad question.</p> <p>14 What do you believe is defamatory about the</p> <p>15 article?</p> <p>16 A. You know from the multiple times we've been</p> <p>17 in court. I'll just rely on those -- those records.</p> <p>18 Q. Sitting here today, in your own words, can</p> <p>19 you please tell me --</p> <p>20 A. Well, I would want to look through the -- I</p> <p>21 would want to look at the pleadings, but, you know, I</p> <p>22 know at the time when we filed that, and I can't</p> <p>23 remember 'cause it's been through -- there's been so</p> <p>24 many iterations of it, but I would first rely on</p> <p>25 those -- those pleadings.</p>	<p style="text-align: right;">Page 283</p> <p>1 Q. And whose farm was it before?</p> <p>2 A. Well, I mean, it dates back. I mean, that</p> <p>3 farm's been there for long time, started by my</p> <p>4 great-grandparents.</p> <p>5 Q. Were you ever an owner of the farm?</p> <p>6 A. Of what farm?</p> <p>7 Q. I'm sorry. The farm in Tulare that your</p> <p>8 Uncle Gerald currently owns.</p> <p>9 A. I was never an owner of that farm, no. I</p> <p>10 grew up there and I worked there and I worked there</p> <p>11 after college.</p> <p>12 Q. And that farm is closely associated with</p> <p>13 your political profile; right?</p> <p>14 A. Well, it's with my upbringing and it's</p> <p>15 where -- it's one of the places that I worked</p> <p>16 before -- you know, when I was out of college.</p> <p>17 Q. And you'd say it was central to your</p> <p>18 identity.</p> <p>19 A. Well, yeah, but it's also -- I mean, I</p> <p>20 farmed on my own, I started my own business when I</p> <p>21 was a teenager, and, you know, basically kept that</p> <p>22 going, ultimately moved that into the wineries that I</p> <p>23 know you're familiar with, yeah.</p> <p>24 Q. What is the business that you started as a</p> <p>25 teenager?</p>

<p style="text-align: right;">Page 284</p> <p>1 A. Started custom harvest -- custom, basically, 2 operations of farm equipment and started farming on 3 my own, and I continued to do that until I got to 4 Congress. 5 Q. And did you do that with anybody else? 6 A. Yeah, my brother and I were partners, but it 7 all worked -- we were all together. The family kind 8 of operated all together, everybody had different 9 responsibilities. 10 Q. And do you have more than one brother? 11 A. No, but we worked with, like, my -- I mean, 12 it's been a long time ago, but we worked with the 13 farm here. I had another uncle, he passed away, but 14 we would do work with him; so, I don't know, there's 15 four or five different operations, including my own, 16 that we all, like, shared and worked with and 17 everybody had different responsibilities. I mean, I 18 left and -- when I went to work for the Bush 19 Administration and I kept farming on my own, just me, 20 until I went to Congress, and then shortly thereafter 21 I started farming with -- I started -- I invested as 22 a limited partner into a winery. 23 Q. Okay. I think you said custom operations. 24 Can you just tell me a little bit if I got that right 25 and what that means.</p>	<p style="text-align: right;">Page 286</p> <p>1 been written? 2 Q. Political profiles. 3 A. Like which ones? 4 Q. I guess -- I'm just asking -- 5 A. I mean, there's hundreds of them, which most 6 of them are fake news, so I wouldn't rely on any of 7 those. 8 Q. Okay. Have you invited the press to come to 9 your uncle's farm to take photographs of you? 10 A. Yeah, I mean, I -- not anymore. 11 Q. And do your parents or your brother have any 12 connection to your Uncle Gerald's farm? 13 A. No. 14 Q. Okay. Have you ever had management 15 responsibilities on your Uncle Gerald's farm? 16 A. On my Uncle Gerald's farm? 17 Q. Correct. 18 A. No. 19 Q. Now, in 2006 your father, your mother, and 20 your brother and your sister-in-law moved to Iowa; 21 correct? 22 A. Somewhere in the -- somewhere in that 23 vicinity. 24 Q. Time and vicinity, you mean. 25 A. Somewhere in the -- in that time -- in that</p>
<p style="text-align: right;">Page 285</p> <p>1 A. Yeah, so just equipment; so I purchased 2 equipment in -- I don't know, I don't remember the 3 year, but I was in high school. 4 Q. What sort of equipment? 5 A. When I leased -- I leased the equipment and 6 then just -- just farm machinery. 7 Q. And then you would lease that out to others 8 or you would operate it -- 9 A. No, then I would go and operate it myself. 10 MR. SITWALA: I'm sorry. 11 THE REPORTER: I'm sorry. Just one at a 12 time, please. If you could let him get his question 13 out. 14 MR. SITWALA: Okay. 15 THE REPORTER: Thank you. 16 MR. SITWALA: Thank you. 17 BY MR. SITWALA: 18 Q. And the farm that your Uncle Gerald 19 currently owns, that is a farm that is a feature of 20 all the major political profiles that have been 21 written about you; correct? 22 A. No, that's you speculating. 23 Q. Okay. 24 A. I mean, I would say that's not even -- I 25 mean, I don't know what you're referring to. What's</p>	<p style="text-align: right;">Page 287</p> <p>1 time frame. 2 Q. Okay. Thank you. 3 A. I mean, you already know the answers to 4 these questions but ... 5 Q. And they formed NuStar and started a new 6 dairy farm in Iowa; correct? 7 A. We've already went over these questions the 8 last time that we -- I mean, that we did the 9 deposition. 10 Q. So is that a yes or a no? 11 A. It's in -- I just refer to my last 12 deposition. I think it's in there. 13 Q. Your family manages NuStar; correct? 14 A. I have no idea what they do. 15 Q. Okay. 16 A. You're the ones that drew up conspiracy 17 theories about them. 18 Q. Do you know why they moved? 19 A. I mean, you've asked them. Why don't you 20 just rely on their answers? 21 Q. Do you know yourself? 22 A. I mean, what I've said publicly is is 23 because my brother wanted to get to a place where 24 there was -- where agriculture had water and things 25 of that nature, which here there's -- there's a big</p>

<p style="text-align: right;">Page 288</p> <p>1 water problem.</p> <p>2 Q. And what you said publicly is true; correct?</p> <p>3 A. I mean, that's -- those are the things that</p> <p>4 I've said publicly.</p> <p>5 Q. Do you have any -- do you know anything else</p> <p>6 as to any other reason they might have moved?</p> <p>7 A. Well, they went -- my brother went there</p> <p>8 specifically to farm on his own and my dad went</p> <p>9 there, you know, and he would come back and forth.</p> <p>10 Q. Okay.</p> <p>11 A. And he's there, but my father -- I don't</p> <p>12 know all the intricacies of it, so I don't think I</p> <p>13 could speak because I don't know who owns what, I</p> <p>14 don't know the ownership, but I know my brother's --</p> <p>15 you know, my brother is the guy that's been kind of</p> <p>16 in charge there and my father was -- you know, has</p> <p>17 been the one that has been, you know, helping him.</p> <p>18 Q. Okay. But other than the water issues that</p> <p>19 they were experiencing in this area, is there any</p> <p>20 other reasons you know of why they would have moved</p> <p>21 from California to Iowa?</p> <p>22 A. Well, it was -- it was to start -- my</p> <p>23 brother wanted to be in the dairy business, as I</p> <p>24 recall, I mean, you'd have to ask him, but that's</p> <p>25 been a long time ago, but he wanted to go where there</p>	<p style="text-align: right;">Page 290</p> <p>1 pawns for your conspiracy theories to destroy my</p> <p>2 reputation and theirs, and then you did it to my</p> <p>3 family here also.</p> <p>4 Q. Just to try to cut through this quickly,</p> <p>5 then, are you saying you don't know what they do in</p> <p>6 operating their farm, you don't know the answers to</p> <p>7 these questions I'm asking?</p> <p>8 A. I mean, I would just go back to the</p> <p>9 deposition that I gave before, I mean, I know they're</p> <p>10 good, law-abiding citizens that just want to farm and</p> <p>11 be on their own, and you screwed up their life.</p> <p>12 Q. Do you know anything about the employment</p> <p>13 practice on the farm? If the answer is no, we can</p> <p>14 move on.</p> <p>15 A. I mean, no, I wouldn't know anything.</p> <p>16 Other than -- just to be clear, other than I</p> <p>17 know in my last deposition we spent -- until you</p> <p>18 ended it; so I would refer back to my last deposition</p> <p>19 because I know we spent the whole time on your</p> <p>20 conspiracy theories on immigration.</p> <p>21 Q. Do you see any difference between the claim</p> <p>22 you're bringing against Hearst versus the claim</p> <p>23 against Ryan Lizza?</p> <p>24 A. What do you mean by "difference"?</p> <p>25 Q. Do you see those claims as being different</p>
<p style="text-align: right;">Page 289</p> <p>1 was farming and it was -- and, you know, live in an</p> <p>2 area that was safe and not be harassed, and that all</p> <p>3 ended in 2018. And now because of Lizza and you, now</p> <p>4 they get harassed incessantly.</p> <p>5 Q. And would you say your family manages the</p> <p>6 NuStar business professionally?</p> <p>7 A. I'm not going to speak to their business.</p> <p>8 I'm not involved in their business.</p> <p>9 Q. Okay. And would you say that they document</p> <p>10 all their labor and employment decisions?</p> <p>11 A. We've already talked -- we've already went</p> <p>12 through all of this stuff.</p> <p>13 THE REPORTER: I'm sorry. Stop. Excuse me.</p> <p>14 Counsel, your objection?</p> <p>15 MR. BISS: Asked and answered.</p> <p>16 THE REPORTER: Thank you.</p> <p>17 BY MR. SITWALA:</p> <p>18 Q. Would you say they maintain records</p> <p>19 establishing --</p> <p>20 A. I'm not going -- I'm telling you, I'm not</p> <p>21 going to -- you've already -- you spent -- you ended</p> <p>22 a deposition, you spent the whole time, as I recall,</p> <p>23 on your crazy conspiracy theories on a farm that you</p> <p>24 knew I didn't own, and you wrote a story, a hit</p> <p>25 piece, where you -- on me and you used my family as</p>	<p style="text-align: right;">Page 291</p> <p>1 in any way, or is it the same claim but just</p> <p>2 different defendants?</p> <p>3 A. I mean, look, I think you're one in the</p> <p>4 same, I would guess. I mean, you're the one that</p> <p>5 hired [REDACTED]</p> <p>6 [REDACTED], and then you sent him -- you sent</p> <p>7 him out to Iowa to a farm that you knew I didn't own,</p> <p>8 he ran around, talked to -- I don't know how many</p> <p>9 people he talked to, asking questions about me, and</p> <p>10 then he shows up stalking my family, he stalks my</p> <p>11 nieces.</p> <p>12 Q. I'm just going to move to strike --</p> <p>13 A. And you guys are the ones that --</p> <p>14 Q. -- that last answer.</p> <p>15 A. You guys are the ones that hired him.</p> <p>16 Q. Okay.</p> <p>17 A. What do you mean you're going to strike the</p> <p>18 last answer? What does that mean?</p> <p>19 Q. It's just for the record.</p> <p>20 A. Wait, wait, wait. That's my testimony.</p> <p>21 MR. BISS: Hold on. They're just words,</p> <p>22 Devin. He can't strike any portion of your</p> <p>23 testimony; so it's part of the record.</p> <p>24 MR. SITWALA: Thank you, Steve.</p> <p>25 ///</p>

2 Q. Do you have any opinion as to Ryan Lizza as
3 a journalist prior to the publication of this
4 article?
5 A. I only knew him as a guy who does hit pieces
6 on people. I know he did -- he had a few conspiracy
7 theories that I recall [REDACTED]
8 [REDACTED]
9 MR. SITWALA: Going to move to strike that
10 last --
11 THE WITNESS: And then you guys hired him
12 after that so he could go out, and it appears like
13 the only story I've seen him do -- so he could go out
14 and harass my family, you sent that scumbag to
15 Sibley, Iowa, where my family was just minding their
16 own business to a business you knew I didn't have,
17 and you developed a conspiracy theory about me and
18 secrets and secret farms and you ran it a month
19 before the election, and now every day that goes by
20 they're harassed.
21 So what are the -- you know, the difference

4 BY MR. SITWALA:
5 Q. Can you please elaborate on that.
6 A. Yeah. You've admitted they -- I'm assuming
7 that they hire -- they hire -- they don't document
8 their employees.
9 Q. And why are you assuming that?
10 A. Because at one point, I mean, I think we
11 discussed this in the last deposition, as I recall,
12 it's been a long time ago, but what I recall is you
13 had some -- some expert witness of some kind that
14 made wild accusations about agriculture and accused
15 people in agriculture of hiring undocumented, which
16 is totally untrue and it's an attack on the people
17 that live in this area, the people I represented,
18 except for Hearst, because you guys have admitted
19 that you do engage in those practices.
20 Q. And where have you seen these admissions?
21 A. I just remember seeing it. There were
22 some -- I don't know if that same expert report. It
23 wasn't in that last one that I read, but I remember
24 you submitted something or I heard something about --
25 or maybe it was just -- I heard something about your

Page 294

1 expert. I don't know who it is.
2 Q. Do you recall who would have told you about
3 that?
4 A. No, but I just know that it was -- I know
5 that it was something to do with -- with you guys
6 were saying that everybody has -- that everybody in
7 agriculture is not documenting employees, which I
8 thought was ridiculous.
9 Q. So is it your understanding that there are
10 literally no undocumented workers working in the
11 agriculture industry?
12 A. Nobody that I know of hires undocumented.
13 Everybody that I've ever worked with in agriculture,
14 but also -- it's not agriculture, it's right here,
15 it's this business across the street, it's everywhere
16 downtown, it's, you know, probably the hotel you
17 stayed at last night, none of those businesses are
18 hiring undocumented labor. You guys made that up.
19 And Steve Hearst and Ben Higgins and Hearst Winery
20 are the only ones that I know that do it.
21 Q. So just to break that down a little, when
22 you say hiring undocumented workers, if somebody were
23 to present papers that were not valid and then they
24 were hired, are you saying that's not hiring an
25 undocumented --

Page 295

1 A. We already went through this in the last
2 deposition, but you know damn well that you have to
3 document everyone that works for you.
4 Q. Okay.
5 A. And every business I know does that except
6 for you.
7 Q. Okay. So you are saying not that there are
8 not people who are not legally working here in the
9 industry. What you're saying is that the employers
10 all document their workers as far as you know; is
11 that fair?
12 A. No, you're -- you're speculating. There is
13 no way to -- all an employer can do is -- is -- they
14 have to ensure that they get documentation and not
15 discriminate against people. Except for you guys,
16 because you guys seem to not document your workers.
17 Q. So let's talk about this from a policy
18 level. You're a policy -- you were a policy maker --
19 A. We already discussed --
20 Q. -- with decades of experience both as a
21 Congressman and also as a farmer in the agriculture
22 industry; correct?
23 A. We went over this in my last deposition. I
24 don't know if you read the last deposition.
25 Q. Correct?

<p style="text-align: right;">Page 296</p> <p>1 A. To which part?</p> <p>2 Q. That you have decades of experience both as</p> <p>3 a lawmaker and as an actual farmer in the agriculture</p> <p>4 industry.</p> <p>5 A. I already answered those questions earlier</p> <p>6 in this deposition.</p> <p>7 Q. And the answer was yes.</p> <p>8 A. (Witness nods head.)</p> <p>9 Q. And with that experience sitting here today</p> <p>10 you're saying that you have no idea whether any of</p> <p>11 the workers in the industry are not, in fact,</p> <p>12 authorized to work in the United States, regardless</p> <p>13 of what papers they may have submitted?</p> <p>14 A. You have -- I mean, I think here -- I mean,</p> <p>15 now in Cali- -- I mean, now basically everybody here</p> <p>16 is -- is documented and, you know, legal depending on</p> <p>17 what law you believe. I mean, the President of the</p> <p>18 United States and the Congress, I mean, they're all</p> <p>19 saying that -- I mean, there's billions of people</p> <p>20 going through the border right now from 80 different</p> <p>21 countries. I was down there.</p> <p>22 Q. And they are here legally under federal law?</p> <p>23 A. It depends. Well, I mean, it depends on who</p> <p>24 you believe, but I mean here in the State of</p> <p>25 California they've essentially granted -- I mean,</p>	<p style="text-align: right;">Page 298</p> <p>1 that, would that give you a legal right under federal</p> <p>2 law to work?</p> <p>3 A. I'm not going to get into -- without going</p> <p>4 through and reading the specific federal laws, I'm</p> <p>5 not going to get -- I'm not going to go through that</p> <p>6 but -- 'cause -- and like I said, every single state</p> <p>7 is different.</p> <p>8 All the employer can do is get the</p> <p>9 documentation, and they cannot -- they cannot</p> <p>10 discriminate based on one's color or the way they</p> <p>11 speak and they're required to get those</p> <p>12 documentation, and every -- I've never run across a</p> <p>13 business that I know that is not documenting their</p> <p>14 employees and getting documents from their employees.</p> <p>15 And I'm talking about in my, you know, my</p> <p>16 old constituency where I live, except for -- except</p> <p>17 for Hearst Corporation. You guys don't seem to</p> <p>18 document your employees, or at least that's what</p> <p>19 you've alluded to, and you have yet to, as far as I</p> <p>20 know, produce in discovery your documents to show</p> <p>21 that you have documented your employees. I don't</p> <p>22 even know if you guys are documented.</p> <p>23 Q. You can't ask; right?</p> <p>24 A. Can't ask.</p> <p>25 Q. So beyond your testimony, can you point me</p>
<p style="text-align: right;">Page 297</p> <p>1 they give people documentation.</p> <p>2 Q. But if you go to ICE, for example, would ICE</p> <p>3 take the position that all of those people --</p> <p>4 A. I don't know. I've never spoke to ICE.</p> <p>5 Q. So you don't know the answer to that</p> <p>6 question?</p> <p>7 A. I've never spoke to ICE on -- on which</p> <p>8 question?</p> <p>9 Q. As a matter of federal law, are you saying</p> <p>10 that people who cross the border without -- without</p> <p>11 authorization from the federal government are here</p> <p>12 illegally?</p> <p>13 A. Well, it's a matter of -- it's a matter of</p> <p>14 big political disagreement in this country, you're</p> <p>15 well aware. Different states are different. I would</p> <p>16 assume that the -- there are sanctuary states,</p> <p>17 there's sanctuary counties. That is still being</p> <p>18 adjudicated in the courts. I know that when I was</p> <p>19 down at the border twice last year that all the</p> <p>20 people that were coming through there, they were</p> <p>21 claiming different forms of asylum and not -- and I</p> <p>22 had no idea; so all those people are now out in the</p> <p>23 workforce.</p> <p>24 Q. And on that point, so if you were to come</p> <p>25 here claiming asylum or sanctuary or anything like</p>	<p style="text-align: right;">Page 299</p> <p>1 to any evidence that would show that you lack</p> <p>2 knowledge of the hiring practices under your family's</p> <p>3 Iowa farm?</p> <p>4 A. I would have no idea about the hiring</p> <p>5 practices there. You guys made that conspiracy up.</p> <p>6 Q. Okay. I'm just asking you beyond your</p> <p>7 testimony, is there anything else you could point me</p> <p>8 to that would reflect that?</p> <p>9 A. That would reflect what?</p> <p>10 Q. Your lack of knowledge.</p> <p>11 A. Why would I have any knowledge of something</p> <p>12 that I don't own or anywhere else? I only know that</p> <p>13 the people that I represented, the people that I</p> <p>14 worked with, you know, what was relayed to me in</p> <p>15 meetings when people would come in and talk about,</p> <p>16 you know, these -- these immigration issues.</p> <p>17 Q. Did you know about the hiring practices of</p> <p>18 the farm when it was in California, that is, the farm</p> <p>19 that your uncle and your brother owned?</p> <p>20 A. I'm confused again as to what farm you're</p> <p>21 talking about and when. You have to be more</p> <p>22 descriptive.</p> <p>23 Q. Okay. Let me break it down better.</p> <p>24 So it's my understanding that -- well, help</p> <p>25 me out here. So we've identified one farm, which is</p>

<p style="text-align: right;">Page 300</p> <p>1 the farm that's currently owned by your Uncle Gerald</p> <p>2 and that has been in your family for generations.</p> <p>3 A. Um-hmm.</p> <p>4 Q. Then we've identified, I believe, another</p> <p>5 farm that your uncle and your brother and others</p> <p>6 owned in California that they sold and then opened</p> <p>7 the farm in Iowa; is that not correct?</p> <p>8 A. No, no, it's not. No, that's not correct,</p> <p>9 as I recall. It's been a long time ago.</p> <p>10 Q. Okay. So can you help me out in</p> <p>11 understanding --</p> <p>12 A. I mean, not if you're going to go harass</p> <p>13 more people, I mean, but I don't know the relevance</p> <p>14 of this, but there was -- I have a huge family.</p> <p>15 They're all in agriculture --</p> <p>16 Q. Okay.</p> <p>17 A. -- different businesses.</p> <p>18 And so, I mean, I think you were asking me</p> <p>19 in relationship to when I started my business.</p> <p>20 Q. So you started your business -- maybe I got</p> <p>21 this -- misunderstood, that was with equipment where</p> <p>22 you would farm other people's farms.</p> <p>23 A. I would do custom work for other people --</p> <p>24 Q. Okay.</p> <p>25 A. -- for other farms.</p>	<p style="text-align: right;">Page 302</p> <p>1 So was everybody at that point working with</p> <p>2 your uncle on that farm and then decided to strike</p> <p>3 out on their own with their own?</p> <p>4 A. No.</p> <p>5 Q. Is that it?</p> <p>6 A. No, no. My dad was on his own many, many</p> <p>7 years, for many years. I mean, he still had an</p> <p>8 ownership at some point in the original farm, and I</p> <p>9 don't remember how that all went down, but, I mean,</p> <p>10 there was some -- at some point my grandmother -- my</p> <p>11 grandmother split things up, and I don't remember</p> <p>12 when that was.</p> <p>13 Q. Okay. But from your recollection at least</p> <p>14 sitting here today is that when your brother and</p> <p>15 father and others moved to Iowa it was not part of a</p> <p>16 sale of one farm and purchase of another, they just</p> <p>17 went out and bought a farm to run on their own?</p> <p>18 A. Yeah, they didn't sell -- I mean, 'cause</p> <p>19 they still had -- they still -- I mean, you'd have to</p> <p>20 ask them.</p> <p>21 Q. Sure.</p> <p>22 A. So I don't know why -- what you're getting</p> <p>23 at here, but I know that when my -- I know that they</p> <p>24 had sold some property because I remember I had sold</p> <p>25 property that I owned and I invested in the winery,</p>
<p style="text-align: right;">Page 301</p> <p>1 Q. And did you yourself own any farm at that</p> <p>2 point in time?</p> <p>3 A. Not when I first started, but then I</p> <p>4 bought -- I bought my first farm in -- I don't</p> <p>5 remember what year. It was somewhere in the '90s,</p> <p>6 mid to late '90s.</p> <p>7 Q. And did you -- were you the sole owner of</p> <p>8 that farm, or did you buy that with other family</p> <p>9 members?</p> <p>10 A. As I -- I can't remember if my brother and I</p> <p>11 bought it together or if I bought it separately. I</p> <p>12 just don't remember.</p> <p>13 Q. Did he at some point come to own some</p> <p>14 portion of it whether or not he bought it --</p> <p>15 A. I don't remember if he owned -- if we owned</p> <p>16 it together or if it was separate. I just don't</p> <p>17 recall.</p> <p>18 Q. Okay. And when that farm was sold, is that</p> <p>19 when some of your family went to Iowa or are those</p> <p>20 two completely unrelated events?</p> <p>21 A. No, those are -- no, those are not related.</p> <p>22 Q. Okay. So now we've established --</p> <p>23 A. No farm was sold, as I recall, to any move</p> <p>24 to Iowa.</p> <p>25 Q. Okay. I see.</p>	<p style="text-align: right;">Page 303</p> <p>1 and that was all that I did 'cause I just wanted</p> <p>2 to -- because I had too much going on and so that was</p> <p>3 a project that I had spent a lot of time on that I</p> <p>4 enjoyed. And then -- and then they sold -- there was</p> <p>5 surrounding in that -- in the south county, they had</p> <p>6 that, my dad had sold some land but he still owned</p> <p>7 some around here, and I don't remember that time -- I</p> <p>8 don't remember if that was, you know, three years or</p> <p>9 five years. I don't remember the years.</p> <p>10 Q. Okay. Let me get back to the point.</p> <p>11 A. I don't understand your --</p> <p>12 Q. So let me try to help you.</p> <p>13 A. Okay.</p> <p>14 Q. So what I was trying to understand is with</p> <p>15 respect to any of the farms in California, were you</p> <p>16 ever involved in the hiring of the farm workers?</p> <p>17 A. Well, when I was -- when I was -- obviously</p> <p>18 when I had my own business, you know, I had a few</p> <p>19 people that worked with me way back in the day; so I</p> <p>20 would have been -- at that time I did, and then --</p> <p>21 and then when I worked with my grandmother she did --</p> <p>22 she did all of that.</p> <p>23 Q. Okay. And were you ever knowledgeable about</p> <p>24 the hiring practices of your family, that is your</p> <p>25 brother and your father, when they were operating</p>

<p style="text-align: right;">Page 304</p> <p>1 farms in California?</p> <p>2 A. I mean, loosely.</p> <p>3 Q. Okay.</p> <p>4 A. I mean, I remember -- you know, I mean, I</p> <p>5 remember back -- long time ago that I would get</p> <p>6 documents from people, file them, you know, for my</p> <p>7 own business. I mean, you're talking -- you're</p> <p>8 talking late '80s, early '90s.</p> <p>9 Q. And loosely you understood that they did</p> <p>10 basically the same thing; is that what you're saying?</p> <p>11 A. Not only them, but I think every -- I mean,</p> <p>12 every business that I've ever been around, you know,</p> <p>13 documents employees.</p> <p>14 Q. Okay.</p> <p>15 A. Except -- except for you guys.</p> <p>16 Q. And so just to hopefully close this out,</p> <p>17 it's my understanding you're saying that you are</p> <p>18 not -- you don't have knowledge about their hiring</p> <p>19 practices for NuStar in the Iowa farm; and all I'm</p> <p>20 asking is beyond what you're telling me now, is there</p> <p>21 anything else that you would point to to show that</p> <p>22 you lacked that knowledge?</p> <p>23 A. Well, I mean, your guys are the ones that</p> <p>24 made up the conspiracy, not me.</p> <p>25 Q. If the answer is no, that's fine.</p>	<p style="text-align: right;">Page 306</p> <p>1 they wouldn't have changed from the way that my</p> <p>2 grandmother did it and the way that we did it in the</p> <p>3 past.</p> <p>4 Q. Okay.</p> <p>5 A. So I have every belief that everybody that</p> <p>6 they've ever hired would have been -- would have been</p> <p>7 documented to the best of my belief, but I don't</p> <p>8 have -- you know, you can't -- you can't fault me or</p> <p>9 even question me. I've never hardly been there to</p> <p>10 that -- to the farm, I mean, a handful of -- you</p> <p>11 know, once a year for a couple nights.</p> <p>12 Q. Okay. So --</p> <p>13 A. The only time I remember, which I know I</p> <p>14 testified to last time, I remember my dad asked me to</p> <p>15 go out there and look at some animals. That was</p> <p>16 before they even bought it.</p> <p>17 Q. So -- so there's your testimony and then</p> <p>18 there's the fact that you've almost never been there.</p> <p>19 Is there anything else that you would point to to</p> <p>20 show that you lack knowledge about the employment</p> <p>21 practices on the farm?</p> <p>22 A. I mean, I don't have any -- I've never been</p> <p>23 involved in it. How would I have any knowledge of</p> <p>24 something that I haven't been involved in other than</p> <p>25 I know that the practices from when -- you know, when</p>
<p style="text-align: right;">Page 305</p> <p>1 A. You know, I don't know what you -- I don't</p> <p>2 understand the question. I don't know what you're</p> <p>3 trying to get at. I mean --</p> <p>4 Q. I'm just trying to --</p> <p>5 A. -- you're the one that -- you're the one</p> <p>6 that said there was a secret. You're the one that</p> <p>7 said there was a secret move. You're the one that</p> <p>8 said that I was conspiring with other Congressmen and</p> <p>9 my dad and -- I mean, it's preposterous.</p> <p>10 Q. So the answer --</p> <p>11 A. For a farm that I've never even hardly even</p> <p>12 been to other than a few times.</p> <p>13 Q. Okay. So if the answer is no, I'm happy to</p> <p>14 move on. I just want to make sure it's clear that</p> <p>15 there's not something else you're later going to</p> <p>16 point to. I'm just trying to have --</p> <p>17 A. Later -- point to in terms of what, that my</p> <p>18 family follows --</p> <p>19 Q. Your lack of --</p> <p>20 A. -- that my family follows the law?</p> <p>21 Q. No, no, no. That you don't know what they</p> <p>22 do on that farm for labor practices.</p> <p>23 A. Well, I wouldn't know, but I would say that</p> <p>24 they definitely followed the law, but I don't know</p> <p>25 any intricacies of it. I don't know. But I assume</p>	<p style="text-align: right;">Page 307</p> <p>1 we all were -- you know, operated together.</p> <p>2 Q. Okay. And that's -- that's the basis;</p> <p>3 right?</p> <p>4 A. I can't imagine that they changed their --</p> <p>5 they changed their policies, but, you know, let it --</p> <p>6 I know you don't -- you want me to remind you again?</p> <p>7 You're the ones that came up with the story. You or</p> <p>8 Lizza, somebody concocted a story that I was</p> <p>9 conspiring to have a secret farm, a secret move, hire</p> <p>10 people illegally and undocumented. You guys made</p> <p>11 that up, not me.</p> <p>12 Q. All right. I'm going to --</p> <p>13 A. Or Lizza. I don't know who -- you know,</p> <p>14 Lizza, you, I don't know who.</p> <p>15 Q. I think I'm going to -- so I'll give you --</p> <p>16 let me rephrase it. I'll give you an opportunity.</p> <p>17 If there is anything else that you would</p> <p>18 like to point to that would support the fact that you</p> <p>19 lack knowledge of the hiring practices on the farm, I</p> <p>20 will give you the opportunity to do that. If not --</p> <p>21 A. Well, I would ask that, I mean, I could</p> <p>22 supplement later. I mean, I don't know --</p> <p>23 Q. Now is the time. I mean, if you know, if</p> <p>24 there's any other evidence, please tell me what it</p> <p>25 is.</p>

<p style="text-align: right;">Page 308</p> <p>1 A. Evidence that -- that I don't know their 2 hiring practices? 3 Q. Correct. 4 A. For a farm that I don't own and have never 5 managed, never been involved in? 6 Q. Exactly. 7 A. Well, why would I -- why would I have any 8 firsthand knowledge of that? 9 Q. Sure. And that's a fine answer. I just 10 want to get the answer. 11 A. Well, I'm just -- but, I mean, I do have 12 obviously firsthand knowledge, as I just went 13 through, about when I did it way back in the day, the 14 way that we did it. I was trained by my mother and 15 my grandmother on what to do. I mean, that's -- 16 that's -- and I can't imagine that they changed when 17 they went there. 18 Q. Okay. 19 A. And you would have all the evidence because 20 I know they provided you documents for everyone. 21 Q. Okay. How do you know that? 22 A. I think they said that. 23 Q. They said that -- 24 A. That's probably when I talked to my dad that 25 they provided documents that went back for the whole</p>	<p style="text-align: right;">Page 310</p> <p>1 Q. And what is wrong with the process that 2 needs to be fixed? 3 A. We went over this last time in the 4 deposition, I mean, it's just completely -- I mean, 5 the whole system's collapsed now. I mean, it was 6 kept -- it was getting worse and worse and worse, and 7 now we've got -- I don't know, how many people are 8 going to come across the border this year, two, three 9 million, four million? 10 Q. And that's what you would talk to your 11 constituents about? 12 A. Well, that was in the last few years, but, I 13 mean, it was always bad, but, you know, basically how 14 are you going to have a -- you know, you've got 50 15 different states, 50 different laws, all kinds of 16 lawsuits going on. I mean, if you go to Sacramento 17 and you talk to people in this state, then the people 18 who run this state, they'll say that everyone in the 19 state is documented, which, I mean, I'm guessing that 20 they are because they've been given documents. 21 Q. And the people you meet with -- so, for 22 example, those would be constituents who ran farms? 23 A. Constituents, the different organizations 24 all through -- not just farms. I mean, you guys are 25 the ones fixated on farms, I mean, as if there's a</p>
<p style="text-align: right;">Page 309</p> <p>1 time. They had documented -- they had documented -- 2 everybody was documented, as I would expect, that 3 this business, all these businesses here. But if you 4 go 30 miles that way, you'll find a business that 5 doesn't document their people. 6 Q. So when would he have told you that he 7 had -- that they had provided us all the documents? 8 Is this earlier in the case, when they filed the 9 case? Do you know when -- 10 A. I -- I don't remember. 11 Q. You mentioned a little while back some 12 meetings you had -- and let me look at the 13 transcript. I don't want to put words in your mouth 14 that are not correct. 15 So you had said that you only know that the 16 people that you represented, the people that you 17 worked with, what was relayed to you in meetings when 18 people would come talk to you about these immigration 19 issues. Can you -- can you tell me more about those 20 meetings, please? 21 A. I mean -- just, I mean, there would always 22 be meetings on, you know, ways to fix -- ways to fix 23 the immigration process to make it better, to make it 24 work. I mean, that's -- I mean, countless meetings, 25 I mean, there would be meetings all the time.</p>	<p style="text-align: right;">Page 311</p> <p>1 difference between a farm and any other business; 2 there is no difference. 3 Q. So -- 4 A. There is no difference in terms of the way 5 that they hire people. 6 Q. So then why are there bills, for example, 7 proposed to have like visas, H visas, for farm -- for 8 agriculture in particular? Why would you do that if 9 it's not different? 10 A. I mean, generally speaking, it's because 11 they -- it's because I think there's a belief that -- 12 well, you've got the disagreement that you have 13 people here that are all now legal, you know, that 14 everybody here in the whole country is legal now. I 15 mean, that's -- I'm not saying that that's my 16 position. I'm just saying that that's the position 17 of many politicians and governments and even courts. 18 Q. Okay. 19 A. And so, you know, I think we talked about 20 this last time. I don't know why you want to go back 21 through this again, but we talked about, you know, 22 like what do you do with the -- and this was years 23 ago, but you had kids that were brought here, where 24 do they land? That's the whole Dreamer issue. I'm 25 not a lawyer, I can't go through all the specifics of</p>

<p style="text-align: right;">Page 312</p> <p>1 it, so how are they treated? Are they -- they're --</p> <p>2 as far as I know, those are now all documented and</p> <p>3 are legal.</p> <p>4 And like I said, in this state that I'm --</p> <p>5 where I represented, everybody here now is</p> <p>6 documented. Not that it's the right -- you know,</p> <p>7 it's not the right policy, it's total chaos, but</p> <p>8 they're all -- but that's what it is, except for you</p> <p>9 guys who seem to not document your workers.</p> <p>10 Q. So going back to constituent meetings, can</p> <p>11 you -- so if you were meeting with a constituent that</p> <p>12 had in this case, let's say, an agricultural</p> <p>13 operation, what is the sort of immigration reform</p> <p>14 that they would be asking you to -- to work toward?</p> <p>15 A. Well, I mean, it changed over 20 years. I</p> <p>16 mean, there's all kinds of different stuff.</p> <p>17 Q. And would the Farm Workers Modernization Act</p> <p>18 be an example of that?</p> <p>19 A. I don't know that. I think you guys asked</p> <p>20 me about that last time.</p> <p>21 Q. You still don't have any recollection of it?</p> <p>22 A. There's -- well, why do you ask me if you</p> <p>23 already know? I just started out with it. If you're</p> <p>24 going to go down this line of questioning, go back to</p> <p>25 the deposition --</p>	<p style="text-align: right;">Page 314</p> <p>1 Q. Please go ahead.</p> <p>2 A. So -- but it's -- I think the concept is is</p> <p>3 when you reach full employment and you have sectors</p> <p>4 of the economy, you want to have an organized process</p> <p>5 to bring people in to work.</p> <p>6 Q. And have we reached full employment over the</p> <p>7 years in the past?</p> <p>8 A. I think you could argue a few years ago we</p> <p>9 were at full employment.</p> <p>10 Q. Okay. Are you familiar with a program now</p> <p>11 from many years ago called the Bracero Program?</p> <p>12 A. Only by name.</p> <p>13 Q. Do you have any recollection as to what it</p> <p>14 was?</p> <p>15 A. I mean, I only remember because when I was a</p> <p>16 kid there were -- the people -- you know, there were</p> <p>17 people that I worked with or knew or kids I went to</p> <p>18 school with that were here on that program.</p> <p>19 Q. And is it your understanding that was</p> <p>20 essentially a work permit program for people in</p> <p>21 Mexico to come to the United States primarily for</p> <p>22 agricultural work?</p> <p>23 A. I don't know that it's a -- I don't think it</p> <p>24 was only Mexico, but maybe it was.</p> <p>25 Q. So it was at least people from outside the</p>
<p style="text-align: right;">Page 313</p> <p>1 Q. Well, I thought maybe you --</p> <p>2 A. -- from the last time. Why are you --</p> <p>3 Q. -- you may have studied it.</p> <p>4 A. Well, you're playing a game. You're playing</p> <p>5 a game.</p> <p>6 Q. Apparently not.</p> <p>7 A. So -- but I will say that on immigration, on</p> <p>8 those -- so the main reason as -- and I'm not saying</p> <p>9 all; okay? So I'm not speaking in an absolute, but I</p> <p>10 think the concern that would be relayed is that there</p> <p>11 are certain times when you reach full employment</p> <p>12 that -- when you reach full employment, can there</p> <p>13 be -- in the country, in the United States of</p> <p>14 America, is there a -- you know, do you need a</p> <p>15 process for some industries, and the answer is -- and</p> <p>16 the answer, you know, obviously has been yes because</p> <p>17 over the years there are different programs that</p> <p>18 exist. I mean, I know there's, like, programs for</p> <p>19 highly educated people, tech world, agriculture. I</p> <p>20 can't even think of the names of those, but they have</p> <p>21 certain visa programs. And so I think the concept</p> <p>22 was is -- are you guys listening, or am I just --</p> <p>23 Q. I'm listening. I am listening.</p> <p>24 A. Well, you asked me this question last time</p> <p>25 in the deposition and now I'm explaining it to you.</p>	<p style="text-align: right;">Page 315</p> <p>1 United States?</p> <p>2 A. Yeah, but then that program got converted to</p> <p>3 a new program, which I can't think of the name of it,</p> <p>4 but I just remember that name.</p> <p>5 Q. Okay. And is it your understanding --</p> <p>6 A. And I'm sure at one point I read about it</p> <p>7 and I researched but, I mean, you know, I had plenty</p> <p>8 of other issues that were -- that I, you know, have</p> <p>9 more granular recollection on, but immigration is not</p> <p>10 really one of them because it -- you know, it really</p> <p>11 was not a -- because the State of California, I mean,</p> <p>12 we were just -- everybody was -- everybody was</p> <p>13 documented. And now in the last couple of years</p> <p>14 everybody -- it's a free flow of people from</p> <p>15 everywhere.</p> <p>16 Q. And you had mentioned earlier that it's some</p> <p>17 people's position that everybody here is now</p> <p>18 documented but that's not necessarily your position.</p> <p>19 What is your position?</p> <p>20 A. I mean, I'm not going to get -- speculate on</p> <p>21 my position. I mean, I think I have a clear record</p> <p>22 of what my record in Congress is. But, I mean, I</p> <p>23 know that last year, I mean, I was at the border, and</p> <p>24 towards the end of the tour, you know, because we had</p> <p>25 been briefed on, you know, terrorists coming across</p>

<p style="text-align: right;">Page 316</p> <p>1 the border, things of that nature, and came upon some 2 people there that were dressed as nice as you are 3 with very expensive bags, and I went up to them and 4 they were -- they were saying they were claiming 5 asylum. I don't know. It was probably ten of them. 6 And then I spoke my crappy Spanish to them 7 and then quickly realized they don't speak Spanish 8 and they were Romanian gypsies that had left Romania 9 two days before, flew somewhere to Mexico, and the 10 drug cartel came and dropped them off, and then they 11 were claiming political asylum to me, and I was just 12 there for a tour, and they were turning themselves 13 into the Border Patrol. 14 So what the hell do you do? I have no idea. 15 Did those people get documents? I don't know. But I 16 assume if you claim asylum and it was successful, you 17 get documents. I mean, they seemed to be -- they 18 seemed to be pretty sure. I mean, they were dressed, 19 you know, to the -- you know, very, very nicely; so 20 I'm guessing those people are now in this -- in here. 21 I mean, they weren't like -- it wasn't like some of 22 the videos you see of people coming all up the border 23 and all through Central America and South America. I 24 mean, we had 80 different countries, I think, at 25 least, the last time that I was -- that I was briefed</p>	<p style="text-align: right;">Page 318</p> <p>1 roughly a month before the election, came out -- I 2 remember it was -- it posted like at 9:00 p m. 3 Eastern Time, approximately, because, as I told you 4 earlier, I spent the next -- you know, spent the next 5 six hours on the phone talking to all kinds of 6 people, my communications director, and then, you 7 know, after that, of course, I started taking calls 8 and incoming -- I mean, I think even my ethics lawyer 9 at the time that, you know, was I involved in some 10 illegal activity, you know, of a farm in Iowa. And 11 so that's how that started. 12 Then the next morning you sent -- you 13 coordinated with -- well, Lizza, the guy that you 14 hired, [REDACTED] -- I knew 15 he had showed up the month earlier on the farm, 16 having no idea what he was doing, but he went and 17 harassed all kinds of people, as I recall, at the 18 time. 19 And the story came out, it was preposterous 20 because it tied me to something that I had nothing to 21 do with. And then the next day, the next morning, 22 news crews showed up out at my grandmother's house 23 and they showed up out in Sibley, Iowa. And then my 24 grandmother panicked -- she was 98 years old at the 25 time -- called -- as I recall, somehow my uncle calls</p>
<p style="text-align: right;">Page 317</p> <p>1 on this, and they were coming from all over the 2 globe, and they're all claiming asylum, and the Biden 3 Administration's all letting them in. 4 So, I mean, going back to how do we start on 5 this, you know, the whole issue of undocumented, and 6 nobody -- nobody undocument -- nobody's not 7 documenting their employees except for you, and then, 8 oh, and then your conspiracy theories that you accuse 9 other people of doing, including me. 10 Q. Let's -- well, I was going to change 11 subjects, but if you -- it's up -- if you'd like to 12 take a break, this would be a reasonable time. 13 A. I mean, look, I don't have anything more to 14 tell you guys, but I prefer just to get this done. 15 Q. Okay. Let's keep on moving. 16 Can you please tell me how you believe the 17 article has harmed you? 18 A. I mean, we already went through that, but we 19 can go through it again. So when the story came out, 20 I started to tell you earlier, you guys coordinated 21 with big tech and other fake news organizations for 22 the defamation and slander which was a designed 23 attack to destroy my reputation in this community. 24 With your conspiracy that I was doing illegal 25 activities on a secret farm in Iowa, that came out</p>	<p style="text-align: right;">Page 319</p> <p>1 me and says you better get over here, you better call 2 the Sheriff. And I went over there quickly and Matt 3 Butler was with me, my grandmother was in the house, 4 she was panicked, she didn't know what was going on, 5 and her mind was still really good then, and so I had 6 to calm her down. 7 And then, you know, I remember my uncle 8 coming in there and -- into the office there where 9 she worked and where he worked and, you know, he 10 wasn't happy and said, you know, you better get the 11 Sheriff, I think was his terms, and this is bullshit 12 and things of that nature. 13 And my grandmother was -- I mean, she was 14 outside, she was sweating because she was outside 15 working in her yard and, yeah, it's pretty -- pretty 16 bad. That was just that day. And then it goes on 17 for the rest of the -- the -- you know, all the way 18 through the election I'm getting pounded on it, 19 television, radio, everywhere I go, all your fake 20 news buddies are asking about it. I know I took a 21 lot of calls because of the potential ethics 22 violations, that obviously it would be unethical, 23 number one, for me to have a secret farm that I 24 didn't report, so that would be criminal. And then 25 it would be obviously criminal if I was conspiring</p>

<p style="text-align: right;">Page 320</p> <p>1 to, you know, have a -- run an operation secretly 2 that was -- that was not documenting its employees. 3 So I just remember having to deal with all 4 that and there was the fallout, and then when I got 5 back from -- after the election, then I had to deal 6 with it there because it was -- you know, so I had to 7 brief all of my colleagues that I served with on -- 8 you know, on this issue because there was, you know, 9 obviously a good chance that I'd be removed as 10 chairman of the Intelligence Committee because of 11 your story, your hit piece. 12 So then, as I testified to earlier, then 13 went about, you know, trying to figure out what I 14 could do to clear my name, try to get my name 15 cleared, you guys refused to do it, and then you 16 continued to harass. And then right -- right at the 17 time, you know, at least when I filed the lawsuit I 18 was contending that, hey, this is not true, it needs 19 to be erased from my record, and it's not. And then 20 [REDACTED] that you hired decided to 21 send it out again at the height of the impeachment, 22 that then started it all over again. 23 And then, I mean, and now it lives out there 24 every single day, I mean, you can go to -- I mean, 25 probably the number one, I think the number one</p>	<p style="text-align: right;">Page 322</p> <p>1 and, yeah, it's bad stuff. And then now everywhere I 2 go, almost everywhere I go, anytime I make a public 3 appearance I even get introduced as somebody who has 4 a farm in Iowa, so -- which is pretty damn 5 embarrassing because if you go and search it, which 6 many people do, they find out that I have a farm in 7 Iowa that has a bunch of illegal activity because you 8 guys made up the story. 9 And now my family in Iowa, because you used 10 them as pawns, now they get attacked all the time, 11 just like Lizza attacked them and stalked them, and 12 now it happens by other people, including -- I know 13 you're aware of this, but including we had some 14 jackass lunatic from here, from my area, that decided 15 to drive from here, he was somehow affiliated with 16 antifa, and went out and attacked their farm. That 17 was just a couple years ago, less than a couple of 18 years ago. 19 So -- so, you know, so, yeah, that -- that 20 is the damage that continues to build up, not to 21 mention all the other damage that we can go through 22 if you would like at the -- at the time, at the time 23 and still today from, you know, people that I worked 24 with and -- and my family. 25 Do you want me to go on, or I assume you</p>
<p style="text-align: right;">Page 321</p> <p>1 website in the world is Wikipedia. Are you familiar 2 with Wikipedia, just for the record? 3 Q. Yes. 4 A. Okay. I think it's number 1, 2, or 3. You 5 could pull it up on your phone or your computer right 6 now, and guess what you're going to find there? 7 Q. Please tell me. 8 A. You're going to find your hit piece, your 9 bullshit, and it's there for everybody to see, every 10 day, and people put it on social media; it never 11 ends. So -- and I can go on and on about that, but 12 we can stop there on that issue. But, you know, it's 13 on any search engine you find it, any -- there's 14 plenty of videos, other people picked it up, there's 15 videos out there on YouTube that have hundreds of 16 thousands of views. 17 Q. What's in those videos? 18 A. Your hit piece. 19 Q. They're reading it or there's -- they're 20 recant- -- they're recounting -- 21 A. They're recounting the story, just like it 22 is on Wikipedia. Then -- I mean, obviously there was 23 the damage that was done to my grandmother. There's 24 the damage that was done to, you know, my -- 25 basically at that point my uncle said no more, and --</p>	<p style="text-align: right;">Page 323</p> <p>1 don't care about this. 2 Q. No, I certainly want to hear what you have 3 to say. I will ask some questions about some of the 4 specific people that you disclosed recently, but if I 5 can go back and just ask a couple follow-up questions 6 on some of the things you said and then perhaps you 7 can continue and explain. 8 So you mentioned that you received a lot of 9 calls when the article was initially published in 10 2018, and if you could just first let me know, how 11 did you respond to those calls? What did you tell 12 people who were calling you and asking you about this 13 article? 14 A. I mean, as it related to the ser- -- I mean, 15 at first, I mean, it was the seriousness of it; 16 right? So, you know, it's the -- I mean, the main 17 thing -- the first thing I had to do was to explain 18 that, no, I didn't have a secret farm and that I had 19 no ownership of any farm other than the ones that I 20 had -- you know, other than the winery that I 21 reported on the -- on my disclosures. You know, so 22 that was, I think, the biggest -- most important 23 thing, I think, that the Republican leaders were 24 worried about at that time because of the accusations 25 that I would have -- 'cause it's not legal for me to</p>

<p style="text-align: right;">Page 324</p> <p>1 lie on my forms --</p> <p>2 Q. Okay.</p> <p>3 A. -- about ownership. And so that was</p> <p>4 probably the biggest problem was convincing people of</p> <p>5 that because that would have been -- first and</p> <p>6 foremost, I mean, I would have been -- had I lied on</p> <p>7 those forms, I would have been removed.</p> <p>8 Q. Okay.</p> <p>9 A. Probably expelled.</p> <p>10 Q. And did you talk to them about any of the</p> <p>11 other allegations in the article?</p> <p>12 A. I mean, that was the -- that was the one</p> <p>13 that most -- was most concerning because that's the</p> <p>14 one that I could be immediately expelled for --</p> <p>15 Q. Okay.</p> <p>16 A. -- right, from -- removed from my committee</p> <p>17 and then probably expelled from Congress if I had</p> <p>18 lied continuously and had a conspiracy going to run</p> <p>19 whatever the hell you guys trumped up. And then, you</p> <p>20 know, I had to get through that, I mean, and then it</p> <p>21 kept going and then it never ended. And now you</p> <p>22 have -- you know, people still think that I have some</p> <p>23 farm because it lives out there because your story is</p> <p>24 still up.</p> <p>25 Q. And you didn't actually get expelled; right?</p>	<p style="text-align: right;">Page 326</p> <p>1 pretty -- you know, he speculates we don't know what</p> <p>2 he has, I mean, just paraphrasing, but, I mean, we</p> <p>3 could go through it.</p> <p>4 Do you want me to sit here and read it to</p> <p>5 you?</p> <p>6 Q. I do not.</p> <p>7 A. You don't want to hear about it.</p> <p>8 Q. So was there -- did you talk to your</p> <p>9 colleagues or anybody else who called you about</p> <p>10 whether your family's farm actually did or did not</p> <p>11 have undocumented labor or --</p> <p>12 A. Yeah, of course they didn't have -- I mean,</p> <p>13 you already know the answer to that question. They</p> <p>14 documented -- you know they documented everybody.</p> <p>15 Q. And you explained that to the people who</p> <p>16 were --</p> <p>17 A. I wouldn't have known, you know, but it's</p> <p>18 preposterous that my family was running some --</p> <p>19 remember, the accusation that you made was that I was</p> <p>20 conspiring, it was me conspiring to do this to keep a</p> <p>21 secret, keep it hidden in order to exploit and run</p> <p>22 some operation that doesn't document their employees,</p> <p>23 which is ridiculous.</p> <p>24 So the bigger concern at the time was --</p> <p>25 'cause the thing that was right in front of them</p>
<p style="text-align: right;">Page 325</p> <p>1 We know that's true.</p> <p>2 A. You know that's true. Why are you asking me</p> <p>3 the question?</p> <p>4 Q. For the record, you know that's true;</p> <p>5 correct?</p> <p>6 A. You know the answer. It's a dumb question.</p> <p>7 Q. You're not going to answer the question?</p> <p>8 A. You know the answer. Why are you asking me</p> <p>9 the question if you know that -- you already know the</p> <p>10 answer to? You already asked me that I retired from</p> <p>11 Congress earlier this year.</p> <p>12 Q. Okay.</p> <p>13 A. Why are you asking if I got expelled? If I</p> <p>14 got expelled, I wouldn't have had to retire.</p> <p>15 Q. Did they ask you questions about your</p> <p>16 family's farm or were they only asking you questions</p> <p>17 about whether you --</p> <p>18 A. As I recall at that time, the number one</p> <p>19 issue, I'm sure there was more to do more, but it</p> <p>20 was -- the number one thing would be -- it had</p> <p>21 nothing really to do -- my family were pawns in this,</p> <p>22 as you well know. It was what's my ownership, what</p> <p>23 do I have there. It was exactly what is in your</p> <p>24 little hit piece right here. I mean, I think I could</p> <p>25 go through it if you want me to read it, but it's</p>	<p style="text-align: right;">Page 327</p> <p>1 would be whether or not I had a secret and whether or</p> <p>2 not that secret was -- was real or not. Because if</p> <p>3 that was kept secret and I had something to do with</p> <p>4 this and I was conspiring to do this, I had big</p> <p>5 problems.</p> <p>6 Q. I understand that.</p> <p>7 A. And there's, you know, countless people that</p> <p>8 still believe today that I do have something to do</p> <p>9 with that.</p> <p>10 Q. And my question is when you were speaking</p> <p>11 with your colleagues, did you talk to them about the</p> <p>12 question of whether or not the farm actually did --</p> <p>13 A. I doubt it. I mean, I think it was ...</p> <p>14 Q. Okay. So back to --</p> <p>15 A. And then I had to get -- you know, then I</p> <p>16 had my ethics attorney that I had to make sure that</p> <p>17 everything was good and, you know, it just lived on</p> <p>18 and on and on, and then it happened again in '19</p> <p>19 because you guys decided to republish it and put it</p> <p>20 out for the whole world to know, and you still</p> <p>21 haven't taken it down. I mean, if you -- the -- any</p> <p>22 device that's here connected to Wi-Fi right now, you</p> <p>23 can pick up and you can find your story and it's the</p> <p>24 number one thing. It's on Wikipedia, it's on every</p> <p>25 search engine, it's on YouTube, it's on your website;</p>

<p style="text-align: right;">Page 328</p> <p>1 so it lives continually every day.</p> <p>2 Q. So would you say it is -- would you say that</p> <p>3 the harm that's caused by the publication, the</p> <p>4 initial publication of the article, has lessened over</p> <p>5 time or not?</p> <p>6 A. Screw you. Come on. I just walked you</p> <p>7 through -- I just spent ten minutes telling you you</p> <p>8 have the story still up on your website, you, Hearst.</p> <p>9 Q. So the answer is --</p> <p>10 A. You wrote it, Lizza wrote it, it's on your</p> <p>11 website.</p> <p>12 Q. So the answer is no.</p> <p>13 A. It's on Wikipedia. No, the damages increase</p> <p>14 every single day.</p> <p>15 Q. Okay.</p> <p>16 A. And I'm offended that you continue to ask me</p> <p>17 these questions that somehow something has subsided</p> <p>18 when I just spent, you know, 10, 15 minutes, which</p> <p>19 you were just ignoring me, you weren't evening</p> <p>20 listening, and then you come out and you ask a</p> <p>21 question like, oh, so it doesn't matter.</p> <p>22 Q. So is there anything else you want to talk</p> <p>23 about generally in terms of the harm that they</p> <p>24 caused --</p> <p>25 A. I can go on and on but --</p>	<p style="text-align: right;">Page 330</p> <p>1 little cartoons.</p> <p>2 So it wasn't just Lizza. You then hired</p> <p>3 somebody to write -- to draw ridiculous cartoons, and</p> <p>4 you must have bought these pictures too from</p> <p>5 somebody. I mean, look, you've got pictures of ICE,</p> <p>6 alluding that ICE -- I'm involved with -- that ICE</p> <p>7 is -- and I'm in big trouble. I mean, that's what</p> <p>8 this article shows. It's all about me.</p> <p>9 Q. Okay.</p> <p>10 A. So you've got those that live and they're</p> <p>11 out there on social media every single day right now.</p> <p>12 You have continued, you know, harassment and</p> <p>13 potential harassment. I mean, I know my family out</p> <p>14 in Iowa, they've got -- it just doesn't -- it doesn't</p> <p>15 end for them.</p> <p>16 And then everywhere I go, like I said,</p> <p>17 around the country I have to answer these questions</p> <p>18 to people. I still have former colleagues that</p> <p>19 believe that I still had something to do with a farm</p> <p>20 in Iowa. Why? Because it's still up and you guys</p> <p>21 have republished it over and over and over again. I</p> <p>22 guarantee you even the stupid little video on your</p> <p>23 website probably gets viewed every single day.</p> <p>24 Q. Okay. Anything else?</p> <p>25 A. There's more, but I'll -- it'll have to come</p>
<p style="text-align: right;">Page 329</p> <p>1 Q. Please do.</p> <p>2 A. If you want to keep going.</p> <p>3 Q. I do.</p> <p>4 A. You want to keep -- you want more?</p> <p>5 Q. I want to know what you know.</p> <p>6 A. Okay. So you've got the problem of -- I</p> <p>7 mean, the big issue, the antifa issue, now lunatics</p> <p>8 know where my family lives and they -- so, you know,</p> <p>9 both my -- both farms that are in this story, neither</p> <p>10 of which, you know, that I own, continually get</p> <p>11 harassed. My uncle gets harassed. It pisses him</p> <p>12 off. And then you guys went and harassed my other</p> <p>13 uncle, who had nothing to do with this, just because</p> <p>14 you wanted to harass him.</p> <p>15 And then -- and then those two farms now,</p> <p>16 there's always people that are driving by there, and</p> <p>17 my family has to fret for their safety and, you know,</p> <p>18 there's always some shenanigans that are going on in</p> <p>19 terms of phone calls, hate calls, social media posts.</p> <p>20 I mean, I can probably pull up for you right now -- I</p> <p>21 bet that you'll find social media posts that were</p> <p>22 posted in the last 24 hours, and you know what</p> <p>23 they'll have? They'll have these pictures right</p> <p>24 here. This is like -- this thing's been published --</p> <p>25 I guarantee you we can find this picture, all your</p>	<p style="text-align: right;">Page 331</p> <p>1 to me, but I'll supplement.</p> <p>2 Q. Okay. But sitting here for now that's what</p> <p>3 you remember.</p> <p>4 A. I think I remember other things, but I'll</p> <p>5 supplement more later.</p> <p>6 Q. Well, if you remember it now, please tell</p> <p>7 me. Otherwise, obviously you can tell me later.</p> <p>8 A. I mean, I want to -- I gave you kind of a</p> <p>9 lot right there that you didn't really listen to, so</p> <p>10 let's just -- why don't you get on with your</p> <p>11 questions and then we can come back to it.</p> <p>12 Q. Do you remember anything more right now?</p> <p>13 A. In terms of what?</p> <p>14 Q. The harm.</p> <p>15 A. The harm?</p> <p>16 Q. Yeah.</p> <p>17 A. I mean, yeah. You've got -- you know, I</p> <p>18 mean, you guys -- I said that, you know, I was harmed</p> <p>19 with my colleagues at the time. I submitted that a</p> <p>20 few weeks ago. Then you guys came back and, you</p> <p>21 know, I guess asked for names, so I gave you names.</p> <p>22 But there's a lot more than that, lot more names than</p> <p>23 that that I could go through if you want more names.</p> <p>24 Q. Okay. Anything else?</p> <p>25 A. Well, you just asked me so --</p>

<p style="text-align: right;">Page 332</p> <p>1 Q. If you want to go through, what are the 2 other names, then?</p> <p>3 A. I mean, I could go on. I mean, probably -- 4 in terms of names of my former colleagues that would 5 have information on this, on the damages?</p> <p>6 Q. Yeah.</p> <p>7 A. The list could grow and grow and grow, but 8 off the top of my head, ones I didn't put on the list 9 because, I mean, they have information but it's 10 not -- I don't think it's -- not as much as like the 11 ones that are on the list that know, I think -- they 12 know directly, they have direct information. So 13 these would be people that, you know, that would have 14 information but, you know, I'm not sure, you know, 15 where they fall at -- in on it but they would for 16 sure have information.</p> <p>17 Q. So who are they?</p> <p>18 A. I would start with Tom Latham. His health 19 is pretty poor right now. He was a good friend of 20 mine. He would know that -- he was a Congressman 21 from Iowa, but he's in bad health.</p> <p>22 John Boehner --</p> <p>23 Q. And I'm sorry to interrupt you. Can you 24 tell me what they would know, kind of why you're 25 doing it so we don't have to go back and -- it would</p>	<p style="text-align: right;">Page 334</p> <p>1 would have information that would go back all the way 2 to 2003.</p> <p>3 Q. What kind of information?</p> <p>4 A. Just that there was no -- there was no -- 5 nobody was sneaking around, there were no secrets. 6 He knew everything about my farming. He knew 7 everything I had done. We were good friends. He 8 knew that whatever time frame was that when -- right 9 when my family moved because I remember talking to 10 him about it because when they were -- when my 11 brother wanted to look out there, I remember asking 12 him about -- and his wife, you know, hey, do you know 13 the area, because I think his son now lives in that 14 area, and he used to sell seed out there so he knew 15 the area; so I remember talking to him before -- 16 before they went out there. And then we would always 17 talk about just the -- so there were no secrets. And 18 then, of course, obviously, he was out of Congress 19 when you guys did the hit piece, but, you know, 20 everybody knew I was close with him.</p> <p>21 So that's John Boehner, obviously, too. He 22 would have relevant information because he would know 23 Tom Latham and he would know we were always -- we 24 spent a lot of time together. He knows those years 25 because I was -- you know, they were close friends of</p>
<p style="text-align: right;">Page 333</p> <p>1 probably be quicker if you want to tell me --</p> <p>2 A. They would have relevant information as to 3 my damages.</p> <p>4 Q. Such as what?</p> <p>5 A. Well, in knowing that this story was really 6 harmful. So Latham would be relevant because he's 7 from Iowa. He knew that there was no secret. I'd 8 been out to Iowa to do events for many people in Iowa 9 over the years, and he would always joke about, you 10 know, that I should move to Iowa, you know, make 11 jokes like that, you know, that -- 'cause, you know, 12 he would announce at his events that my family was in 13 Iowa and, you know, make little jokes like that, so 14 he clearly knew there was no secret. He and his 15 family would have to know the damage that it took 16 because a lot of people in Iowa knew that I was 17 friends with him, he was a good friend of mine and my 18 family.</p> <p>19 Q. Did you discuss with him the damages or he 20 would just -- he would know them because --</p> <p>21 A. Well, he would know them. I mean, you know, 22 I can't remember 'cause he got ill, so I know that he 23 came -- after he got ill he came and we had dinner, 24 we had dinner, but his -- he had a stroke so -- but I 25 know that we talked about it at that time. But he</p>	<p style="text-align: right;">Page 335</p> <p>1 mine.</p> <p>2 Q. When you say he'd know those years, what do 3 you mean by that?</p> <p>4 A. Well, he would know that your story was very 5 damaging to me and they would know that it was 6 preposterous because they would know that -- I mean, 7 he was the Speaker of the House, he would obviously 8 know -- not at the time when the story was written, 9 but he was Speaker of the House before that and he 10 would know whether or not there was any big secret 11 that I was running some secret farm, conspiring with 12 other people to commit illegal activ- -- to conduct 13 illegal activity; so he would have direct knowledge 14 of that.</p> <p>15 Senator Grassley would definitely have 16 knowledge, would have knowledge of this.</p> <p>17 Q. What knowledge would Senator Grassley have?</p> <p>18 A. He's from -- he's from Iowa, he's a 19 long-term senator from Iowa. Him and I worked 20 closely on the Russia hoax, the other conspiracy that 21 you guys came up with, and he played an integral role 22 in that in the Senate. He knew for years that my 23 family was -- was -- you know, that I had a 24 brother -- or, you know, he knew there was a family 25 member, I don't think he knew exactly who, but I</p>

<p style="text-align: right;">Page 336</p> <p>1 think -- over the years I think my mom or other 2 people would go to -- he would do little county 3 meetings, and I know my mom went to a few of those 4 meetings. I think maybe even my brother did. I 5 don't know. But I remember Senator Grassley talking 6 to me about that. 7 And then during this pertinent time, you 8 know, he definitely -- you know, during that time he 9 would know the attacks that I was taking because of 10 when we were unraveling with your conspiracy that you 11 guys came up with to frame the Republican party with, 12 that we were all somehow tied to Russians and secret 13 Russian agents. Just like it says right here, 14 Trump's biggest defender, House Intelligence 15 Committee biggest defender, and then he goes on and 16 on about, you know, battering ram, battering ram to 17 discredit the Russia investigation, one that you made 18 up, you and your people made it up. 19 Q. What did we make up? 20 A. You made up the Russia hoax. You guys 21 had -- you knew it was nonsense and you framed -- you 22 framed a presidential candidate, a party. Many 23 people went to jail over it, and you all -- you 24 played along with it. So Senator Grassley and I 25 worked together on essentially getting the facts that</p>	<p style="text-align: right;">Page 338</p> <p>1 Falls, fly into Sioux Falls. 2 Q. And -- 3 A. Senator John Thune -- 4 Q. I'm sorry. 5 A. -- would know. 6 Q. Just to back up to the governor. When you 7 flew through Sioux Falls, did you meet with her? Is 8 that what you're saying? 9 A. Oh, well, she was my colleague, so she was 10 there at the time when this hit piece came out. 11 Q. Okay. 12 A. But over the years she was there, there 13 would -- you know, I know that we -- either I told 14 her or I can't -- you know, I know I told her that I 15 was in Sioux Falls. I remember seeing Senator Thune 16 one time, you know, and he well -- you know, he knew 17 for many years that my family was in -- you know, 18 that I had family in Iowa. So there was no secret. 19 There was no conspiracy. 20 You've got -- trying to think of the North 21 Dakota -- the North Dakota former governor now in the 22 Senate, Senator Hoeven, he used to come out here 23 to -- he used to come out here to this area and he 24 would put on symposium for -- at the big agricultural 25 expo here when he was governor, he would come out</p>
<p style="text-align: right;">Page 337</p> <p>1 that was a complete hoax. So he -- and he would know 2 that my fam- -- there was no big secret that was in 3 Iowa. 4 Q. And you were -- so you were under attack 5 generally because of your work to discredit this 6 Russia hoax; right? 7 A. Your guy writes about it. Your guy attacked 8 me precisely because of it. You attacked me in this 9 article because of it. You said -- that's why you 10 wrote it, you wrote it to damage me before the 11 election. 12 Q. All right. So other than Senator Grassley, 13 is there anybody else you want to -- who you can 14 identify? 15 A. I mean, I can go on and on. I mean, do you 16 want me to give you more? I mean, we'll sit here all 17 day. 18 Q. I guess we are, then. Go ahead. 19 A. Okay. I mean, just in that region you 20 have -- Kristi Noem would have information, the 21 governor of South Dakota. 22 Q. Okay. What information would she have? 23 A. She would know also that my family was out 24 there because they would -- 'cause sometimes I 25 would -- when I would visit I would fly through Sioux</p>	<p style="text-align: right;">Page 339</p> <p>1 here to recruit farms, and I know there was a time 2 where I think he met my -- maybe he was in the Senate 3 then or he was running for the Senate, but he met 4 my -- I think my father was out here and they talked 5 about, you know, that he was in -- you know, that he 6 had purchased the farm in Iowa. 7 Q. Were you present for that conversation or 8 you just knew -- 9 A. I remember -- I remember -- I think he was 10 running for the Senate. I remember him telling me 11 about that. And we've had numerous conversations 12 about his time. He came out here several times; so 13 he knew there was no -- I was not conspiring on any 14 secret to commit illegal activities. 15 You've got senator -- now Senator Cramer, I 16 think he was in the House at the time, and he's from 17 that region, he knew and he knows the damage. 18 Sean Duffy would know the damage too. 19 Q. How would he know that? 20 A. He was from Wisconsin and he's from a big 21 dairy area, so we would work a lot on -- because this 22 is one of the largest -- or it is the largest dairy 23 area in the world and, of course, he has a large 24 dairy area, so he knew. I think I had done events 25 for him in Wisconsin and I remember, you know, him</p>

<p style="text-align: right;">Page 340</p> <p>1 bringing it up at an event.</p> <p>2 Q. He knew what?</p> <p>3 A. He knew about your hit piece.</p> <p>4 Q. And he knew that your family had a farm.</p> <p>5 A. Well, he knew before, of course, 'cause it</p> <p>6 was -- you're the ones that said it was a secret.</p> <p>7 Q. I'm just trying to understand --</p> <p>8 A. But I'm telling you nobody -- every --</p> <p>9 everybody -- major figures all through the area,</p> <p>10 representatives, knew there was no secret. But</p> <p>11 clearly then they had to then come and look to see</p> <p>12 if, you know, had I been lying, was I -- you know,</p> <p>13 did I have some ethical -- had I been ethically</p> <p>14 compromised.</p> <p>15 Q. Okay. Anybody else?</p> <p>16 A. Yeah. How many do you want?</p> <p>17 Q. As many as you have.</p> <p>18 A. I would say -- oh, well, I've obviously got</p> <p>19 my colleagues in California, but obviously Ken</p> <p>20 Calvert, who's the dean of our delegation, chairman</p> <p>21 of our delegation.</p> <p>22 Q. What would he know?</p> <p>23 A. Oh, he would know -- he would know all about</p> <p>24 it. I mean, he knows it was -- he knew that my</p> <p>25 family had an operation in Iowa, he knew I didn't</p>	<p style="text-align: right;">Page 342</p> <p>1 about the article, the damage, they know that there</p> <p>2 was no secret, and they know the seriousness of the</p> <p>3 chairman of the Intelligence Committee being accused</p> <p>4 of keeping a secret in order to conduct illegal</p> <p>5 activity and one that would immediately be</p> <p>6 investigated by -- you know, by the Republican</p> <p>7 leadership.</p> <p>8 Q. And it was investigated?</p> <p>9 A. Yeah, absolutely.</p> <p>10 Q. Was there a formal investigation?</p> <p>11 A. No, but it was -- they had to come and ask</p> <p>12 me about it.</p> <p>13 Q. Okay. Anybody else?</p> <p>14 A. Mac Thornberry.</p> <p>15 Q. Okay. And what would he know?</p> <p>16 A. He would know -- I mean, I worked with him</p> <p>17 very, very closely. He was the chairman of the Armed</p> <p>18 Services Committee. We served together for many</p> <p>19 years on intelligence. But my brother sent his --</p> <p>20 he's in the cattle business, he grew up in the cattle</p> <p>21 business, and my brother sent his cattle to his</p> <p>22 district; so we would oftentimes talk about the --</p> <p>23 about that and about how they raised -- you know, the</p> <p>24 West Texas cattle operations, and so he knew that my</p> <p>25 brother had an operation there.</p>
<p style="text-align: right;">Page 341</p> <p>1 have anything to do with it, and he knew that I was</p> <p>2 damaged tremendously.</p> <p>3 Q. And how did he know you were damaged</p> <p>4 tremendously?</p> <p>5 A. Because everybody was talking about it.</p> <p>6 It's still up. I'm still being damaged every single</p> <p>7 day. This went like wildfire all the way through and</p> <p>8 then I got pounded on it for 30 days, 40 days during</p> <p>9 an election that I had a secret farm that was</p> <p>10 employing illegal workers or something, some crap.</p> <p>11 It was all over.</p> <p>12 And then it goes on to -- then it goes on to</p> <p>13 and then, of course, it got reignited again by Lizza</p> <p>14 when he decided to republish it.</p> <p>15 Oh, Mac Thornberry would definitely know; so</p> <p>16 he definitely would be somebody that would know about</p> <p>17 this.</p> <p>18 Q. And all of these people reached out to you</p> <p>19 or you spoke with after the publication in 2018 or</p> <p>20 they just would know these things?</p> <p>21 A. They would know -- well, for sure like</p> <p>22 Calvert I would have spoke to, Duffy I would have</p> <p>23 spoke to about this. The -- you know, Grassley I</p> <p>24 know at one point I think brought it up. So they all</p> <p>25 have some -- they all know about it, they all know</p>	<p style="text-align: right;">Page 343</p> <p>1 Q. So where was his district?</p> <p>2 A. In northwest Texas.</p> <p>3 Q. So your brother would send their Iowa cattle</p> <p>4 down to northwest Texas?</p> <p>5 THE WITNESS: Uh-oh. I think we lost --</p> <p>6 MR. SITWALA: Steve, are you there?</p> <p>7 THE REPORTER: Off the record?</p> <p>8 MR. SITWALA: Do we need to take a break to</p> <p>9 try to get Steve back?</p> <p>10 THE VIDEOGRAPHER: I need to change my</p> <p>11 video.</p> <p>12 MR. SITWALA: Let's go off the record, then.</p> <p>13 THE VIDEOGRAPHER: This is the end of Media</p> <p>14 Number 2. We are off the record at 11:44 a m.</p> <p>15 (Recess taken.)</p> <p>16 THE VIDEOGRAPHER: This is the beginning of</p> <p>17 Media Number 3. We are back on the record at</p> <p>18 p m.</p> <p>19 BY MR. SITWALA:</p> <p>20 Q. Congressman, we were going through people</p> <p>21 who you recalled who may have some knowledge about</p> <p>22 the damages that you suffered in this case, and I</p> <p>23 believe the last person I had written was</p> <p>24 Representative Thornberry.</p> <p>25 Is there -- and we can go through the list</p>

<p style="text-align: right;">Page 344</p> <p>1 of people you did provide, but before we do that I 2 want to make sure if there are others you can think 3 of or have thought of, I just want to go through them 4 first. 5 A. Okay. So you want me to keep going through 6 them? 7 Q. I do. 8 A. Are you sure? 9 Q. I guess I don't -- I wouldn't say I want you 10 to, but that is what we're here to do, so let's do 11 it. 12 A. Okay. I mean, 'cause I -- you know, I don't 13 know to what -- I can keep going on and on and on, 14 but I'm just trying to give you the -- when you asked 15 me who was relevant -- or, I mean, I said, look, 16 these are people that know about my reputational 17 damage, we've provided that. You guys came back and 18 said you wanted the names, so I kind of went through 19 and got the ones that would be most -- you know, that 20 knew the most. 21 Q. I -- 22 A. And it doesn't mean that these others -- I 23 mean, these others would know, like Mac Thornberry 24 clearly would know a lot about this, Ken Calvert 25 would know a lot about this, but we're going to be</p>	<p style="text-align: right;">Page 346</p> <p>1 Thornberry, Ken Calvert are, you know, obviously 2 important witnesses if they -- you know, since you're 3 asking. 4 Q. So anybody that you think you might call or 5 rely on I'd like to know about. 6 A. Well, Mac Thornberry, and we talked about -- 7 I mean, you're asking me -- you know, my brother 8 has -- you know, his cattle are there in that area. 9 Q. Oh, yes. That's right. We were talking 10 about -- and my question was I just didn't 11 understand -- so why would you move them from Iowa to 12 Texas, is that for a different purpose or what's 13 the -- 14 A. Well, I can tell you it's not to keep it a 15 secret and to conspire to commit illegal activities, 16 I can tell you that. 17 Q. Okay. 18 A. I can tell you what it's not for. I think 19 because -- I mean, you'd have to ask my brother, but 20 it's -- I think they just -- I think it's economical 21 to do it there, they have facilities that do it 22 professionally. 23 Q. Like slaughtering, or what are we talking 24 about? 25 A. No, no, no, to raise animals.</p>
<p style="text-align: right;">Page 345</p> <p>1 here a long time if you want me to go through all of 2 them. 3 Q. Let me ask you a different question, then, 4 which is is the list of people you provided the list 5 of people who you would intend to actually rely upon 6 versus the other people who you wouldn't? 7 A. No. No, I could rely on -- I mean, rely for 8 what? Rely for when we go to a jury trial? 9 Q. Correct. 10 A. No. I mean, we could -- I mean, every name 11 that I just named, I mean, other than Tom Latham 12 probably would not be able to because of his health, 13 but, I mean, I would have no problem -- you know, 14 I've never -- I don't know when we get to trial how 15 many of these we want to call. I don't know. I 16 mean, that would be up to Steve, I guess, or you 17 guys, if you guys want to call them. 18 Q. So I -- 19 A. But, I mean, I have a lot. I just kind of 20 highlighted the ones that I thought would have the 21 most -- like the most information because they would 22 have been in all the meetings. 23 Q. So anybody -- 24 A. 'Cause there's -- remember, there's a lot of 25 meetings. We can go through it, but like Mac</p>	<p style="text-align: right;">Page 347</p> <p>1 Q. So they're born -- 2 A. They're born in Iowa, right, or born 3 wherever and then they -- people move them to Texas 4 and they raise them for an amount of time, usually -- 5 I don't know, probably I'm guessing like a year and a 6 half, and then they send them back. Like, I know 7 farms from here that send them there. 8 Q. Oh, okay. Thank you. 9 A. It's been a while since I've been in the 10 industry, but that's as I recall it. So I know my 11 brother has been now for several years sending his 12 animals to Thornberry's district; so we had numerous 13 conversations about that so he would know there was 14 no secret. And obviously because we worked closely 15 together, he's a guy that would have -- you know, I 16 mean, he would know how I was damaged. 17 Q. Okay. 18 A. I mean, because he was -- he was one of 19 my -- you know, he was my counterpart. Him and I 20 worked -- 'cause he was Chairman of Armed Services, I 21 was Chairman of Intelligence, so we spent a lot of 22 time together. 23 Q. Okay. That makes sense. All right. Well, 24 let's keep going, then. 25 A. Let's see. I mean, look, you could go to --</p>

Page 348

1 well, another -- Ken March- -- Kenny Marchant, he's
 2 also from Texas, he raises cattle himself, he served
 3 with me on the Ways and Means Committee, and he was
 4 also at the time the chairman of the Ethics
 5 Committee, and he knew my family wasn't hiding a
 6 secret. And then he would have been the one that
 7 would have had to -- you know, I don't know the
 8 process because I never served on the Ethics
 9 Committee, but he would have been the one that this
 10 would have come to to -- you know, that the
 11 leadership would have talked to him about
 12 adjudicating whether or not I was committing --
 13 whether or not I was committing crimes.
 14 Q. I see.
 15 A. So he would definitely know that damage, the
 16 reputational damage.
 17 Q. Did you speak with him about that, or do you
 18 just understand that based on his position?
 19 A. Yeah, I'm sure that I -- yeah, I know I
 20 would have because he's -- because he raises cattle.
 21 I mean, yeah, he would know about that. He would
 22 know all about it.
 23 Q. I'm sorry.
 24 A. I haven't talked to him in many -- in a few
 25 years but ...

Page 349

1 Q. I meant did you speak with him about his
 2 investigation into these allegations against you, or
 3 are you saying that would have been his
 4 responsibility so he --
 5 A. Yeah, I would have had -- I mean, as a -- I
 6 don't remember him specifically asking me about it,
 7 you know, but I know that we talked about it, but I
 8 don't remember if that was in terms of what he -- I
 9 don't know if he was tasked by the leadership to look
 10 into it or not.
 11 Q. Okay.
 12 A. But I know that I had to answer questions
 13 to, you know, like some of the people on the list.
 14 Q. I see.
 15 A. And then but Marchant clearly would have
 16 important information.
 17 Q. And would you speak to him about -- I'm
 18 sorry.
 19 Did he also raise cattle for your brother
 20 or --
 21 A. No, no. He just was in the business so he
 22 would know that -- you know, he knew that there was
 23 no big secret. I mean, he knew for years that my
 24 family, you know, had a farm in Iowa.
 25 Q. Okay.

Page 350

1 A. And he knew that I didn't have anything to
 2 do with it.
 3 Q. Got it.
 4 A. But obviously when you guys made the
 5 accusation it becomes much more serious.
 6 Q. Understood.
 7 Anybody else?
 8 A. I mean, there's more, I mean, there's a lot
 9 more. I'm just trying to think of ones that would be
 10 most relevant. I mean, Tom Cole from Oklahoma.
 11 Q. What would he know?
 12 A. I mean, he would know the hit piece, he knew
 13 about the hit piece, I mean, he knew the accusations
 14 that I was under, very -- you know, very serious guy
 15 that's well respected.
 16 Q. And how would he have learned about those
 17 accusations?
 18 A. Well, everybody knew about the accusation.
 19 Q. Just like --
 20 A. Everybody knows right now. Most people
 21 believe the accusations.
 22 Q. And can you tell me somebody --
 23 A. We already went through all this. I mean,
 24 you think like this. It gets worse and worse every
 25 day.

Page 351

1 Q. Can you tell me somebody who believes them
 2 as we sit here today?
 3 A. I don't know where these people live, but
 4 they probably believe it. I mean, anybody that looks
 5 up -- those people sitting across the street, if you
 6 Google it, if you look on YouTube, if you go to my
 7 Wikipedia site, it's there.
 8 Q. Okay. But that wasn't my question.
 9 Can you identify any individuals who believe
 10 it today?
 11 A. I would guess there are some -- if you go to
 12 social media, there's going to be -- there's going to
 13 be thousands and thousands and thousands of them.
 14 But, I mean, I have to go and do research and bring
 15 it to you, but I know we've supplied a lot of that to
 16 you in discovery.
 17 Q. Okay. So let's go back to -- you said Tom
 18 Cole. So what would he know?
 19 A. I mean, he would know about the damage, he
 20 knows the seriousness of the accusations, he would
 21 know that it was a really bad time, and then he would
 22 also understand why they did it because he's, you
 23 know, been in politics for -- and he's got a
 24 doctorate in government and he's been elected for
 25 20 years, and before that he was the executive

<p style="text-align: right;">Page 352</p> <p>1 director of the RNC, so he would -- I mean, he would</p> <p>2 have to remember it at the time, he would know about</p> <p>3 it, he would know the damage that it did to me.</p> <p>4 Q. Okay.</p> <p>5 A. And I've not talked to him about it</p> <p>6 recently, but he clearly knows all the -- you know,</p> <p>7 all the damage that I incurred.</p> <p>8 Q. When would you say the last time you would</p> <p>9 have spoken to him about it would be?</p> <p>10 A. About -- about what, specifically this or in</p> <p>11 general?</p> <p>12 Q. No, no. This.</p> <p>13 MR. BISS: Can you repeat that name.</p> <p>14 MR. SITWALA: Tom Cole.</p> <p>15 THE WITNESS: Tom Cole.</p> <p>16 MR. BISS: Okay. Thank you.</p> <p>17 THE WITNESS: I don't know. I'm going to</p> <p>18 have -- well, talked to him -- we didn't talk about</p> <p>19 this. I don't know. A couple years, roughly, maybe.</p> <p>20 BY MR. SITWALA:</p> <p>21 Q. Okay. Anybody else?</p> <p>22 A. Just trying to think. Billy Long would</p> <p>23 know.</p> <p>24 Q. What would Billy Long know?</p> <p>25 A. He would know about your hit piece and he</p>	<p style="text-align: right;">Page 354</p> <p>1 I -- he's one of these guys that makes fun of people.</p> <p>2 He's an auctioneer. He would know the seriousness of</p> <p>3 it.</p> <p>4 Q. And did your family go to his auctions?</p> <p>5 A. No, no. I don't think he -- I think he just</p> <p>6 auctions for -- for charity now.</p> <p>7 Q. I see. He's the guy who actually stands</p> <p>8 there.</p> <p>9 A. But he used to have like a -- that was his</p> <p>10 business.</p> <p>11 Q. I see.</p> <p>12 A. But then -- but he's been in Congress now</p> <p>13 for a long time, but he would be -- but he for</p> <p>14 sure -- because he had an interest so he would</p> <p>15 always -- you know, there's people that you know that</p> <p>16 you would talk to about -- you know, about farming</p> <p>17 and agriculture, things of that nature.</p> <p>18 Q. Okay. I'm sorry.</p> <p>19 A. Yeah, I mean, Don Bacon would be another</p> <p>20 one, retired general.</p> <p>21 Q. General --</p> <p>22 A. Air Force general.</p> <p>23 Q. Oh, okay. And how do you know him?</p> <p>24 A. Because I would -- I did a bunch of events</p> <p>25 for him over the years, and he's right in that area.</p>
<p style="text-align: right;">Page 353</p> <p>1 would know about the damages.</p> <p>2 Q. And what would he know about the damages?</p> <p>3 A. He would talk to people, he knows people, he</p> <p>4 was also -- he was in the auction business so he</p> <p>5 would know that I was in -- you know, he knew that</p> <p>6 there was no secret, he knows my brother.</p> <p>7 Q. How does he know your brother?</p> <p>8 A. He's met him before. I don't know. He</p> <p>9 knows my -- he knows my father -- he knows my father</p> <p>10 too.</p> <p>11 Q. And, I'm sorry, what is his district?</p> <p>12 A. It's Missouri, so just south of -- kind of</p> <p>13 the next district down. I think he's a little lower</p> <p>14 but ...</p> <p>15 Q. And he would have known your father and</p> <p>16 brother prior to the publication of the article?</p> <p>17 A. Correct.</p> <p>18 Q. And through you or through --</p> <p>19 A. Yeah, through me. But he's a cattle -- you</p> <p>20 know, he was an auctioneer, so he had an interest in</p> <p>21 this -- in these issues. And he for sure 'cause he</p> <p>22 always makes fun of people, so he definitely knew</p> <p>23 about it.</p> <p>24 Q. He made fun of you about it?</p> <p>25 A. Well, I mean, yeah, I mean, he knows that</p>	<p style="text-align: right;">Page 355</p> <p>1 So I would always go -- when I would go there -- he's</p> <p>2 in Omaha, and so when I would go there I would</p> <p>3 usually pop in and have dinner with my family or</p> <p>4 something. I think even my family -- I think my</p> <p>5 brother and sister-in-law came down one time when I</p> <p>6 was in Omaha.</p> <p>7 Q. And, I'm sorry, is he in Congress or he's --</p> <p>8 A. He's in Congress, yeah.</p> <p>9 Q. Got it.</p> <p>10 So he was at one point an Air Force --</p> <p>11 A. He was an Air Force general, went to</p> <p>12 Congress, but he would definitely know because I</p> <p>13 was -- you know, I think he even talked about it</p> <p>14 as -- because I want to say that I was through there</p> <p>15 and he -- you know, he brought it up, said they were</p> <p>16 all lies. But, you know, a lot of people when I --</p> <p>17 when you go to -- when I go to do events they Google</p> <p>18 you, they go to Wikipedia, and then they -- then you</p> <p>19 go to these events and they come up to you and they</p> <p>20 ask you about whether or not you have a -- you know,</p> <p>21 they'll say, oh, you have a farm in Iowa.</p> <p>22 Q. Okay.</p> <p>23 A. And then the only story that's up there</p> <p>24 about a farm in Iowa is your hit piece and other</p> <p>25 psychopath stories that were built off of your hit</p>

<p style="text-align: right;">Page 356</p> <p>1 piece.</p> <p>2 Q. And I take it you couldn't identify any of</p> <p>3 those people, it's just people who would have come up</p> <p>4 to you at --</p> <p>5 A. Yeah, for sure at his events that that</p> <p>6 happened. It even happened -- I mean, we can get to</p> <p>7 that too, put the name on the list because --</p> <p>8 definitely because it was somebody that actually</p> <p>9 believed it still to just recently.</p> <p>10 Q. We'll get to the list, but let's keep going</p> <p>11 with the other people.</p> <p>12 A. Okay. So Don Bacon for sure; his</p> <p>13 predecessor, Lee Terry.</p> <p>14 Q. Okay. And what would Lee know?</p> <p>15 A. He would know that -- he would know about</p> <p>16 that I was -- I did events for him. He would know</p> <p>17 that I was in the -- that I never was, like, hiding</p> <p>18 anything, that there was no secret. He knows -- I</p> <p>19 think he knows my brother. I think my brother maybe</p> <p>20 came to one of his -- went to an event that I was</p> <p>21 speaking at, so there was no -- nobody was hiding</p> <p>22 anything. I mean, I think he introduced my brother</p> <p>23 at the event, that my brother, you know, just lived</p> <p>24 up the road.</p> <p>25 Q. When would that have event -- I'm sorry.</p>	<p style="text-align: right;">Page 358</p> <p>1 together?</p> <p>2 A. I mean, I had to with at least the</p> <p>3 Intelligence Committee and the Ways and Means</p> <p>4 Committee.</p> <p>5 Q. Okay. And I assume that's what we'll get to</p> <p>6 when we get to the names.</p> <p>7 A. But he would fit in with those. I mean, he</p> <p>8 would have been in all those meetings, plus he would</p> <p>9 know 'cause he lived there in the region.</p> <p>10 Q. All right. Anybody else?</p> <p>11 A. Yeah, there's a lot more. Tom Emmer would</p> <p>12 be -- he represents just to the north. He would</p> <p>13 know.</p> <p>14 Q. He would know what?</p> <p>15 A. He would know that -- he would know that my</p> <p>16 family -- there was no secret. He would know that</p> <p>17 there's -- that the hit -- that this was a hit piece,</p> <p>18 you know, he would know it was timed, and he would</p> <p>19 know it severely damaged my reputation.</p> <p>20 Q. How would he know that?</p> <p>21 A. Because he's an expert. He's in the -- how</p> <p>22 would he know which part of that?</p> <p>23 Q. The damages part.</p> <p>24 A. The damages part? Because he's in -- he's</p> <p>25 the chairman of the -- now he's chairman of the NRCC.</p>
<p style="text-align: right;">Page 357</p> <p>1 When would that event have been?</p> <p>2 A. Probably in 2000- -- I mean, I'm just</p> <p>3 approximating, but probably 2010.</p> <p>4 Q. Okay. Anybody else?</p> <p>5 A. Yeah, I'm sure. How many do you want?</p> <p>6 Q. As many as you've got.</p> <p>7 A. I'm just trying to give you the ones that</p> <p>8 would -- I know would for sure know and have</p> <p>9 information that would be relevant.</p> <p>10 Adrian Smith, he's a Congressman from</p> <p>11 Nebraska.</p> <p>12 Q. And what would Congressman Smith know?</p> <p>13 A. He was on the Ways and Means Committee with</p> <p>14 me. His district goes right to the corner, so my</p> <p>15 family's only a short distance from him.</p> <p>16 Q. Okay.</p> <p>17 A. He would know that I'd have a -- you know,</p> <p>18 have a -- that my family was there in that area</p> <p>19 because I think I even saw him -- I think he even</p> <p>20 attended some events that I was at with either Don</p> <p>21 Bacon or Lee Terry, and then he would have been at</p> <p>22 the -- you know, where I had to address my colleagues</p> <p>23 on the committees because he was on the Ways and</p> <p>24 Means Committee.</p> <p>25 Q. Did you address your colleagues in a session</p>	<p style="text-align: right;">Page 359</p> <p>1 So he -- he would, you know, look at all of these</p> <p>2 issues that would -- you know, races, how they would</p> <p>3 be impacted, so I would have to report to him as to,</p> <p>4 you know, your hit piece that not only was in '18 but</p> <p>5 then again relevant all through '19 and '20 that was</p> <p>6 used against me still in the next election. Because</p> <p>7 he was -- he would be in charge of working with me to</p> <p>8 make sure that I won reelection; so he's definitely</p> <p>9 relevant.</p> <p>10 Q. Okay.</p> <p>11 A. You would have -- anyway, there's more, but</p> <p>12 I think that's --</p> <p>13 Q. If there's anybody else that you think you</p> <p>14 would rely on, I need to know who they are.</p> <p>15 A. That I might -- well, I would have to confer</p> <p>16 with my lawyer to know. I mean, I don't know how</p> <p>17 many we're going to decide to call, or maybe you're</p> <p>18 going to call them.</p> <p>19 Q. If you would even consider calling people, I</p> <p>20 want to know who they are.</p> <p>21 A. Well, but I don't want to be nailed down to</p> <p>22 that in case I think of somebody later. I guess I'll</p> <p>23 supplement to you.</p> <p>24 Q. Well, anybody you can think of now --</p> <p>25 A. I don't know that I would call any of those</p>

<p style="text-align: right;">Page 360</p> <p>1 people. I just know that -- because I'd leave that 2 up to counsel, but those are definitely people that 3 are very knowledgeable that would know the damage 4 that you've done and would know what happened. 5 Q. All right. I'm asking just for any others. 6 A. Steve Stivers would know. He was chairman 7 of the NRCC at the time -- 8 Q. Okay. 9 A. -- from Ohio. 10 Q. And would he know essentially the same 11 things as Tom Emmer? 12 A. A little different 'cause he would have been 13 in charge at that time; so I think Emmer was like a 14 deputy. 15 Q. Okay. So what would he -- 16 A. He would have been in charge in '18; so he 17 definitely would know. 18 Q. Would know what? 19 A. Would know the damage that was done to me. 20 Q. Okay. Did you speak with him about the 21 article? 22 A. I would have had to at the time, yeah. 23 Q. And what would you have told him? 24 A. I mean -- well, he would have called. He 25 was the guy, number one, that I would have to -- that</p>	<p style="text-align: right;">Page 362</p> <p>1 will come to my mind since you asked. 2 Q. I'm just asking what you can think of now. 3 I understand you can think of something later. I 4 can't stop you from that. 5 A. Okay. Right now that's -- you know, I'd 6 have to put more thought in, but there's probably 7 dozens more but ... 8 Q. Okay. Well, let's go to the next -- 9 A. But I'd have to re- -- you know, recollect. 10 Like, I just thought of Steve Stivers because I 11 remembered he was in charge and then I would have had 12 to been answering to him. 13 Q. Okay. So going to the list, I'm going to 14 start I think in the order they're already in, but I 15 honestly don't know. 16 Let's start with Randy Feenstra. So when 17 did you speak with Representative Feenstra? 18 A. Well, Feenstra I didn't know -- 19 Q. Okay. 20 A. -- in 2018. 21 Q. Okay. 22 A. But then last year, you know, he knew -- he 23 knew all about it; so we had several conversations 24 about your hit piece and the damage that was done. 25 Q. Okay. Can you tell me what the substance of</p>
<p style="text-align: right;">Page 361</p> <p>1 would have said, hey, what's this about because he's 2 seeing all the hit pieces that would be generated 3 from your article that then would be attacking me; so 4 it would fall in his lap to basically call and say, 5 hey, man, you're getting damaged. 6 Q. Okay. And what would you say to him? 7 A. I would say, yeah, I know, but what am I 8 going to do? 9 Q. Did you talk about what you were going to 10 do? 11 A. I mean, later because I sued you. 12 Q. You talked to him about that. 13 A. I don't know if I talked to him specifically 14 about this -- about this lawsuit, but I know at the 15 time he would have been one that would have known how 16 bad this story was for me. 17 Q. And -- 18 A. Because he was in charge of it at the time, 19 in charge of the races. 20 Q. Okay. Who else? 21 A. Well, I don't want to be -- I don't want to 22 be married to -- I mean, I may think of some later. 23 Q. I'm just asking -- 24 A. So I don't want to get -- so I don't want to 25 forget somebody because I'm sure there's more that</p>	<p style="text-align: right;">Page 363</p> <p>1 those conversations was. 2 A. Well, he represents that area so he's the -- 3 so he was in the state legislature at the time. I 4 didn't know him, but he knew -- he knew of me and he 5 knew that my family was in the area, and he would 6 know that -- that, you know, the beating and the 7 attack that my family took and the damage that was 8 done to their reputation and mine because he would 9 have been asked about it, you know, during that time 10 because he's a short distance from there. 11 Q. And what did you tell him about the article? 12 Well, let me back up for a second. 13 How did you come to be talking to him about 14 the article in the first place? 15 A. He would bring it up. I mean, it's -- 16 everybody talks about the article. You're the only 17 ones that -- and they talk about the article because 18 you kept it up. 19 Q. So -- 20 A. He represents the area. He knows -- I mean, 21 he knew that my family -- I mean, I think he even had 22 reservations 'cause he didn't know what had happened. 23 And then I got to know him over the -- when he came 24 to Congress and -- and, yeah, I don't think there was 25 a time that goes by that -- matter of fact, I even</p>

<p style="text-align: right;">Page 364</p> <p>1 did an event out there I think for somebody else in 2 that region last year and, you know, I think he knows 3 probably better than anyone the damage that my family 4 incurred, and he didn't know what the truth was at 5 the time. 6 Q. So how did you meet him, because he came to 7 Congress or for some other reason? 8 A. Yeah, I would have met him when he came to 9 Congress in -- I think last year. 10 Q. Okay. While you were still in Congress or 11 no? 12 A. Yes. 13 Q. Okay. And so when you met him, did he then 14 bring up the article at that time? 15 A. Yeah, as I -- many times, yeah. 16 Q. And what is it that you talked about over 17 and over about this article? 18 A. Just he talked about my family, what they're 19 doing, how they're doing. I mean, he knew -- you 20 know, at the time he believed -- you know, he said 21 people believed the article. He didn't know what to 22 believe but, you know, over time, you know, I had to 23 tell him I don't own anything there, and, you know, 24 he didn't know 'cause the only record out there is 25 this story.</p>	<p style="text-align: right;">Page 366</p> <p>1 time he sure as hell didn't. 2 Q. And when you talked to him, you told him you 3 had no ownership interest, did you tell him anything 4 about, you know, what you believed about the farm? 5 A. I mean, not that I would recall, I mean, 6 other than it was my brother and that my -- and that, 7 you know, you guys ran this hit piece and it was all 8 lies. 9 Q. Okay. Anything else you recall in terms of 10 talking to Randy Feenstra about the damages? 11 A. Not at this time. 12 Q. Okay. Trey Gowdy, can you tell me how you 13 came to -- first of all, how did you come to know 14 him? 15 A. He's in Congress with me and, you know, he 16 was one of my top lawyers on the Intelligence 17 Committee. 18 Q. Okay. So he served with you on the 19 Intelligence Committee. 20 A. Um-hmm. He was specifically put there 21 because of his legal background. 22 Q. Okay. Do you have a legal background? 23 A. No, I do not. 24 Q. When -- 25 A. You already know that.</p>
<p style="text-align: right;">Page 365</p> <p>1 Q. And was he interested in understanding 2 whether what was said about your family was true or 3 not? 4 A. Well, he knew. I mean, he knew it was -- he 5 would know it was -- he assumed that it -- something 6 was true. 7 Q. And then did you -- 8 A. I mean, everybody did except for you guys. 9 Q. And did you tell him it wasn't true? 10 A. Yeah, I mean, I told -- I can't remember all 11 the specifics, but I would have said this is not -- 12 this is not true, I mean, I don't have any ownership 13 there, I never was involved in anything there. 14 Q. Did he speak with your family, though, about 15 the other part of the allegations? 16 A. You mean the lies that you said? 17 Q. Well, as to whether they -- 18 A. You mean your lies? People don't go talk 19 about lies if you're lying. They just assume -- 20 either they're not going to ask you about it, about 21 the lies that you guys put out there, or they're 22 going to, you know -- you know, I think over time I 23 think he's got to know them and knows that they're 24 not -- I mean, he knows I don't have any ownership so 25 he knows the whole thing is a lie now, but at the</p>	<p style="text-align: right;">Page 367</p> <p>1 Q. When did you speak with Congressman Gowdy 2 about the article? 3 A. Well, at the time, I mean, he would have 4 been -- because he was also -- he was on the 5 Intelligence Committee and he was also on the Ethics 6 Committee; so he would have been one of the most, you 7 know, closest people to all of this because he had 8 to -- a lot of the leadership and members would come 9 to him after you made your accusations about me; so 10 he would have taken a lot of those questions from the 11 other members. 12 Q. And then brought them to you? 13 A. No, he wouldn't bring them to me. Well, 14 maybe he did, but he would have to internalize them 15 and then probably work with Kenny Marchant and the 16 leadership to figure out what to do about it. 17 Q. So did you have any direct conversations 18 with him about the article? 19 A. At the time, yeah. I mean, I don't remember 20 all the specifics, but basically saying, look, it's 21 not true. 22 Q. Okay. 23 A. So ... 24 Q. Can you remember anything else about those 25 conversations?</p>

<p style="text-align: right;">Page 368</p> <p>1 A. No, just that it's not true and, you know, 2 he was -- you know, had to like ask the questions. I 3 mean, it's very awkward, embarrassing. 4 Q. Did he believe you? 5 A. Yeah, I mean, I don't know. You have to ask 6 him. I guess we'll find out at trial. 7 Q. Can you think of any other conversations 8 that you had with him regarding the article? 9 A. I mean, look, it went on, I mean, then 10 during -- then it was republished. But, I mean, 11 not -- I mean, I just remember that at the time and 12 then later having to go to the Intelligence Committee 13 members to discuss it. I think he left, as I 14 recall -- I can't remember. I think he left that 15 following year so -- but at the time he would have 16 been kind of the most important -- one of the most 17 important people I had to deal with because he was my 18 top lawyer. 19 Q. Okay. So just to be clear, you don't 20 remember specifically any other conversations that 21 you had with him about the article other than the 22 ones we just discussed? 23 A. Other than -- other than I -- whenever I -- 24 I mean, I talked to, I don't know, sometime in the 25 last year.</p>	<p style="text-align: right;">Page 370</p> <p>1 A. Yeah, whatever we provided in discovery. 2 Q. Okay. And that would have been sometime in 3 the last two weeks? 4 A. Yeah. 5 Q. All right. George Holding, can you please 6 tell me what information you believe he has. 7 A. He would know -- he was one that I 8 distinctly remember talking to several times at the 9 time in both 2018 and 2019. He knew -- he knew my -- 10 he had met my father and my brother; so he knew that 11 there was no secret. And then he would always call 12 me to ask if everything was going -- if I was going 13 to be okay, if everything was all right. 14 Q. Okay. 15 A. And I remember specifically him calling like 16 right in that time period after your hit piece came 17 out, I remember him specifically calling. He might 18 have even called that night or the next night. 19 Q. Because he was concerned because he didn't 20 believe what was actually said; right? 21 A. No, he was concerned that I was going to be 22 expelled from Congress because you accused me of 23 federal crimes. 24 Q. So -- 25 A. You're trying to put words in my mouth.</p>
<p style="text-align: right;">Page 369</p> <p>1 Q. Did you -- just for -- going back to 2 Feenstra for a second, did you reach out to him to 3 say that you were going to be identifying him as a 4 witness for this case? 5 A. Yes. Well, I don't -- I think I sent it -- 6 I think I sent that to -- I think maybe -- I don't 7 know if Steve sent it or -- I know that I notified 8 him -- I know that I notified him that it's potential 9 that he'll be on a list. 10 Q. And when would you have done that? 11 A. I mean, whenever you guys asked me about 12 this two weeks ago. 13 Q. Okay. But the conversations you had with 14 Randy Feenstra were back when the article was 15 actually published. 16 A. Correct. That's the time of the relevant 17 conversations. 18 Q. Okay. So now with Mr. Gowdy -- Congressman 19 Gowdy, have you also told him that you were planning 20 on listing him? 21 A. I did -- I did talk to him, yes, briefly. 22 Q. Okay. And when -- 23 A. I think I sent him the -- the -- whatever 24 the disclosure was just as an FYI. 25 Q. The actual document.</p>	<p style="text-align: right;">Page 371</p> <p>1 Q. Okay. So he believed it -- 2 A. And he was also on the Ethics Committee. 3 Q. So he believed it when he read it and 4 reached out to you because he was concerned; is that 5 what you're saying? 6 A. I don't think he -- I mean, you have to ask 7 him. I mean, I don't know what he believed or didn't 8 believe, but he -- but he clearly was concerned about 9 the article and about my safety, my family's safety, 10 what was going on, what was -- you know, what was 11 true in the article. I mean, we had probably 12 multiple conversations about it over the years. And 13 then, of course, he was aware that then you guys went 14 and republished it again at the height of impeachment 15 that then started that all over again. 16 Q. So -- 17 A. And he was on the Ways and Means Committee 18 with me; so, you know, it's important to remember 19 that I had to have -- I had to tell my colleagues in 20 private meetings that -- about what was going on 21 because you guys accused me of committing federal 22 crimes for something that I would have been in 23 serious trouble about. 24 Q. Now -- 25 A. So my committee members, I was chair of one</p>

<p style="text-align: right;">Page 372</p> <p>1 committee and then I was one of the -- you know, I 2 think I was the second ranking top Republican, number 3 two Republican on the Ways and Means Committee; so I 4 had to address these accusations with them so ... 5 Because all of your counterparts, just like 6 CNN, when CNN went out and harassed my grandmother 7 and my family and went to every Nunes family in 8 Tulare County, just like they went to -- which you 9 guys coordinated with, you claimed you didn't, but 10 [REDACTED] Ryan Lizza was working for CNN at 11 the time, so it's preposterous to think you pushed 12 that all over social media, Apple News pushed it out, 13 and then 12 hours later news vans are at my 14 98-year-old grandmother's house and my brother's 15 place, hanging out out there with cameras, running 16 around everywhere that Lizza went. 17 So, you know, to believe that what your 18 guys' supposed story is, you don't know anything, 19 you've provided zero evidence, but to think that a 20 jury in Iowa's not going to believe that Lizza and 21 you didn't coordinate with CNN is going to be fun for 22 the jury, I think, to hear, and I look forward to 23 that one. 24 Q. Okay. So when George Holding initially 25 reached out to you I think you said maybe the day of</p>	<p style="text-align: right;">Page 374</p> <p>1 true? 2 A. I mean, over time, I mean, you know, 3 obviously I'd have to explain it, then it would get 4 regurgitated, people would ask and then you'd have 5 to, you know, talk about it again and then of course 6 it was republished and, you know, because what 7 happens is just like you did with CNN, you put your 8 seeds of poison out and then all of your other little 9 fake news buddies come and -- come and ask the 10 questions to my colleagues. So that's what happens. 11 So like Gowdy, when Gowdy and these people are 12 dealing with this it is because you poisoned the 13 well, you send people out, say oh, did they see 14 Lizza's story, and then they ask and then they would 15 go to people like -- you know, 'cause they 16 probably -- a lot of them wouldn't come to me and 17 they would ask what's going on with Devin, this is 18 serious, what's going on, I mean, you know, that's -- 19 that happened over and over again, especially the 20 guys that would be, you know, on my committees that 21 would get -- ask those questions the most and 22 obviously the guys that were on the Ethics Committee. 23 Q. So when George Holding -- George Holding 24 came to believe that the story was not true; correct? 25 A. I mean, you have to ask him that.</p>
<p style="text-align: right;">Page 373</p> <p>1 or the day after the publication in 2018, you then -- 2 and tell me if this is wrong -- you then took it upon 3 yourself to explain to him why what was in the 4 article wasn't true; right? 5 A. When I -- I mean, it was so fast then, like 6 I said, I was on the phone for probably five or 7 six hours that night. 8 Q. Um-hmm. 9 A. Okay? Severe damage. And then I was under 10 attack for the next, you know, 30-plus days. I just 11 remember specifically him calling me, asking if I was 12 going to be okay. 13 Q. Okay. And then you said you had several 14 conversations with him about that -- 15 A. I mean, and then over the years I've had -- 16 THE REPORTER: Whoa, whoa, whoa. I'm sorry. 17 One at a time. 18 And then you said you had several 19 conversations with him -- 20 MR. SITWALA: After that. 21 BY MR. SITWALA: 22 Q. Go ahead. I'm sorry. 23 A. Yeah. 24 Q. And in those conversations did you then 25 explain to him why what the article said was not</p>	<p style="text-align: right;">Page 375</p> <p>1 Q. You don't know that? 2 A. Well, obviously I wasn't -- I wasn't 3 expelled so the story wasn't correct, but the problem 4 is the story's still out there; so, you know, you 5 have to have conversation after conversation after 6 conversation and we'll get to it if you want to have 7 more fun, you know, so keep going down the list. 8 Q. Is there anything else you can recall 9 sitting here now about your discussions with George 10 Holding regarding the article? 11 A. Yeah, George would -- would -- like I said, 12 I don't think there's anything more other than he 13 knew all about it, he knew how bad it was for me. 14 Q. How did he know your father and brother? 15 A. Just 'cause he was a guy that I served with 16 a lot and I think they had met before. 17 Q. Through you. 18 A. Through me, yeah. 19 Q. And that was, again, before the article was 20 published? 21 A. Correct. 22 Q. All right. Let's talk about Jim Jordan. 23 Now, let me back up for a second. So we've been 24 talking about the Intelligence Committee and Ethics 25 Committee.</p>

<p style="text-align: right;">Page 376</p> <p>1 Are the people on the list that you</p> <p>2 disclosed, are they all members of one or both of</p> <p>3 those committees?</p> <p>4 A. I'd have to review the list again. I just</p> <p>5 went through the ones that I thought were most</p> <p>6 relevant.</p> <p>7 Q. Okay. So let me --</p> <p>8 A. That's the one I gave you, but then I gave</p> <p>9 you a bunch of other ones that -- that were -- you</p> <p>10 know, that were obviously, you know, Republican</p> <p>11 leaders.</p> <p>12 Q. Okay. So let's just keep going. So Jim</p> <p>13 Jordan, was he on either of those committees?</p> <p>14 A. He was on the Intelligence Committee when</p> <p>15 Lizza republished the hit piece in 2019.</p> <p>16 Q. But he was not in 2018.</p> <p>17 A. He was not in 2018. But he was on during</p> <p>18 the impeachment --</p> <p>19 Q. And what --</p> <p>20 A. -- trial --</p> <p>21 Q. I'm sorry.</p> <p>22 A. -- or impeachment hearings.</p> <p>23 Q. And you're referring to the first set;</p> <p>24 correct?</p> <p>25 A. I'm referring to whatever time frame that</p>	<p style="text-align: right;">Page 378</p> <p>1 committee, leading anything when he's guilty of all</p> <p>2 these other crimes, why hasn't, you know, ICE raided</p> <p>3 his home.</p> <p>4 Q. But Jim Jordan wasn't saying that.</p> <p>5 A. Yeah, but Jim Jordan was on the committee at</p> <p>6 the time when all that happened, and he would have</p> <p>7 relevant information about it.</p> <p>8 Q. Okay. So he would know about what people</p> <p>9 were saying based on the article.</p> <p>10 A. He would know the damages, the reputational</p> <p>11 damage, the harm, the injury he would definitely know</p> <p>12 about.</p> <p>13 Q. Okay. Did you have conversations with him</p> <p>14 about it?</p> <p>15 A. I'm sure -- I know at the time I did</p> <p>16 because -- because I had to -- once again, I had to</p> <p>17 sit the whole Republicans down because they're</p> <p>18 getting the questions what's this illegal activity</p> <p>19 you're involved in, what's this -- why is Ryan Lizza</p> <p>20 pushing this out again, you know, why did you -- you</p> <p>21 know, I remember the conversations of wait a second,</p> <p>22 didn't you sue them and why is this coming back up</p> <p>23 again.</p> <p>24 Q. You mentioned this a couple times now. So</p> <p>25 you had a group discussion with each of the</p>
<p style="text-align: right;">Page 377</p> <p>1 was, November of '19.</p> <p>2 Q. Okay. What were the conversations you</p> <p>3 recall -- let me back up.</p> <p>4 What knowledge do you believe that Jim</p> <p>5 Jordan has regarding your damages?</p> <p>6 A. He would just know -- at that time he would</p> <p>7 know the story, he would know the hit pieces, he</p> <p>8 would know -- you know, 'cause that was when he was</p> <p>9 on the committee and this is the one that they, you</p> <p>10 know, re- -- that you guys republished. That was the</p> <p>11 one that I then -- everybody was asking questions</p> <p>12 about again. 'Cause the story line would go that</p> <p>13 you've got -- they're attacking, they're impeaching a</p> <p>14 president, and then the story line would be how can</p> <p>15 you have a criminal like Devin Nunes who committed</p> <p>16 crimes with a secret farm in Iowa, those were the</p> <p>17 questions that they then would talk about because of</p> <p>18 your original hit piece and then the republication</p> <p>19 and promotion of the hit piece, that's how that would</p> <p>20 go down.</p> <p>21 And then so, like I said, you'd put your</p> <p>22 poisonous seeds out there and then the story line</p> <p>23 would get written and you could see it on social</p> <p>24 media, I know we provided some of this, but it would</p> <p>25 be that, you know, how can this guy be leading this</p>	<p style="text-align: right;">Page 379</p> <p>1 committees; is that true?</p> <p>2 A. With -- multiple times. But for sure at</p> <p>3 that time -- at that time for sure and, you know,</p> <p>4 there had to be at least a dozen times, probably, but</p> <p>5 specifically about your hit piece was for sure would</p> <p>6 have been in that -- in that probably phone calls in</p> <p>7 October and then I know I would have had to address</p> <p>8 it in November and December of '18 and then I would</p> <p>9 have had to address it again because you republished</p> <p>10 it in '19 with the Intelligence Committee members,</p> <p>11 and the same would be true for the Ways and Means</p> <p>12 Republican members.</p> <p>13 Q. Would there be any record of these</p> <p>14 discussions?</p> <p>15 A. No, there wouldn't be any -- nothing</p> <p>16 transcribed.</p> <p>17 Q. Okay.</p> <p>18 A. It was just where I would have to meet with</p> <p>19 them to tell them what happened.</p> <p>20 Q. And to tell them what happened you told them</p> <p>21 that these allegations were totally untrue; correct?</p> <p>22 A. Yeah, that you psychopaths made it up.</p> <p>23 Q. Okay.</p> <p>24 A. That's probably my word exactly, and you've</p> <p>25 kept it up.</p>

<p style="text-align: right;">Page 380</p> <p>1 Q. Any other conversations you can remember 2 with Jim Jordan about either the damages or the 3 article? 4 A. I mean, I had lots of conversations with Jim 5 Jordan over the years 'cause we've worked closely 6 together on the Russia hoax investigation along with 7 Chuck Grassley. He would know that I'm not -- that 8 I'm not -- that I'm not, you know, a criminal, but he 9 would know that -- the damage that was done. 10 Q. Did you tell him that you were going to list 11 him as a potential witness in this case? 12 A. Who, Jordan? 13 Q. Yes. 14 A. I don't think I've told him yet. 15 Q. Okay. 16 A. I can't remember. 17 Q. What about -- 18 A. But I don't think I have. No, I have not. 19 Because I have not talked with him for a while. 20 Q. What about George Holding? 21 A. George Holding I notified. 22 Q. Within the last two weeks? 23 A. Yes. 24 Q. And how did you do that? 25 A. I think I just -- I had a brief conversation</p>	<p style="text-align: right;">Page 382</p> <p>1 wouldn't have been -- he was in Congress at the time. 2 He knows the damage that was done in '18. And then 3 he was on the -- joined the Ways and Means Committee 4 and then he joined the Intelligence Committee. 5 But probably one of the more embarrassing 6 episodes of all was he -- I went to his district and 7 he borders Iowa, and he gave a long introduction 8 about me and my -- that I had a farm in Iowa. 9 Q. When was that? 10 A. Last year sometime. 11 Q. And then did you correct him when you -- 12 A. Yeah, I mean, I corrected 'cause he made 13 this in front of hundreds of people, and I said, you 14 know, no, that's -- I don't own any farm in Iowa and 15 please don't -- you know, I know it's on my 16 Wikipedia, I know it's there when you Google, but I 17 don't own anything there, there was no controversy 18 there, only the one that sick people like you guys 19 made up. 20 Q. And did you -- 21 A. And that you -- and then I think I even 22 explained there that you guys went and -- you know, 23 you sent that sick bastard out to my family, you 24 [REDACTED] and 25 you did it to my grandmother, and I just remember</p>
<p style="text-align: right;">Page 381</p> <p>1 with him. 2 Q. You called him on the phone? 3 A. I called him, yeah. 4 Q. And do you have the phone numbers of all of 5 these people? 6 A. Most of them I probably would, yeah. 7 Q. But you didn't provide them in the contact 8 information; correct? 9 MR. BISS: Yes, we did. Yes, we did. 10 THE WITNESS: Yeah, they were provided, 11 that's right. 12 MR. BISS: Don't say that, Ravi. We did. 13 THE WITNESS: Yeah, there you go. See? 14 MR. BISS: Sent you a link with all the 15 info. 16 THE WITNESS: You lied again. Jesus. 17 MR. SITWALA: We'll get to it later. 18 BY MR. SITWALA: 19 Q. All right. What about Darin LaHood? 20 What -- what knowledge do you think he has regarding 21 the damage? 22 A. He would know because I notified you of 23 the -- I notified him also because what I 24 remembered -- and he was relevant because he was the 25 one who, even though I served with him on -- well, he</p>	<p style="text-align: right;">Page 383</p> <p>1 telling that story there. 2 And then afterwards, you know, he apologized 3 to me 'cause he didn't -- you know, he just thought 4 it was true. So he's -- so he's -- you know, 5 obviously knows the damages. And he's somebody who 6 wasn't on the committee at the time but then still -- 7 but believed it, you know, years later. 8 Q. And did you tell the -- this was at an 9 event, I take it? 10 A. Um-hmm. 11 Q. Did you tell the people at the event that it 12 was your family that had the farm in Iowa as part of 13 explaining the -- 14 A. As I -- yeah, I told them that it shouldn't 15 be believed and that it was all lies and that I -- I 16 think I might have even said that I was suing you 17 guys, you guys refused to own up to the story. 18 Q. Was your family at that event? 19 A. No. 20 Q. And you said that event was last year? 21 A. Last year at some point. 22 Q. Can you think of any other conversations 23 with Mr. LaHood that would be relevant to your -- 24 A. No, only the -- before when you guys asked, 25 I called him and asked him about the -- just if -- if</p>

<p style="text-align: right;">Page 384</p> <p>1 I -- if my recollection of that story was correct, 2 and he said -- and he said yes. 3 Q. And have you told him that you were going to 4 list him? 5 A. Yeah. Well, after I listed him, I tried to 6 contact as many as I could just to let them know 7 'cause I know how you send thugs after people, so I 8 didn't want them to be -- get a knock on their door 9 with one of your fake federal agents like you did 10 here in Tulare County. 11 MR. SITWALA: I'm going to mark what would 12 be marked as Defendants' Exhibit 142. 13 Can you send it to Steve. 14 MR. BOYER: Yep. 15 (Defendants' Exhibit Number DX142 16 marked for identification.) 17 BY MR. SITWALA: 18 Q. Congressman, here is an exhibit that's 19 marked as Defendants' Exhibit 142. 20 Are you not going to take it? 21 A. You can give it to me since we went through 22 this before. 23 Q. Does this look familiar to you? 24 A. I'm not going -- I don't trust anything you 25 guys put in front of me. I'm not going to</p>	<p style="text-align: right;">Page 386</p> <p>1 BY MR. SITWALA: 2 Q. So the phone numbers that you called to 3 reach these people are the phone numbers -- 4 A. I'm not telling you anything about any phone 5 numbers that I call because you guys are sick 6 individuals. 7 Q. Let's talk about -- 8 A. So you can go, the phone numbers were 9 provided right there, you just type it into the 10 website and you can see it. 11 Q. Let's talk about Kevin McCarthy. 12 A. So stop with your accusations. 13 Q. You're the one that made the accusations. 14 A. No, no, you made the accusation. 15 Q. All right. Kevin McCarthy -- 16 A. 'Cause you have no evidence, and a jury is 17 going to see all of this, and the jury needs to see 18 all of this because what you guys have done to my 19 family should never be done in this country again. 20 Q. Let's talk about Kevin McCarthy. Can you 21 tell me what he knows about your damages. 22 A. Yeah, he knows all about it. 23 Q. Can you give me some detail on that? 24 A. It's the same answer. Do you want me to go 25 through it again?</p>
<p style="text-align: right;">Page 385</p> <p>1 authenticate a damn thing that you guys put in front 2 of me. 3 Q. Can you please turn to the second page of 4 it. Do you see at the bottom a list of individuals? 5 A. Yep. 6 Q. Are these the individuals that we've been 7 talking about who you listed as having information 8 relating to your damages? 9 A. Yep. 10 Q. And do you see their phone numbers listed 11 here? 12 A. Yeah. 13 Q. You do? 14 A. Come on, dude. Quit with your games. 15 You're a joke. 16 MR. BISS: Yeah, Ravi, Ravi -- 17 THE WITNESS: You're a joke. 18 MR. BISS: It's outrageous. 19 THE WITNESS: You're a joke too. 20 MR. BISS: It's really outrageous. 21 THE WITNESS: That's outrageous. 22 MR. SITWALA: What is outrageous? 23 THE WITNESS: Another accusation. Again, 24 the website's right there. You go to the website and 25 the phone number's right there and you call.</p>	<p style="text-align: right;">Page 387</p> <p>1 Q. Yes, I do. Since you listed him, I need 2 to -- 3 A. Are you going to accuse me of not providing 4 you information that I've provided you? 5 Q. Are you going to answer the question? 6 A. Not if you're going to accuse me of not 7 giving you information. 8 Q. Please answer the question. 9 A. So Kevin McCarthy has been in this area 10 for -- I've known him for 30 years. He knows my 11 family, he knows all of them or most of them, and he 12 is -- you know, he knew that they moved to Iowa, he 13 knew that there was no secret, and he probably of all 14 people took, you know, a lot of the -- he was 15 Republican leader so he would have been the one that 16 had to, you know, verify that that information was 17 not true. 18 Q. And did he do that by speaking with you? 19 A. Yeah, I know he did at the time 'cause he 20 would constantly -- in '18 'cause he would constantly 21 be checking -- you know, checking on me. 22 Q. Okay. 23 A. And I think I remember him saying something 24 like, you know, well, you don't even own anything 25 there, do you, and I said no, I don't, and he's like,</p>

<p style="text-align: right;">Page 388</p> <p>1 well, you better make sure because that's the 2 accusations that they made. And he must have had 3 people calling him at the time. I'm sure that his -- 4 you know, his staff, 'cause he's the Republican 5 leader at the time, both in '18 and in -- you know, 6 to today. 7 Q. And did you reach out to him in the last 8 couple of weeks to give him a heads-up that you were 9 disclosing him? 10 A. No, I haven't talked to him. 11 Q. Okay. John Ratcliffe. First of all, can 12 you please tell me who that is. 13 A. John Ratcliffe was on the -- he was a 14 Congressman from Texas. He was a US Attorney. Are 15 you asking me because you already know the answer or 16 because you don't know who it is? 17 Q. Because I want to know who he is. You 18 listed him. 19 A. But do you know who it is or you don't know 20 who it is? 21 Q. I -- 22 A. I mean, I don't want to -- do you want me to 23 give his whole history? 24 Q. No, you already answered my question. Thank 25 you.</p>	<p style="text-align: right;">Page 390</p> <p>1 this, and most people just say, okay, no problem. 2 Q. And that now -- what you're talking about 3 now is recently when you reached out to them. 4 A. Yes. 5 Q. Okay. Let's back up to what is it, what 6 conversations did you have with him at the time that 7 are relevant to his knowledge? 8 A. Look, he was on -- he was on all the 9 relevant committees, so he would have been the one in 10 the middle of this, just like the -- that's why I 11 named those 11, because they have significant 12 information about it. 13 Q. And so their information is all -- 14 A. And I haven't -- you know, I mean, unlike 15 you guys, I'm not like, you know, that -- go and 16 harass people, I'm not harassing them. I -- you 17 know, I know they know, and if we decide to call them 18 at trial, we'll call them at trial. 19 Q. And for those 11 you're saying they have 20 similar knowledge insofar as they were in the 21 committees when this was all going on? 22 A. Those -- I mean, I named you a lot of others 23 and there's probably more, but those that I put there 24 are the ones that -- I mean, there would have been 25 multiple conversations, multiple times that I had to</p>
<p style="text-align: right;">Page 389</p> <p>1 What -- how do you know him? 2 A. I served with him, and then he was on the 3 Ethics Committee, he was on the Intelligence 4 Committee, then he became the Director of National 5 Intelligence and I worked with him in that capacity 6 as the top Republican on the Intelligence Committee 7 'cause that would be one of my main interactions in 8 the administration. 9 Q. And what does he know about your damages in 10 this case? 11 A. Oh, he would know a lot because he would 12 have been there through the whole thing. 13 Q. So, for example, can you please tell me -- 14 A. I mean, look, you can ask him that. I'm not 15 going to get into his -- I mean, I know that he would 16 know all about it, you know, I told him about it, I 17 told him this was going to come up, we didn't get 18 into any details, and he said, you know -- he just 19 said yeah, I know about it. 20 Q. Okay. 21 A. I mean, you know, I don't sit here like with 22 you and go through 100 questions. I have work to do 23 and it's quick, like, hey, this is -- you know, this 24 is what you guys need to -- you know, just want to 25 let you know, this could -- you could get asked about</p>	<p style="text-align: right;">Page 391</p> <p>1 like, you know, go explain myself -- 2 Q. Okay. 3 A. -- to them. 4 Q. And let me just ask, with John Ratcliffe, 5 was there anything else other than what we just 6 discussed, you know, that's different than the other 7 people that you would have talked to him about? 8 A. He would know the damage, he would know -- 9 I'm sure every one of these individually if asked 10 would remember, you know, something about this in 11 their own different way. 12 Q. In terms of learning about the article -- 13 A. I mean, just like -- I mean, the one I know 14 the most about is because -- is Feenstra because that 15 was somebody who I didn't know who then -- you know, 16 we had numerous conversations about it because he 17 probably gets asked about it all the time. 18 Q. Okay. What about Steve Scalise? 19 A. Scalise would be similar to McCarthy. I 20 was -- I served a long time as a Deputy Whip and I 21 had to tell him that, no, I haven't committed any 22 crimes. 23 Q. Okay. When did he reach out to you? 24 A. He would have reached out to me, as I 25 recall, in '18, you know, after the article came out.</p>

<p style="text-align: right;">Page 392</p> <p>1 Q. Did you reach out to him recently to give 2 him a heads-up? 3 A. No, I haven't. 4 Q. Okay. What about Congressman Stefanik, 5 Congresswoman Stefanik? 6 A. So same thing. She was on the Intelligence 7 Committee with me, she was on the -- during 8 impeachment. She knows that -- you know, about the 9 hit pieces. She also has an agricultural district, 10 so I've known her a long time and -- and she would 11 know about the damages 'cause she's also in the 12 Republican leadership also. 13 Q. Would she have known -- did she know your 14 family? 15 A. I don't know. I think she -- I don't think 16 she -- I don't think my family had ever met her, that 17 I know of. 18 Q. Okay. Did she know about their farm, that 19 it was in Iowa? 20 A. I don't know if she knew at the time, but 21 yeah, I'm getting that she must have known something. 22 Q. And did she -- 23 A. I mean, there was no -- other than you 24 freaks who made up a fake story, pretty much all of 25 my colleagues -- I don't know that there's any -- any</p>	<p style="text-align: right;">Page 394</p> <p>1 A. All through it. I mean, he's somebody I 2 worked with almost on a daily basis. 3 Q. And have you reached out to him recently -- 4 A. I notified him, yeah. He was overseas, but 5 I said -- I told him that, hey, you might get this -- 6 get a call, and he was, like, okay. 7 Q. And with -- I don't know if I asked you. 8 Did you reach out to Congresswoman Stefanik recently? 9 A. No, I have not. 10 Q. And last one, Brad Wenstrup, please tell me 11 about him. 12 A. Same -- well, he's on both Ways and Means -- 13 he was on the Ways and Means Committee with me and 14 the Intelligence Committee with me. He knows the 15 whole story. 16 Q. And in 2018 he was on those committees with 17 you -- 18 A. Yeah. 19 Q. -- already? 20 A. Yeah. So was Stewart. 21 Q. Is the knowledge he has similar to what we 22 discussed with respect to the other people? 23 A. He would know the damage, yeah. 24 Q. Is there anything -- 25 A. I don't know specifically because I haven't</p>
<p style="text-align: right;">Page 393</p> <p>1 of them that knew me well knew that my brother had a 2 farm in Iowa. 3 Q. Okay. And -- 4 A. I mean, so there was no secret. So I can't 5 say 100 percent certain, but I'm pretty sure she 6 would know that my brother was in Iowa because I know 7 we talked about dairy farming and agriculture. She 8 has an agricultural district. 9 Q. And if she had asked you, you would have 10 explained to her that the article was wrong? 11 A. Well, I know she would have been there 12 multiple times where I had to address these issues to 13 the Intelligence Committee members. 14 Q. Okay. What about Chris Stewart? 15 A. Chris Stewart is the same thing, you know, 16 he -- known him for many, many years, served with him 17 on Intelligence, he's a -- and he would know -- he 18 was in -- numerous conversations with him about this. 19 Q. And are those conversations of the same sort 20 that you described -- 21 A. Same sort. He would know the damage, he 22 would know the -- what was -- what you guys did, and 23 he would know the pain and suffering and all the 24 damages that I would have incurred. 25 Q. When would you have spoken with him?</p>	<p style="text-align: right;">Page 395</p> <p>1 asked them about, like, you know, who, but I'm sure 2 once we get to this point we'll -- they'll be able to 3 come and testify to -- before a jury about, you know, 4 who they -- you know, the damages that were done and, 5 you know, he would know that there was no secrets, 6 that nobody was hiding anything, and because there 7 was so much -- you know, I spent so much time with 8 both him and Wenstrup. 9 Q. Did any of these people when you talked to 10 them in 2018 suggest that you file a lawsuit to try 11 to deal with this? 12 A. Not that I know of. 13 Q. And when was the first time that you were 14 asked to come up with this list of individuals who 15 would have knowledge of these damages? 16 A. Well, it was -- actually it was me 'cause I 17 told you I read that -- I read your -- when I was 18 preparing for the deposition I read that -- your 19 supposed expert and I just started laughing, and then 20 I said, well, I mean, it would be important to 21 provide, you know, the people that would have the 22 most relevant information about this, and so I gave 23 it to you and then you guys wanted more and now you 24 want even more now. 25 MR. SITWALA: So if you -- I'm happy to</p>

<p style="text-align: right;">Page 396</p> <p>1 continue going and I know I feel like that's your --</p> <p>2 you'd like to be done as quickly as possible as well.</p> <p>3 If you want to take a break, I'm going to kind of</p> <p>4 change topics somewhat, but otherwise I'll just press</p> <p>5 on.</p> <p>6 THE WITNESS: No, I'm fine.</p> <p>7 MR. SITWALA: Everybody else is fine? Okay.</p> <p>8 Thank you.</p> <p>9 THE REPORTER: May I interject?</p> <p>10 Please, one at a time. You're interrupting</p> <p>11 his question, and it's making it really difficult.</p> <p>12 THE WITNESS: Okay.</p> <p>13 THE REPORTER: I'm sorry. Thank you.</p> <p>14 Appreciate it.</p> <p>15 THE WITNESS: I apologize. I'm not trying</p> <p>16 to.</p> <p>17 THE REPORTER: No, I understand. I totally</p> <p>18 understand. Thank you. Appreciate your</p> <p>19 consideration.</p> <p>20 BY MR. SITWALA:</p> <p>21 Q. So you understand that in your complaint,</p> <p>22 your initial complaint in this action, that you're</p> <p>23 seeking \$75 million in compensatory damages and two</p> <p>24 and a half million dollars in punitive damages; do</p> <p>25 you understand that?</p>	<p style="text-align: right;">Page 398</p> <p>1 Does that roughly sound right to you?</p> <p>2 A. I mean, roughly. I'm not going to -- I</p> <p>3 mean, I'm not going to accept as what you're telling</p> <p>4 me as true because of your actions, prior actions,</p> <p>5 but I will -- but go ahead with what you're trying to</p> <p>6 get at.</p> <p>7 Q. The amount of damages you were seeking was</p> <p>8 essentially the aggregate damages from all of those</p> <p>9 different statements; correct?</p> <p>10 A. Um-hmm.</p> <p>11 Q. And how did you --</p> <p>12 MR. BOYER: (Unintelligible.)</p> <p>13 BY MR. SITWALA:</p> <p>14 Q. Oh. Can you please answer with a yes or no</p> <p>15 instead of an um-hmm.</p> <p>16 A. Yes. At the time -- and remember, there</p> <p>17 was -- there was -- there were social media posts,</p> <p>18 there were views on videos, there were the number of</p> <p>19 times -- you know, so I think we just kind of -- I</p> <p>20 think I just added all that up and then I think we</p> <p>21 figured it was like -- it had been like replicated</p> <p>22 like -- you know, I think it was like seven -- I</p> <p>23 can't even remember what the number was, but it was</p> <p>24 10 or 15 or 20 million times and then just said,</p> <p>25 well, what's that worth, you know, dollar, two</p>
<p style="text-align: right;">Page 397</p> <p>1 A. I'd have to review it.</p> <p>2 Q. Do you know how you came up with -- or did</p> <p>3 you come up with the numbers that are listed in your</p> <p>4 complaint as what you're seeking?</p> <p>5 A. Yeah, I mean, I think at the time -- as I</p> <p>6 recall, it was basically kind of like how much</p> <p>7 information's out there, look at all the posts, and I</p> <p>8 think that's how we -- you know, I think that's how I</p> <p>9 came up with it, as I recall, it was just the amount</p> <p>10 of, you know, what's it worth, what's my reputation</p> <p>11 worth, how do you -- you know, how do you come about</p> <p>12 a way to get reimbursed for your damages, and so that</p> <p>13 would be up to a jury, but that's just kind of the --</p> <p>14 the round number that I thought was appropriate.</p> <p>15 Q. Did you use any kind of formula to come up</p> <p>16 with that number?</p> <p>17 A. I think it's just the overwhelming number of</p> <p>18 views on your videos that are all over the place,</p> <p>19 hundreds of thousands, millions of views, and then</p> <p>20 you've got the Twittersphere that's all over the</p> <p>21 place, but now, you know, that number should be</p> <p>22 actually higher based on those calculations.</p> <p>23 Q. So initially when you made the complaint,</p> <p>24 the complaint listed eight different statements, I</p> <p>25 believe, along with an implication.</p>	<p style="text-align: right;">Page 399</p> <p>1 dollars, three dollars? I don't know.</p> <p>2 Q. And so what did you ultimately decide?</p> <p>3 A. I ultimately decided that -- I don't know.</p> <p>4 I came up with the 75 million and -- which now under</p> <p>5 those calculations should be -- should be higher.</p> <p>6 Q. Okay. Now, you filed several other</p> <p>7 defamation lawsuits against other entities; correct?</p> <p>8 A. Are you representing the Washington Post and</p> <p>9 your other allies, or are you here to talk about this</p> <p>10 case?</p> <p>11 Q. I'm asking you -- well, I'm asking you to</p> <p>12 confirm that you filed numerous other cases --</p> <p>13 A. I'm not going to get into my other cases</p> <p>14 unless you're representing them.</p> <p>15 Q. You're not going to talk about the other</p> <p>16 cases?</p> <p>17 A. No.</p> <p>18 MR. SITWALA: Do we need to take a break?</p> <p>19 Steve, Mr. Biss, do you want to talk to your</p> <p>20 client about that, or are you going to basically</p> <p>21 agree with that?</p> <p>22 MR. BISS: I'm not going to answer your</p> <p>23 questions.</p> <p>24 MR. SITWALA: Will you instruct your client</p> <p>25 to answer my questions?</p>

<p style="text-align: right;">Page 400</p> <p>1 MR. BISS: I'm not instructing him to answer 2 or not answer. 3 MR. SITWALA: Okay. 4 THE WITNESS: Go ahead. Just answer your 5 questions -- or ask your questions. If you -- it is 6 just totally ridiculous that you would be asking 7 about cases that you're not even the lawyer for, but 8 you are all buddies and friends so -- so it's not a 9 problem -- 10 BY MR. SITWALA: 11 Q. In March 2000- -- 12 A. -- since you all coordinate with your 13 defamation. 14 Q. In -- and what's your basis for believing 15 that? 16 A. We've already discussed it earlier 17 specifically in this case that it is not by 18 coincidence that [REDACTED] you hired 19 also worked at CNN at the same time, nobody knows how 20 the story came up, you guys just pulled it out of 21 your ass, you went and harassed my family, and then 22 you sent CNN off to attack my family even more, which 23 I've already explained that to you. 24 Q. Is there any other coordination -- 25 A. Oh, that's -- that's quite a bit, and then</p>	<p style="text-align: right;">Page 402</p> <p>1 not sure what you're even asking. 2 Q. You don't understand -- 3 A. I don't remember -- I don't remember what 4 the number was. 5 MR. SITWALA: Okay. I'm going to hand you 6 an exhibit. We can just mark this Exhibit 143, 7 DX143. 8 (Defendants' Exhibit Number DX143 9 marked for identification.) 10 BY MR. SITWALA: 11 Q. Let me just wait for a minute so that -- 12 A. Are you going to accuse me of something 13 again? I'm not accepting this as being authentic. 14 MR. SITWALA: Steve, we just sent the 15 exhibit to you. Can you please just let me know when 16 you get it. 17 MR. BISS: Yes. 18 MR. SITWALA: Thank you. 19 Have you gotten it yet, Steve? 20 MR. BISS: No, I haven't got it yet. 21 BY MR. SITWALA: 22 Q. While we're waiting for that document, in 23 that case you were taking the position that Twitter 24 should be responsible for the defamatory tweets of 25 the users; correct?</p>
<p style="text-align: right;">Page 401</p> <p>1 we can go through every single time, leaks come out, 2 you selectively leak transcripts, you went after my 3 brother, you accused my dad of federal -- additional 4 federal crimes, you just did the stunt where you went 5 to court in Florida for something you already knew 6 about. I don't know, was that you? I mean, pretty 7 sick, pretty sick for information that was all made 8 public. So, yeah, so I would say that you guys do 9 coordinate with all your little buddies. 10 Q. Okay. In March 2019 you recall filing a 11 lawsuit against Twitter along with two Twitter 12 accounts and a person named Liz Mair? 13 A. I'm not going to -- unless you're 14 representing them, I don't -- I'm not here to -- that 15 case is now over with, so there's nothing more to 16 say. 17 Q. And that was a defamation case; right? 18 A. That's correct. 19 Q. And in your initial complaint you sought 20 \$250 million in damages; is that correct? 21 A. I'm not going to authenticate anything that 22 you're saying. 23 Q. How did you calculate that number you were 24 seeking in that case? 25 A. I'm not going to authenticate anything. I'm</p>	<p style="text-align: right;">Page 403</p> <p>1 A. I'm not going to speak to the specific 2 complaint. 3 Q. Because you don't know? 4 A. I just don't -- I don't remember. 5 Q. Okay. 6 A. But I think what is relevant to this case is 7 that it's highly likely that Liz Mair was being paid 8 by the same people that paid Lizza, other than you 9 and CNN. 10 Q. And who do you think those people are? 11 A. Some relationship to a guy named Dan Jones 12 and Fusion GPS. 13 Q. And what is your basis for believing that? 14 A. They admitted it, they wrote it in their own 15 book. 16 Q. They wrote what in their own book? 17 A. That they were supplying you guys with all 18 the hit pieces on me. 19 Q. When you say "you guys," do you mean Esquire 20 in particular or the -- 21 A. I mean you guys meaning the fake news. So 22 the only big hit pieces that were -- and she helped 23 promote all these and replicate them all. Hell, I 24 don't know, maybe we should call her as a witness. 25 We probably should subpoena you guys to see what your</p>

<p style="text-align: right;">Page 404</p> <p>1 communication has been with her and Lizza's 2 communication. 3 MR. SITWALA: Steve, have you gotten the 4 exhibit? 5 MR. BISS: I have, but I'm just uploading it 6 now. 7 MR. SITWALA: Okay. 8 THE WITNESS: So I would say that she's 9 relevant and we might call her as a witness because 10 she was paid -- you know, paid to defame me, and she 11 bragged about it on Twitter and she pushed out -- as 12 I recall, I think maybe she even pushed out -- used 13 that as a vehicle. 14 BY MR. SITWALA: 15 Q. Used what as a vehicle? 16 A. Used -- I think she pushed out your hit 17 piece too, as I recall. 18 Q. So you seem to recall a fair amount about 19 the case. You don't -- 20 A. No, no, I recall about her and what she did. 21 I know she was being paid by someone and they were 22 generating in the -- you know, and yours was the -- 23 yours was the hallmark October surprise hit piece 24 that you know damn well that's the case. 25 Q. And why --</p>	<p style="text-align: right;">Page 406</p> <p>1 it's up to a jury to decide what the damage would be, 2 but you're the ones that had no basis for this, you 3 used my family as pawns in this game, you now -- 4 they're now getting attacked, all the things that I 5 had previously told you about, and now you're sitting 6 here, your expert witness says that I wasn't damaged, 7 which is preposterous, and then you -- just like your 8 story, and now you come in here and now you're 9 throwing -- you know, you're throwing people that 10 were paid to attack me in front of me as if this was 11 some crime that I took them to court because she was 12 paid -- she admitted she was paid to attack me and to 13 defame me. So, I mean, she actually might be a great 14 witness. Maybe we should call her. 15 MR. SITWALA: Steve, do you have the 16 document open? 17 MR. BISS: I do. 18 MR. SITWALA: Thank you. 19 BY MR. SITWALA: 20 Q. So the only thing I wanted to point you to 21 on this document is you can see in bold on the front 22 page is the demand for not less than \$250 million; do 23 you see that? You don't see -- 24 A. Are you here to -- you talking to me? 25 Q. Yes, I'm talking to you.</p>
<p style="text-align: right;">Page 405</p> <p>1 A. So her job was to maximize damage on me and 2 coordinate with scumbags like Lizza. 3 Q. And why did you -- 4 A. And she was paid to do it. 5 Q. Why did you sue Twitter in that case? 6 A. I don't -- I'm not going to get into that. 7 Q. Because you don't know? 8 A. I don't remember. I don't remember the 9 specifics and so I'm not going to play your little 10 gotcha games like you did last time on the phone 11 numbers. So we're not going there 'cause that's 12 something that I haven't read and I don't know how to 13 authenticate and there's no reason. I told you what 14 was relevant here was that, Twitter would be relevant 15 for the -- all the tweets that went out that -- so 16 that we could count them all in terms of to get to 17 the damages 'cause I think that's one way. Number of 18 times something was sent out, replicated, that's how 19 you get to the damage number, in my mind. 20 Q. And is that -- 21 A. But, you know, how do you know, I mean, this 22 number, you know, the 75 million number has now 23 ballooned beyond belief because of the damage you've 24 continued to -- to get to me and do to me 'cause your 25 story's still up. So, you know, and I don't know,</p>	<p style="text-align: right;">Page 407</p> <p>1 A. I told you, I'm not reviewing this document. 2 Q. Okay. 3 A. I mean, you -- look, this is the problem and 4 you know it. You came in here playing your little 5 sandbag games. You've known about this deposition 6 for months so you could have just given it to me and 7 said, hey, we might go over this, and then I would 8 have gladly authenticated it for you and then I would 9 have answered the questions. But you brought up the 10 name Liz Mair, then that's -- and, I mean, she's 11 probably relevant because she probably worked with 12 your little scumbag. 13 Q. If I represent that this document was 14 produced by your lawyer in this action, will that 15 give you -- will you look at it then? 16 A. I don't know how you printed it off. I 17 mean, I don't -- I mean, you just played a game on 18 the last document you gave me. 19 Q. Are you -- 20 A. And then you said that there were no 21 numbers, and it's like, okay, there's the website 22 there that takes you to the phone number. 23 Q. Are you not going to -- 24 A. Maybe you want to e-mail instead of call. I 25 mean, who knows?</p>

<p style="text-align: right;">Page 408</p> <p>1 Q. Are you going to look at this document or 2 not?</p> <p>3 A. I'm looking at it.</p> <p>4 Q. Okay. Thank you.</p> <p>5 A. There you go. I looked at it.</p> <p>6 Q. Do you see that there's a demand for \$250 7 million?</p> <p>8 A. I'm not -- I don't know -- I'm not 9 authenticating any of this here.</p> <p>10 Q. So you don't know whether you sought 11 \$250 million in damages in the case --</p> <p>12 A. I know that -- I know that you guys should 13 pay dearly for this, and it's not about me, it's 14 about your arrogance, your refusal to take this down 15 and so that the people of my area and the people in 16 this country and the people in Sibley, Iowa, are not 17 harassed by you people again. And so -- but it's 18 ultimately up to a jury on what they decide to do, 19 but there's -- there's probably a billion hits on 20 this thing by now.</p> <p>21 Q. So --</p> <p>22 A. Because anytime somebody goes to Google, 23 they see your story.</p> <p>24 Q. I'll ask you --</p> <p>25 A. I mean, it's on Wikipedia.</p>	<p style="text-align: right;">Page 410</p> <p>1 be -- you ought to turn yourself into ICE.</p> <p>2 Q. Are you done?</p> <p>3 A. No. I can keep going.</p> <p>4 Q. Well, please don't.</p> <p>5 All right. So are you going to answer the 6 question about how you calculated the --</p> <p>7 A. I already answered your question.</p> <p>8 Q. Which is you're not going to answer it.</p> <p>9 A. No, that's not. You just said that. I told 10 you as it's relevant to this case, it's relevant to 11 the damages that you created and you continue to 12 cause, and I don't -- and at the end of the day, this 13 is what's most important. It doesn't matter what 14 calculation I came up with at the time because I 15 don't remember all the specifics. What matters is 16 what the jury in Northwest Iowa believes is right.</p> <p>17 And what I would tell -- you know, what I 18 would explain to the jury is that I think it's really 19 important that -- that Hearst and Lizza understand 20 that this type of behavior in this country is wrong, 21 whether it's your defamation, whether it's your 22 slander, whether it's your intimidation of witnesses, 23 whether it's your doctoring of evidence, and you 24 should be looked at criminally by the Department of 25 Justice, quite frankly, for that. Were you the one</p>
<p style="text-align: right;">Page 409</p> <p>1 Q. I'll ask you once again. How did you 2 calculate the \$250 million you were seeking in the 3 lawsuit against Twitter --</p> <p>4 A. I'm not getting in -- I'm not going to -- 5 unless you're represent- -- are you representing Liz 6 Mair or Twitter --</p> <p>7 Q. I am not.</p> <p>8 A. -- in here?</p> <p>9 You're representing Hearst. You asked me 10 about how I calculated the 75 million, I told you, 11 and I told you that that is not enough, that -- that 12 the only way that you're going to learn a lesson in 13 this and the American people and this country is 14 going to get fixed is if something -- you don't care 15 because you're one of the largest property owners in 16 this state, billionaires, you don't give a shit.</p> <p>17 And you can go around and you can attack 18 people, you can accuse people of things, and then 19 your own experts admit that Steve Hearst doesn't 20 document his employees, Hearst Winery, your refusal 21 to give those documents up even though my family 22 produced all the documents. I mean, you're guilty as 23 hell.</p> <p>24 Q. Are you done --</p> <p>25 A. I mean, you ought to be -- you ought to</p>	<p style="text-align: right;">Page 411</p> <p>1 that did the intimidation of witnesses.</p> <p>2 Q. How did you calculate --</p> <p>3 A. But that jury needs to hear all of that 4 evidence and they have to decide, and whatever they 5 decide I'll be fine with.</p> <p>6 Q. How did you calculate the \$250 million --</p> <p>7 A. I already -- I just answered the question.</p> <p>8 Q. Are you going to provide any further answer 9 to that question?</p> <p>10 A. I answered it fully, more than fully.</p> <p>11 Q. Do you recall in April 2019 you sued 12 McClatchy along with Liz Mair and Mair Strategies for 13 defamation?</p> <p>14 THE REPORTER: I'm sorry. Can you repeat 15 again.</p> <p>16 MR. SITWALA: Sure.</p> <p>17 BY MR. SITWALA:</p> <p>18 Q. You sued McClatchy, the parent company of 19 the Fresno Bee, Liz Mair and Mair Strategies in 20 Virginia; do you recall that?</p> <p>21 A. Yep.</p> <p>22 Q. And you asserted defamation claims in that 23 lawsuit; correct?</p> <p>24 A. Yep.</p> <p>25 Q. And in that case you were suing over a story</p>

<p style="text-align: right;">Page 412</p> <p>1 that I think, as you characterized, it reported that</p> <p>2 you were an investor in a winery that had been sued</p> <p>3 for some civil rights violations?</p> <p>4 A. No. You know exactly what it was. So there</p> <p>5 you go again with your bullshit.</p> <p>6 Q. Please tell me in your words, what is</p> <p>7 that --</p> <p>8 A. Oh, you don't know what the story's about?</p> <p>9 Ask me the question. What's the story about? You</p> <p>10 know what the story's about. Why are you playing</p> <p>11 games here?</p> <p>12 Q. What's the story about?</p> <p>13 A. You ask me.</p> <p>14 Q. I just asked you.</p> <p>15 A. No. You said what the story was about, some</p> <p>16 nonsense. You know what the story was about and</p> <p>17 you're playing a game here on the -- you know exactly</p> <p>18 what the story was about.</p> <p>19 Q. Which is?</p> <p>20 A. Why don't you ask it. It's embarrassing.</p> <p>21 What's the title of the story?</p> <p>22 Q. I don't -- I honestly don't know.</p> <p>23 A. Oh, you don't know? You want me --</p> <p>24 MR. BISS: Come on, Ravi.</p> <p>25 THE WITNESS: You know exactly what it is.</p>	<p style="text-align: right;">Page 414</p> <p>1 A. That is correct.</p> <p>2 Q. And you sued because you believed that that</p> <p>3 story and potentially that headline was defamatory?</p> <p>4 A. It was defamatory.</p> <p>5 Q. Okay.</p> <p>6 A. It was very similar to your story. The only</p> <p>7 difference was is that one was designed to come out</p> <p>8 before the primary election. And you guys have</p> <p>9 coordinated very closely with McClatchy. McClatchy</p> <p>10 has covered -- they've been on all the calls with all</p> <p>11 the -- every time you guys go and whine to the judge</p> <p>12 and cry about how mistreated you've been, how you've</p> <p>13 been mistreated, you have 27 lawyers, you got a --</p> <p>14 you're one of the largest landowners here in</p> <p>15 California, you've admitted that you're hiring</p> <p>16 undocumented, you go and whine to the judge every</p> <p>17 single time, and guess who's on the line? McClatchy,</p> <p>18 who conveniently wrote the hit piece that came out</p> <p>19 timed when? One month before the primary in 2018.</p> <p>20 And then they got Lizza to then do the same thing</p> <p>21 that you guys condoned, to go out to Iowa and harass</p> <p>22 my family and do a hit piece a month before the 2018</p> <p>23 election.</p> <p>24 Q. So is it your view that this piece, the</p> <p>25 Hearst piece, was part of a -- some coordinated</p>
<p style="text-align: right;">Page 413</p> <p>1 You know that story, and you came with some bullshit,</p> <p>2 oh, this is -- what is this about, some civil rights</p> <p>3 dispute. You're so full of it. I mean, come on.</p> <p>4 Ask the question. What's the title of the story?</p> <p>5 You don't know the story title?</p> <p>6 BY MR. SITWALA:</p> <p>7 Q. What's the title of the story?</p> <p>8 A. Yeah, what is it?</p> <p>9 Q. I'm asking you. I don't know.</p> <p>10 A. Well, you're asking some bullshit I've never</p> <p>11 even heard of what you just said, but I'm familiar</p> <p>12 with the story, I know about the lawsuit, I'm here to</p> <p>13 answer your ques- -- answer your questions, and you</p> <p>14 won't even say the title of the story. And you make</p> <p>15 up something that -- you obscure what actually really</p> <p>16 happened by the way you -- by the way you're asking</p> <p>17 the question instead of just asking me the question,</p> <p>18 which would be appropriate and upfront, which is why</p> <p>19 I don't trust you.</p> <p>20 Q. Okay. I have the title of the story. Is</p> <p>21 the title of the story that you sued over, quote, A</p> <p>22 Yacht, Cocaine, Prostitutes: Winery Partly Owned By</p> <p>23 Nunes Sued After Fundraiser Event?</p> <p>24 A. There you go.</p> <p>25 Q. That's correct?</p>	<p style="text-align: right;">Page 415</p> <p>1 effort to attack your reputation by multiple</p> <p>2 different entities?</p> <p>3 A. She ad- -- Liz Mair admitted it. She was</p> <p>4 paid to defame people.</p> <p>5 Q. And you are saying that the Esquire piece</p> <p>6 is --</p> <p>7 A. And Fusion GPS admitted that they did it.</p> <p>8 Q. Are you saying --</p> <p>9 A. And you won't turn over the -- Lizza won't</p> <p>10 turn over the tax returns. You went to the judge,</p> <p>11 whining to the judge, we can't give over the tax</p> <p>12 returns. Give up the damn tax returns. I gave up</p> <p>13 mine. I mean, I gave you three and then I had to go</p> <p>14 find eight years' worth. So you got any conspiracies</p> <p>15 about that? Have I been evading taxes too like you</p> <p>16 accused my father of?</p> <p>17 Q. Are you saying that the Esquire piece is</p> <p>18 part of this coordinated effort between Fusion GPS</p> <p>19 and Liz Mair --</p> <p>20 A. No, I'm speaking directly to -- this case is</p> <p>21 directly what's in the pleadings, which each one has</p> <p>22 to be separated on their own, and your piece was</p> <p>23 designed a month before the election to do maximum</p> <p>24 damage to me. And you then took it out on my -- you</p> <p>25 used my family and then now you do nothing but harass</p>

<p style="text-align: right;">Page 416</p> <p>1 my family for now four years, four years you've 2 harassed my family, who was not involved in this at 3 all. All they wanted was the story taken down, and 4 now you're in here and you won't even talk about 5 yacht, cocaine, and prostitutes, 'cause it's so 6 ridiculous, just like Devin Nunes' secret that he's 7 hiding in Iowa. 8 Q. You had alleged that that McClatchy story 9 accused you of crimes; correct? 10 A. Yeah. 11 Q. What were those crimes? 12 A. I mean, as I recall, I have to go re-read 13 the story again, but obviously prostitution and -- 14 and drug use is illegal in this country. 15 Q. Okay. And you sought \$150 million in 16 compensatory and punitive damages; correct? 17 A. I don't remember the number. 18 Q. Do you recall how you came up with the 19 number for damages in -- 20 A. I told you how I came up with the number in 21 your defamation, and so I'm sure it would have been 22 similar. 23 Q. And that is to basically look at how many 24 times the piece may have been published or how many 25 people --</p>	<p style="text-align: right;">Page 418</p> <p>1 what McClatchy is doing and that they just so happen 2 to get all this information every single time. 3 Q. So in December -- 4 A. So I don't -- look, it doesn't -- I don't 5 know that it really matters for the case, but, you 6 know, a jury will determine whether or not you and 7 Lizza -- Hearst and Lizza did this, you know, on -- a 8 month before the election to maximize the damage on 9 me. You did it with actual malice and it was 10 reckless and it was false and you knew it was false, 11 and you've hidden documents from me, you just played 12 another game with me. Anyway ... 13 MR. BISS: Steve, were you trying to say 14 something? 15 THE WITNESS: Steve, are you still there? 16 MR. BISS: Yeah, I'm here. 17 BY MR. SITWALA: 18 Q. All right. In December -- 19 THE WITNESS: There was a weird noise; so I 20 didn't know, were you trying to talk? 21 MR. BISS: No, no. 22 BY MR. SITWALA: 23 Q. In December 2019 you sued CNN regarding a 24 report that somehow involved you with a former 25 Ukrainian prosecutor; do you remember that?</p>
<p style="text-align: right;">Page 417</p> <p>1 A. Times used, whatever, but I can't speak to 2 the number. I just know that -- what that story is 3 about. 4 Q. Okay. 5 A. And I know that you guys coordinate closely 6 with McClatchy during this case to leak out 7 anything -- any hit piece you want on me 'cause you 8 tried to maximize the damage, not only after 2018 and 9 2019, but then after I sued you, you guys 10 conveniently coordinate with McClatchy and McClatchy 11 just seems to have all the information and, oh, wait, 12 where are they at? They're right in my hometown. So 13 they continue to take your crap and put it out every 14 single time. And you're coordinating with them and 15 you pretend you're not, but the only place they could 16 have gotten this from is you, unless your little 17 scumbag Lizza is going around and leaking to them. 18 Q. You know we've denied any of that 19 coordination in this case; right? 20 A. And you're lying. 21 Q. So you don't believe -- 22 A. Well, either you or Lizza are lying. 23 Q. So you continue to believe that there is 24 this coordination. 25 A. You think there's not coordination between</p>	<p style="text-align: right;">Page 419</p> <p>1 A. Yep. 2 Q. And you sought \$435 million in damages in 3 that case; does that sound correct? 4 A. I don't remember the number. 5 Q. Do you recall how you calculated the amount 6 of damages you sought? 7 A. It would have been exactly some -- a similar 8 way. I don't know why you're so fixated on this. 9 I'm going to give you the same answer, and ultimately 10 it doesn't matter, you know, what -- ultimately the 11 only thing that matters here is what a jury is going 12 to decide, and then the jury will come up with that 13 calculation. 14 Q. So to hopefully speed things up, then, in 15 the cases you filed where you sought a certain amount 16 of damages, you used the same method of calculating 17 that in the complaint as you've talked about -- 18 A. As I re- -- look, to the best of my memory, 19 that's basically -- you just look at all the -- but 20 that's why I want you to know that -- I mean, yours 21 now has far surpassed most of these. 22 Q. In March of 2020 you sued the Washington 23 Post about some statements that you were alleged to 24 have made to the President of the United States at 25 the time; do you recall that?</p>

<p style="text-align: right;">Page 420</p> <p>1 A. Yes.</p> <p>2 Q. And it had something to do with allegations</p> <p>3 that you'd informed the President that there was an</p> <p>4 intelligence official who had been giving a briefing</p> <p>5 to Adam Schiff; does that sound right?</p> <p>6 A. Vaguely.</p> <p>7 Q. In that case you allege that the statements,</p> <p>8 the defamatory statements, imputed criminal conduct,</p> <p>9 dishonesty, deceit, and other acts to you.</p> <p>10 What was the criminal conduct that you were</p> <p>11 claiming was being attributed to you by those</p> <p>12 defamatory statements?</p> <p>13 A. That I was lying and would have caused the</p> <p>14 same problems that your article caused, that I was</p> <p>15 somehow unfit for the position that I held because,</p> <p>16 once again, that was another lie, just like yours.</p> <p>17 Q. Have you ever tried to distinguish between</p> <p>18 the damages that the different publications that are</p> <p>19 the subjects of your various lawsuits caused you?</p> <p>20 A. I've never went and compared -- every</p> <p>21 lawsuit is based on its own merits, they're all</p> <p>22 separate, as you know, except for, you know, like you</p> <p>23 brought up that Liz Mair might be a relevant witness.</p> <p>24 But all these should be taken separately and</p> <p>25 individually. But I think it's safe to say that</p>	<p style="text-align: right;">Page 422</p> <p>1 out the one where I'm in discovery with the</p> <p>2 Washington Post, and I just want to make sure that --</p> <p>3 you know.</p> <p>4 Q. Let's talk about it. So that's the one</p> <p>5 about the so-called midnight run; is that correct?</p> <p>6 A. That's correct.</p> <p>7 Q. And you filed that in November of 2020;</p> <p>8 correct?</p> <p>9 A. Yeah, 'cause much like you, it was</p> <p>10 regurgitated. Much like what Lizza did, it was</p> <p>11 regurgitated later, asked for a retraction, they did</p> <p>12 a fake retraction, and, you know, that was -- you</p> <p>13 know, obviously it's separate but also done to</p> <p>14 maximize damage to me.</p> <p>15 Q. And you have claimed in that case damages of</p> <p>16 175 million plus 50 million in presumed damages.</p> <p>17 A. I don't -- I don't know the number.</p> <p>18 Q. How would you have calculated that number?</p> <p>19 A. I mean, look, it's the number of -- it's</p> <p>20 the -- the way that I view this is -- and I don't</p> <p>21 even remember that in there so I'm not sure that</p> <p>22 that's correct, but it's basically looking at the</p> <p>23 number of republications, the emotional harm, the</p> <p>24 damage, the reputational harm, and how many times it</p> <p>25 was replicated out into the wild.</p>
<p style="text-align: right;">Page 421</p> <p>1 there's not too many people that have had more fake</p> <p>2 news like you guys participated in and slander and</p> <p>3 defamatory -- you know, the only difference with you</p> <p>4 is that you, like, personally went after my family.</p> <p>5 Q. So you're saying that you've been the</p> <p>6 subject of a lot of different negative and false</p> <p>7 press.</p> <p>8 A. Yeah, you didn't -- where's the one -- you</p> <p>9 didn't bring up the -- you missed another lawsuit.</p> <p>10 Are you going to keep going through them or are you</p> <p>11 just --</p> <p>12 Q. I wasn't, but I'm happy to talk about --</p> <p>13 A. Oh, you just missed the one that we're in</p> <p>14 discovery now with the Washington Post. I don't know</p> <p>15 why you -- why you skipped over that one.</p> <p>16 Q. Well, I was assuming you were going to tell</p> <p>17 me that the damages you sought in that case you've</p> <p>18 calculated in the same way.</p> <p>19 A. I just thought you didn't want to talk about</p> <p>20 it, because just like last time when you interrupted</p> <p>21 the -- not you because you weren't the lawyer but --</p> <p>22 until the Eighth Circuit brought you back to the</p> <p>23 table. Because before you didn't want to -- you</p> <p>24 wanted to hide evidence and then the Eighth Circuit</p> <p>25 ruled but -- and then you conveniently didn't leave</p>	<p style="text-align: right;">Page 423</p> <p>1 And then also with the fact that, you know,</p> <p>2 you have in the -- in that case also, much like</p> <p>3 yours, which is that this has gotten bigger and</p> <p>4 bigger and bigger because of your actions after the</p> <p>5 fact, which is the same thing with the Post, they</p> <p>6 knew that story was bullshit and then they came back</p> <p>7 and they re-ran the story and then when they were</p> <p>8 told about it and then they corrected it to make it</p> <p>9 even worse. Instead of just retracting the whole</p> <p>10 story that they knew was nonsense, they just did</p> <p>11 basically like you did. You didn't retract and you</p> <p>12 had [REDACTED] go out there and put it out</p> <p>13 there again.</p> <p>14 Q. You're familiar with the website</p> <p>15 devinnunes.com; correct?</p> <p>16 A. That's my long-time website that I have,</p> <p>17 yeah.</p> <p>18 Q. And do you have -- do you maintain that</p> <p>19 website yourself?</p> <p>20 A. I mean, I don't -- now it's in transition,</p> <p>21 but I think it's just a placeholder right now.</p> <p>22 Q. And you're familiar on that website you</p> <p>23 identify statements that have -- negative statements</p> <p>24 that have been made against you for the past six,</p> <p>25 seven years?</p>

<p style="text-align: right;">Page 424</p> <p>1 A. I mean, seems like it, yes.</p> <p>2 Q. For example, you note on the site that</p> <p>3 leftists have accused you of being a Putin stooge; is</p> <p>4 that right?</p> <p>5 A. It's not true, but that has been done, yes.</p> <p>6 Q. It's been alleged.</p> <p>7 A. Yes, it's been alleged.</p> <p>8 Q. And it's been alleged that you've been asked</p> <p>9 to your face whether you are a Russian agent?</p> <p>10 A. Many times, yeah, thanks to you.</p> <p>11 Q. And McClatchy has published a whole spate of</p> <p>12 stories about various different ethical improprieties</p> <p>13 against you; correct?</p> <p>14 A. Correct.</p> <p>15 Q. And you would say that the attacks against</p> <p>16 you have essentially pervaded the mainstream media;</p> <p>17 right?</p> <p>18 A. That they've -- what do you mean, that</p> <p>19 they've --</p> <p>20 Q. That there have been attacks on your</p> <p>21 reputation, you know, in all manner and form in the</p> <p>22 mainstream media.</p> <p>23 A. Yeah, I mean, I don't know your definition</p> <p>24 of mainstream media, but basically corporate, big</p> <p>25 corporate owned companies like Hearst have definitely</p>	<p style="text-align: right;">Page 426</p> <p>1 in August 2018 against you that was challenging your</p> <p>2 designation on the 2018 ballot?</p> <p>3 A. I sure do.</p> <p>4 Q. And you will recall that you or your</p> <p>5 campaign filed essentially a countersuit based on</p> <p>6 that effort.</p> <p>7 A. I don't remember the particulars, but I</p> <p>8 remember the -- I remember the accusations and the</p> <p>9 attacks.</p> <p>10 Q. And the attack was more or less that you</p> <p>11 were misleading your constituents by calling yourself</p> <p>12 a farmer when, in fact, you hadn't been a farmer</p> <p>13 since 2007; is that a fair characterization?</p> <p>14 A. No, it's not a -- those are accusations, but</p> <p>15 this is why it was so ridiculous what you guys --</p> <p>16 what Lizza did and what you guys did is you actually</p> <p>17 built upon that narrative to then say that -- you</p> <p>18 combined it to then say actually, he has a secret</p> <p>19 farm and he's been secretly farming in Iowa this</p> <p>20 whole time.</p> <p>21 Q. Well, which in some ways would be</p> <p>22 contradictory to what they were saying; right?</p> <p>23 A. Yeah, well, that was an issue of somebody</p> <p>24 was paying them, probably the same people that were</p> <p>25 paying Lizza.</p>
<p style="text-align: right;">Page 425</p> <p>1 participated in this.</p> <p>2 Q. And would you agree that other politicians,</p> <p>3 typically Democratic politicians, have made</p> <p>4 statements about you that were bad for your</p> <p>5 reputation?</p> <p>6 A. Well, what happens is is you guys write the</p> <p>7 stories and then they regurgitate them. So it starts</p> <p>8 with you, you put the poison out there, you plant the</p> <p>9 seeds of the poison and then it lets others pick it</p> <p>10 up.</p> <p>11 MR. SITWALA: Okay. I think we have to take</p> <p>12 a break in order to put a new tape in. So let's take</p> <p>13 ten minutes, and then we'll start off again at 1:40.</p> <p>14 THE VIDEOGRAPHER: This is the end of Media</p> <p>15 Number 3. We are off the record at 1:31 p.m.</p> <p>16 (Recess taken.)</p> <p>17 THE VIDEOGRAPHER: This is the beginning of</p> <p>18 Media Number 4. We are on the record the 1:46 p.m.</p> <p>19 BY MR. SITWALA:</p> <p>20 Q. Thank you, Congressman.</p> <p>21 So I am going to hopefully talk about the</p> <p>22 last couple of lawsuits I want to talk about, other</p> <p>23 lawsuits, two related ones which I will call, for</p> <p>24 lack of a better term, the fake farmer lawsuits.</p> <p>25 Do you recall that there was a lawsuit filed</p>	<p style="text-align: right;">Page 427</p> <p>1 Q. And --</p> <p>2 A. And Liz Mair.</p> <p>3 Q. And would you say that these fake farmer</p> <p>4 accusations that were being made by that lawsuit, by</p> <p>5 the people bringing that lawsuit, were widespread?</p> <p>6 A. I mean, not widespread like your</p> <p>7 accusations.</p> <p>8 Q. It was picked up by social media; right?</p> <p>9 A. Yeah, but not like -- not like this.</p> <p>10 Q. But your campaign did file a lawsuit in 2019</p> <p>11 over the allegations; right?</p> <p>12 A. I don't remember the year but -- as I told</p> <p>13 you, if you conduct yourself dishonorably, you break</p> <p>14 the law, defamation or slander, my only way to get my</p> <p>15 reputation back is to file a lawsuit. There is no</p> <p>16 way because, like you, it's still living here for,</p> <p>17 you know, what is this, year five that this is in now</p> <p>18 that you still have it up. People are viewing it</p> <p>19 right now, they're clicking on the site, watching the</p> <p>20 video.</p> <p>21 Q. And would you say that this fake farmer</p> <p>22 attack was a coordinated attack between social media</p> <p>23 and media entities like the Fresno Bee?</p> <p>24 A. I don't -- I don't remember -- I don't</p> <p>25 remember specifically, no. I just remember it was</p>

<p style="text-align: right;">Page 428</p> <p>1 clearly you had dark money coming into this region 2 and -- and that was what -- I think that case is a 3 little different because it was trying to figure out 4 who was funding people like this that were doing -- 5 involved in defamatory and seemed to have plenty of 6 money to splash around, kind of like you guys with 7 Lizza. 8 Q. And then in August of 2019 you filed a 9 report -- financial disclosure report which discloses 10 a farm in Tulare that's worth somewhere between 1,000 11 and 15,000 dollars; does that ring a bell? 12 A. I'd have to look at my disclosure report. 13 Q. Do you own a farm now in Tulare County? 14 A. Well, what I'm doing is is I'm making my 15 own -- I'm experimenting with my own wine is what I'm 16 doing. 17 Q. So are you growing grapes? 18 A. I'm buying -- I'm sourcing grapes. 19 Q. And is that the farm that's disclosed in the 20 disclosure statement? 21 A. As far as I -- yeah, that would be what -- 22 yeah, that would be what I would be doing. 23 Q. So you're sourcing the grapes, and then what 24 are you doing with them? 25 A. I'm experimenting with wine. I'm trying to</p>	<p style="text-align: right;">Page 430</p> <p>1 A. I guess, generally speaking, maybe. 2 Q. And it was already this way in 2018? 3 A. Well, no. You guys have made it much worse. 4 Q. Would you say it was already bad then? 5 A. For me, I mean, in '16 it wasn't bad at all. 6 Q. Okay. 7 A. I mean, it was bad but not -- I mean, you 8 weren't accusing people of being Russian agents, you 9 weren't accusing people of having secret farms and 10 breaking laws in other states that you have nothing 11 to do with. So it's what you guys did working with 12 to replicate this stuff on social media that is 13 causing the damage. You make up fake stories, you 14 smear people, and in my case, in this particular 15 case, you use my family as a pawn, which, you know, I 16 won't say much good about the other cases, but at 17 least they didn't do what you and Lizza did and go 18 out and stalk my nieces [REDACTED]. 19 Q. So would you say that -- 20 A. And my grandmother and my uncles and, you 21 know, every Nunes family in Tulare. 22 Q. Would you say that by 2018 that many people 23 were reflexively demonizing Republicans? 24 A. I don't know. I mean, people are always 25 doing that. When I was at the -- for me, I mean, it</p>
<p style="text-align: right;">Page 429</p> <p>1 get my wine license. I'm in the process of that 2 right now. 3 Q. Okay. And so for the moment you're making 4 wine, essentially, for -- 5 A. I'm having -- I'm going through the proper 6 channels, but I'm experimenting to try to -- with 7 some different varietals to try to make something 8 that I've been working on for a long time. 9 Q. What would you say your favorite varietal is 10 at the moment? 11 A. I'm not sure why that's relevant but -- 12 Q. Probably isn't. I'll give you that one. 13 I'll let you go on that one. 14 Did you buy the farm in Tulare to fend off 15 of these allegations about the fake farmer or were 16 they unrelated? 17 A. No, I'm just -- I'm getting back into -- I 18 was actually going to get back, start doing this 19 project in 2017, and then I couldn't do it because of 20 all the attacks. And, of course, you guys added on 21 in '18 and so it postponed my ability to start 22 working on this project, and I finally started it 23 last year, whenever it was. 24 Q. Okay. Would you agree that currently the 25 political climate is very polarized?</p>	<p style="text-align: right;">Page 431</p> <p>1 happened -- you did it in '18 right before the 2 election. 3 Q. And did it happen -- did you feel like 4 people were demonizing you after you were seen as 5 someone who was an ally of Trump? 6 A. No, that's what your scumbag reporter said. 7 Q. Nobody had said it before that? 8 A. The reason that he was -- he was being paid, 9 as were you and you guys knew what -- you were fully 10 aware of what you were doing, you guys were fully 11 bought in to what is the biggest scandal in history, 12 that you labeled a presidential candidate, you caused 13 investigations to occur on dozens and dozens of 14 people, you broke people's lives, and I unearthed it, 15 which is why you and Lizza and your people wanted to 16 destroy me. 17 Q. And not just -- not just them but many 18 people. 19 A. Oh, I don't think there's too many people 20 that have faced more defamation and slander than 21 me -- 22 (Overlapping speakers.) 23 BY MR. SITWALA: 24 Q. I'm sorry. That's not what I mean. I meant 25 there were many people out to destroy you.</p>

<p style="text-align: right;">Page 432</p> <p>1 A. With you being at the centerpiece of it, 2 especially in '18 at the time of this story. 3 Q. Would you say that many people recognize 4 that the media has a liberal bias? 5 A. I don't think that's -- I mean, I think 6 that's just evident in the polling that I've seen. 7 Q. People believe -- 8 A. But they also don't trust you guys and they 9 don't trust you because of the shit that you've 10 pulled for the last five years with this -- with this 11 hit piece. 12 Q. They think we're fake news. 13 A. No, they -- they know that it's poison and 14 it does damage to people; so some people know that 15 it's fake but -- but it doesn't matter. You put it 16 out there and people believe it and then you have to 17 explain it. Then, you know, initially what happens 18 is is these pieces come out, they're taken as real, 19 then you have to try to defend yourself, like in my 20 case I have to go to court to try to get you to pull 21 down the story, you won't pull it down, so then it 22 replicates out there. 23 So I've already given you example after 24 example of how this case has just lived in infamy, it 25 just keeps going and going and going, it doesn't</p>	<p style="text-align: right;">Page 434</p> <p>1 Steve, this is the Amended and Supplemental 2 Rule 26(a)(1) Disclosures dated August 25th, 2022. 3 And Nate can send you a copy, but you obviously have 4 one. 5 Now, are you all right with me -- do you 6 have it in front of you or do you want to wait until 7 you get the one we're sending you? 8 MR. BISS: Go ahead. I know the document. 9 BY MR. SITWALA: 10 Q. I'll ask you to turn for me -- 11 A. I'm going to tell you, I don't know -- I 12 can't authenticate this document. 13 Q. That's fine. It's -- 14 A. I would have to read the whole document, and 15 if you're going to -- look, if you already had this 16 document for the last 45 minutes, we've been doing an 17 exercise in futility where you've been playing a game 18 again just like your phone numbers. So you had this, 19 you asked me the questions how do you calculate it, 20 you already knew how I calculated it. Why did you 21 waste an hour doing this? 22 Q. So are you telling me what's in this 23 document is all of the information -- 24 A. I don't know. I'd have to re-read the 25 document. It's been a long time. I know basically I</p>
<p style="text-align: right;">Page 433</p> <p>1 stop. And it's because you guys are the way -- part 2 of the reason why is because you didn't take the 3 story down and you -- the way you've been litigating 4 this case, it's -- it's shameful. 5 Q. You recently provided -- well, your counsel 6 recently provided a document that set forth your 7 damages calculation and explanation. Are you 8 familiar with that document? 9 A. Yeah, so I don't understand. I thought that 10 had been done. We spent an hour, 30, 40 minutes 11 going through this, you kept asking me about this, 12 and once again, you know, it's nice and sneaky, but 13 you knew that I had already provided that to you. So 14 we provided to you in detail how these calculations 15 were made. I don't have it in front of me. I told 16 you that at the outset of this and walked -- I tried 17 to walk you best through it when you have the damn 18 document the whole time. And you acted like -- now 19 you're -- and you act like you didn't even have the 20 document. 21 MR. SITWALA: So I'm going to mark what will 22 be DX144. 23 (Defendants' Exhibit Number DX144 24 marked for identification.) 25 MR. SITWALA: Here you go.</p>	<p style="text-align: right;">Page 435</p> <p>1 described to you, but what I don't like is is that 2 you could have provided this document to me, you 3 could have asked about it, but then instead you're 4 springing on it, but you spent an hour in a lead-up 5 as if you're, like, going to play Perry Mason or 6 something and say, oh, gotcha, when you had. And I 7 told you at the outset, I said I think you have this, 8 and you didn't disclose to me an hour ago that you 9 had this. And then you wonder why I won't 10 authenticate anything. You don't remember -- I guess 11 we can go back in the transcript, but I'm pretty sure 12 I said I'm pretty sure we provided this to you. And 13 you sat there, he's sitting on it, you know you have 14 it, you play a game for an hour, you take these 15 people's time -- I guess they get paid so they don't 16 care, but you waste all this time to then say, oh, 17 have you seen this document. I said I just told you 18 about this document an hour ago -- 19 Q. I'm fine with you -- 20 A. -- and you didn't tell me -- you didn't tell 21 me you had it. 22 Q. I'm fine with you being rude to me. I'd ask 23 you not to be rude to the -- 24 A. I'm not being rude to them at all. I feel 25 sorry for them to have to sit through this.</p>

<p style="text-align: right;">Page 436</p> <p>1 Q. I do too.</p> <p>2 A. I was actually apologizing to them for</p> <p>3 your -- to -- you know, that we're even here.</p> <p>4 Q. So in this document you talk about</p> <p>5 cultivating a stellar reputation over 20 years of</p> <p>6 public service; does that sound right?</p> <p>7 A. Look, if you want me to take and review the</p> <p>8 document, I'll take time to review the document, but</p> <p>9 I'm not going to get into specifics on something I</p> <p>10 haven't read that you could have given me an hour</p> <p>11 ago.</p> <p>12 Q. Does that statement sound right to you?</p> <p>13 A. Repeat the statement.</p> <p>14 Q. Sure.</p> <p>15 Devin Nunes cultivated a stellar reputation</p> <p>16 over almost 20 years of public service.</p> <p>17 A. I would agree with that.</p> <p>18 Q. Okay. And --</p> <p>19 A. I'm sure you don't, but that's okay.</p> <p>20 Q. As evidence of that, the next line notes</p> <p>21 that at the time the defendants published the hit</p> <p>22 piece in September 2018 you were chairman of the</p> <p>23 House Permanent Select Committee on Intelligence.</p> <p>24 Does that seem right to you?</p> <p>25 A. Are we going to go through this for the --</p>	<p style="text-align: right;">Page 438</p> <p>1 Q. Now, in this document you talked about</p> <p>2 suffering public shame, ridicule, insult,</p> <p>3 humiliation, embarrassment, emotional distress and</p> <p>4 mental anguish, anxiety, insecurity, and then fear of</p> <p>5 safety for your family members and that the remarks</p> <p>6 reached many other people, and I just want to break</p> <p>7 that down. I know we've gone through a lot of this</p> <p>8 and so I don't want to go through it again, and so</p> <p>9 I'm just going to ask some -- just for each one.</p> <p>10 In terms of the publish shame, is that</p> <p>11 basically what we went through earlier?</p> <p>12 A. So there's -- there's different levels of</p> <p>13 it.</p> <p>14 Q. Okay.</p> <p>15 A. So you have from the -- you have the people</p> <p>16 in this area that had -- where the people that</p> <p>17 believed this crap, you have people in -- around my</p> <p>18 family in Iowa, and of course you have the people</p> <p>19 that I worked with, and then you had on top of that,</p> <p>20 then, this story in particular lives because people</p> <p>21 see it all over the place and it's one of the first</p> <p>22 things you see because it sits there on Wikipedia.</p> <p>23 So I have to deal with this story, as I gave</p> <p>24 you the example of getting introduced places where</p> <p>25 people think that I have some farm in Iowa, and if</p>
<p style="text-align: right;">Page 437</p> <p>1 you've asked me this same question now three times</p> <p>2 today.</p> <p>3 Q. What I'm asking is that you would agree that</p> <p>4 is evidence of your stellar reputation; correct?</p> <p>5 A. I'm not going to speculate without reading</p> <p>6 this document.</p> <p>7 Q. I'm not asking whether --</p> <p>8 A. I was the chairman of the House Intelligence</p> <p>9 Committee, yes.</p> <p>10 Q. And that is evidence of you having a stellar</p> <p>11 reputation; right?</p> <p>12 A. That you destroyed.</p> <p>13 Q. Having that -- having that post was evidence</p> <p>14 of your stellar reputation; correct?</p> <p>15 A. You have to be supported by your colleagues</p> <p>16 to be in that position, which you guys tried to get</p> <p>17 me taken out of that position --</p> <p>18 Q. But that's a yes.</p> <p>19 A. -- by accusing me of federal crimes.</p> <p>20 Q. Is that a yes?</p> <p>21 A. On -- what, that it's in a position that is</p> <p>22 a -- that you have to have a good reputation to hold?</p> <p>23 Q. Correct.</p> <p>24 A. Absolutely you have to have a good</p> <p>25 reputation to hold.</p>	<p style="text-align: right;">Page 439</p> <p>1 you look at it, it's controversial because you accuse</p> <p>2 me of federal crimes.</p> <p>3 Q. So -- and I think we went through that</p> <p>4 already.</p> <p>5 A. We did.</p> <p>6 Q. So I'm just asking --</p> <p>7 A. So I don't know why you're going through</p> <p>8 this but ...</p> <p>9 Q. So that is -- what we talked about, that is</p> <p>10 the public shame you're referring to in terms of your</p> <p>11 damages; correct?</p> <p>12 A. That would be one example of it. I'm sure</p> <p>13 there's more.</p> <p>14 Q. Are there more we didn't talk about?</p> <p>15 A. I'm not going to speak in absolutes because</p> <p>16 I may come up with something else.</p> <p>17 Q. Okay. But sitting here --</p> <p>18 A. I mean, it's pretty shameful that I had to</p> <p>19 deal with my grandmother and all of that mess that I</p> <p>20 walked you through. Do you want to hear that again?</p> <p>21 Q. No, I mean, you've already told me.</p> <p>22 So I'm saying sitting here now, are there</p> <p>23 things you haven't told me that you can recall?</p> <p>24 A. Let's just keep going and then we'll see if</p> <p>25 we can -- and then I'll let you know.</p>

<p style="text-align: right;">Page 440</p> <p>1 Q. Okay. So what about ridicule? I assume 2 that -- and I don't want to assume. Is the ridicule 3 the same -- the same kinds of things we talked about? 4 A. Well, the ridicule would be the people -- I 5 think the best example of ridicule would be the 6 people that continue to this day to bring this up and 7 post the little cartoon pictures and all that that 8 they do all the time. 9 Q. Okay. Anything else? 10 A. I'm sure there is others, but that's the one 11 that comes to the top of my mind right now. 12 Q. Okay. And what about insult? 13 A. I mean, do you want me to go back through 14 this? 15 Q. Well, I mean, I guess it sounds -- I believe 16 we've already gone through it, and I just want to 17 make sure I'm not missing anything. 18 A. I think the record will show that I've been 19 insulted plenty, including by you by dropping these 20 documents on me. 21 Q. And the record you were talking about is the 22 record in this deposition where you walked through 23 all of the things you went through after these 24 publications. 25 A. Yeah. But I'm telling you that there's more</p>	<p style="text-align: right;">Page 442</p> <p>1 it's every level, like I explained to you. But 2 that's probably the, you know, some of the worst. 3 Q. And in terms of embarrassment, is there 4 anything different in addition to with respect to 5 what we already talked about? 6 A. I think that -- I don't know if you -- we 7 haven't glossed over -- I don't want to gloss over 8 that, you know, how embarrassing it is for my family 9 that when all those -- when you sent your buddies at 10 CNN around to every Nunes family in this county, so 11 that's pretty damn bad that was spurred by your 12 story. 13 Q. I think we've gone over that. Is there -- 14 A. Well, I don't know that we have because I 15 think that continues to be -- I don't want to gloss 16 over that because it's significant that it continues 17 to like -- you know, I still have the issue where I 18 can't -- I mean, I'm out of office now, but I 19 don't -- I can't even go -- after your story, I can't 20 even go back to -- you know, I never -- you know, my 21 uncle doesn't want me around to -- you know, for 22 what -- historically I would go there, you know, I'd 23 go to the original farm and I would take, you know, 24 people and give them a tour of the farm, I'd take 25 ambassadors, diplomats, government officials, people</p>
<p style="text-align: right;">Page 441</p> <p>1 because I remember, you know, as I was preparing for 2 this deposition, you know, I had -- and I had totally 3 forgot about, you know, the time that you did the hit 4 piece and the timing and I was trying to remember who 5 had relevant information, and that's when I 6 remembered -- you know, I recalled what happened. So 7 I'm saying there could be more information that comes 8 up, which I'll supplement to you or I'll tell you 9 today if it comes to my mind. 10 Q. You can only tell me what you know now. I 11 understand that. 12 So is there anything else right now that you 13 want to add to it? 14 A. On the issue of which -- 15 Q. Humiliation. 16 A. Of humiliation? I mean, look, it's -- it's 17 humiliating for my -- the thing we haven't talked 18 about is that my -- you know, that my family has to 19 deal with this, like my direct -- my -- you know, 20 like this morning I'm leaving, you know, and I've got 21 to tell my daughter that I'm going to a deposition, 22 which, you know, makes her -- makes it sound like her 23 father did something wrong. 24 Q. Okay. 25 A. So, I mean, it's -- it's pretty -- you know,</p>	<p style="text-align: right;">Page 443</p> <p>1 in the media, what have you, and numerous others, I 2 would take them there, and now that doesn't happen 3 anymore, which is -- which is pretty damn bad. 4 And then every time I see the other Nuneses 5 in the area they, you know, of course bring it up, 6 they bring it up to my uncle and pisses him off, as 7 it should. But, you know, I just had -- you know, I 8 still have people come to visit me and I'll have them 9 over to my house but -- you know, where I used to 10 take them out and -- you know, 'cause a lot of people 11 that come here, if they've never been around a farm 12 before, they'll want to go see it, well, kind of 13 sucks that I can't take anybody out there any longer. 14 Q. Okay. Anything else? 15 A. I'm sure there's more, but go ahead. 16 Q. There's nothing you can think of right now? 17 A. I mean, I don't like to speak in absolutes 18 here. You keep trying to draw me into that. 19 Q. I just -- 20 A. I've given you a lot, but I'm sure I could 21 come up with more, just like I could probably think 22 through and come up with additional names. 23 Q. I guess I'll ask you right now, can you 24 think of anything or no? 25 A. You can go on to the next -- whatever your</p>

<p style="text-align: right;">Page 444</p> <p>1 next adjective is there.</p> <p>2 Q. Emotional distress and mental anguish, and</p> <p>3 we -- I don't think we've talked about this quite as</p> <p>4 much. If you could, just walk me through what the</p> <p>5 emotional distress and anguish that the article has</p> <p>6 caused you.</p> <p>7 A. I think we have covered this, but I walked</p> <p>8 you through at the beginning of this when that</p> <p>9 happened, you had the initial hours and hours and</p> <p>10 hours, and then you had -- that I had to respond to</p> <p>11 this, completely derailed my campaign for reelection</p> <p>12 where we spent all kinds of time on this issue</p> <p>13 because I had everybody under the sun reaching out to</p> <p>14 me. So, yeah, I would say that's emotional distress.</p> <p>15 Q. Okay.</p> <p>16 A. And then -- and then you have -- and then</p> <p>17 you brought it back again in -- you know, during the</p> <p>18 impeachment.</p> <p>19 Q. Okay. Anything else?</p> <p>20 A. You want me to go back through and --</p> <p>21 Q. No, no, no, no --</p> <p>22 A. -- again and tell you all the --</p> <p>23 Q. -- I don't.</p> <p>24 A. -- all the bullshit you guys have pulled</p> <p>25 against my family in the course of this case, I will.</p>	<p style="text-align: right;">Page 446</p> <p>1 that come through the Capitol was how we got our</p> <p>2 health care.</p> <p>3 Q. Okay. Have you sought treatment for any</p> <p>4 particular condition other than, you know, the COVID</p> <p>5 and your regular checkups in the last four years?</p> <p>6 A. Well, I don't think I really had regular</p> <p>7 checkups that I can be sure of, but just kind of like</p> <p>8 if you've got a sore throat you go in, get a</p> <p>9 prescription, you know, get strep throat or -- you</p> <p>10 know, I don't know. I didn't have strep throat. I</p> <p>11 had swine flu, like, 12 years ago.</p> <p>12 Q. All right. Let's stick with the four years.</p> <p>13 So have you sought treatment for anything</p> <p>14 other than the COVID or sort of regular, you know,</p> <p>15 sore throat kind of maladies over the last four</p> <p>16 years?</p> <p>17 A. The only thing I would have is that I have a</p> <p>18 breathing -- 'cause at night sometimes I'll stop</p> <p>19 breathing.</p> <p>20 Q. Okay. Is that apnea or something?</p> <p>21 A. Yeah.</p> <p>22 Q. And is that just regular treatments you get</p> <p>23 for that?</p> <p>24 A. Yeah, just like a CPAP machine.</p> <p>25 Q. Okay. And how long have you had that</p>
<p style="text-align: right;">Page 445</p> <p>1 Q. I'm saying anything you haven't already gone</p> <p>2 through today.</p> <p>3 A. Okay.</p> <p>4 Q. So not right now?</p> <p>5 A. Not right now.</p> <p>6 Q. Have you sought treatment for any kind of</p> <p>7 mental anguish or distress over this article from a</p> <p>8 medical provider of any kind?</p> <p>9 A. No.</p> <p>10 Q. Have you sought any kind of counseling --</p> <p>11 A. No.</p> <p>12 Q. -- or therapy?</p> <p>13 A. No. Like official therapy, no.</p> <p>14 Q. Okay. Have you visited a doctor at all in</p> <p>15 the past four years?</p> <p>16 A. I mean, just like a clinic to -- I mean, I</p> <p>17 had COVID.</p> <p>18 Q. I hope you are doing okay now.</p> <p>19 A. Yeah, it was a couple years ago.</p> <p>20 Q. Okay.</p> <p>21 A. But I didn't visit a doctor, but I had a</p> <p>22 prescription or something.</p> <p>23 Q. Have you visited a doctor for like a sort of</p> <p>24 a regular checkup at all over the last --</p> <p>25 A. I mean, just the -- the -- the Navy doctors</p>	<p style="text-align: right;">Page 447</p> <p>1 condition?</p> <p>2 A. Well, probably for a long time.</p> <p>3 Q. Like dozens of years?</p> <p>4 A. I don't -- I don't know. I mean, more</p> <p>5 than --</p> <p>6 Q. More than that --</p> <p>7 A. Your story was bullshit, but it probably</p> <p>8 didn't cause sleep apnea.</p> <p>9 Q. Okay. Thank you.</p> <p>10 Do you have a regular doctor you see?</p> <p>11 A. No, not -- I mean, I used to just get the --</p> <p>12 kind of the -- use the medical clinic in the Capitol.</p> <p>13 Q. Okay.</p> <p>14 A. And so -- you know, and I've got a doctor</p> <p>15 here, but I haven't -- that I know that I haven't</p> <p>16 been to him.</p> <p>17 Q. Okay. Did you ask the Capitol for your</p> <p>18 medical records?</p> <p>19 A. I don't think I would have -- I don't</p> <p>20 think they -- I don't even know what they would have</p> <p>21 there.</p> <p>22 Q. Okay. So you didn't ask, but you don't</p> <p>23 think they would have any.</p> <p>24 A. I can't imagine they would. I mean, you</p> <p>25 have a sore throat -- well, I don't even think --</p>

<p style="text-align: right;">Page 448</p> <p>1 they didn't even prescribe the COVID stuff so ...</p> <p>2 Q. Tell me about any anxiety that you've</p> <p>3 experienced because of the article.</p> <p>4 A. Well, I would say back -- it's what I</p> <p>5 already explained to you --</p> <p>6 Q. Okay.</p> <p>7 A. -- about the -- specifically what -- I mean,</p> <p>8 it's getting a call from your father that there's</p> <p>9 somebody around them, which I think I said that in my</p> <p>10 last deposition, didn't know who it was, and then</p> <p>11 found out who it was, had no idea why he was there,</p> <p>12 had no idea who was paying him because I figured that</p> <p>13 nobody would hire a guy like that. But obviously,</p> <p>14 you know, that was when it first happened, that was</p> <p>15 before the story was even written, so from that point</p> <p>16 now, I mean, you've got -- you've got the risk of</p> <p>17 that you always have people now that are -- it's</p> <p>18 pretty bad when you have antifa, I know you guys</p> <p>19 probably support them, but they show up at -- they</p> <p>20 show up at your -- at your family's farm. Some guy</p> <p>21 leaves from here and drives all the way back there,</p> <p>22 there's an arrest warrant out for him, and he shows</p> <p>23 up, you know, harassing my family out on their farm,</p> <p>24 and the only reason he would know about that is</p> <p>25 because of you. So, yeah, I guess that would qualify</p>	<p style="text-align: right;">Page 450</p> <p>1 A. Well, I don't have any secret phone that I</p> <p>2 would -- that I would have that wouldn't be -- that</p> <p>3 wouldn't show up, that wouldn't show up on their</p> <p>4 records.</p> <p>5 Q. Sure.</p> <p>6 So if you talked to them, their records</p> <p>7 would show it.</p> <p>8 A. Right.</p> <p>9 Q. Okay. And we looked through the records and</p> <p>10 we had records, I think, from January '21 through</p> <p>11 June '22, and so it looks like over that 18-month</p> <p>12 span there were about little over 850 phone calls</p> <p>13 either with your father or brother.</p> <p>14 Does that sound reasonable to you?</p> <p>15 A. I wouldn't have a -- I wouldn't have a clue.</p> <p>16 Q. You talked to them frequently; right?</p> <p>17 A. I talked to my dad. I mean, I talk to my</p> <p>18 brother now --</p> <p>19 Q. Well, let's break it down.</p> <p>20 A. -- not very often. I mean --</p> <p>21 Q. Let's stick with your father. You speak</p> <p>22 with him quite frequently, almost every day; right?</p> <p>23 A. Yeah. Probably, yeah.</p> <p>24 Q. Sometimes multiple times a day.</p> <p>25 A. Well, a lot of times it's -- probably a lot</p>
<p style="text-align: right;">Page 449</p> <p>1 as anxiety from the starting point when you first</p> <p>2 sent the scumbag out to harass my family to today.</p> <p>3 And also the fact I'm sitting here answering</p> <p>4 questions from -- that you already had a chance to</p> <p>5 ask me where you cut the deposition short.</p> <p>6 Q. You understand that there were some phone</p> <p>7 records produced in this case, correct, recently? Or</p> <p>8 maybe you don't.</p> <p>9 A. I think we gave you everything there was.</p> <p>10 Q. Okay. Did you do any kind of search in</p> <p>11 terms of trying to obtain your own phone records?</p> <p>12 A. What was I think decided was that the</p> <p>13 records would be provided. You wanted conversations</p> <p>14 on -- between my dad and I and, I don't know, Steve</p> <p>15 King and, I don't know, what other conspiracy theory</p> <p>16 you guys have.</p> <p>17 Q. So did you then collect your records in</p> <p>18 order to identify those conversations?</p> <p>19 A. I mean -- well, what happened was is we -- I</p> <p>20 think you received all the phone records from my dad</p> <p>21 and my brother and the farm on the dairy.</p> <p>22 Q. Okay.</p> <p>23 A. Or the phone on the dairy.</p> <p>24 Q. So we received their records which would</p> <p>25 reflect their discussions with you because --</p>	<p style="text-align: right;">Page 451</p> <p>1 of those phone calls are where I would guess is</p> <p>2 that -- 'cause this happens, he'll call me, I don't</p> <p>3 answer or I'll say, look, I've got to call back or</p> <p>4 I'll call him and he's doing something, or he's</p> <p>5 trying to get ahold of my daughters or, you know, I</p> <p>6 mean, that's -- 'cause if he's in -- well, even when</p> <p>7 he's here, but when he's in Iowa he would be, you</p> <p>8 know, checking in with the family, and then when he's</p> <p>9 here he would be coordinating, you know -- I mean, my</p> <p>10 grandmother did pass away so he was out here, so</p> <p>11 there was probably a lot of calls then.</p> <p>12 Q. Okay.</p> <p>13 A. But, yeah, typically talk to him a few times</p> <p>14 a week.</p> <p>15 Q. And that's been true for many years;</p> <p>16 correct?</p> <p>17 A. I mean, I don't think -- probably sometimes</p> <p>18 when I'm busy it's probably less, but if there's</p> <p>19 family stuff going on or -- you know, he'll call</p> <p>20 usually on the weekend to talk to the kids or my mom</p> <p>21 will use his phone to talk to the kids on FaceTime</p> <p>22 because we don't really use the home phone.</p> <p>23 Q. Okay. And you just brought up FaceTime. Is</p> <p>24 that something you use frequently with your family?</p> <p>25 A. Yeah, I mean -- well, not with me. I use it</p>

Page 452

1 with my daughters.

2 Q. But not with your father or your brother?

3 A. Well, my father uses it with my -- and my --

4 or my father and my mom use it with my daughter.

5 Q. Sure, sure.

6 And you're not part of those conversations?

7 A. I mean, I'm there when they --

8 Q. Sure.

9 A. -- they may call -- they may FaceTime my

10 phone and then they -- then I put them on the phone.

11 Q. Yeah, okay. I think we -- those of us who

12 have, you know, our kids and parents I think are

13 quite familiar with what you're describing.

14 A. Um-hmm.

15 Q. So would it be fair to say that at least

16 with your father going back let's just say 2016, you

17 talked to him frequently, often multiple times a

18 week?

19 A. I would -- I mean, I don't think it's

20 changed. I mean --

21 Q. Okay.

22 A. -- other than there's probably, you know, a

23 few additional calls with my grandmother, there's

24 probably a few additional calls with, you know, your

25 harassment, but I would say that -- I mean, I

Page 453

1 remember the calls specifically, like I've testified

2 already to.

3 Q. Sure.

4 A. Because I remember distinctly he called and

5 said, hey, I've got this weird car driving around our

6 place, he's been driving around all day, he's been

7 going to other people's farms. Ended up the next day

8 he calls me and says you remember that car and the

9 guy came to my house, he was parked outside my house,

10 and then he was parked outside my niece's house, he

11 was stalking them and then he confronted them. And

12 then found out who he was, and that's when I said,

13 you know, like, my God, that guy's really bad news,

14 he got fired from everywhere, I don't think he has a

15 job. But --

16 Q. And you've already talked about that.

17 A. -- you guys thought he was great so you guys

18 hired him.

19 Q. Now, would you say that your -- you talk to

20 your father more than anybody outside of your

21 immediate family?

22 A. I talk to my mom. I don't know.

23 Q. Okay.

24 A. I mean, I talk to my brother occasionally.

25 Q. How often do you talk to your brother?

Page 454

1 A. I don't know. Probably two or three times a

2 month.

3 Q. Okay. And that's been true going back to

4 2016?

5 A. Well, I think it would be true going back to

6 even --

7 Q. Sure.

8 A. -- even when they -- before they left

9 Iowa --

10 Q. And what do you --

11 A. -- when they were in California.

12 Q. And when you speak with your father, do you

13 talk about the business and farming?

14 A. We talk about -- I mean, over the years we

15 would talk about the -- you know, kind of -- as it

16 relates to, you know, my work and then what I was

17 doing, and specifically it would have been about -- I

18 mean, mostly about water issues, I would guess. If

19 you're asking me relative to farming, that was what

20 we'd talk about.

21 Q. Like different challenges or always water?

22 A. It would be mostly water, probably prices of

23 stuff because I would get that around here, you

24 know, 'cause the -- I would have a lot of meetings

25 around here with farmers so -- you know, as it

Page 455

1 relates to farming or agriculture, that would be the

2 gist of what we would talk about.

3 Q. And would you -- you text with your family

4 too; right?

5 A. No.

6 Q. You don't?

7 A. I don't think so, not that I know of. I

8 mean, maybe a picture, I don't know, sending them a

9 picture, but I don't have any texts.

10 Q. Okay.

11 A. Maybe a phone number or something but, no, I

12 don't text with them. I mean, not on a -- not on

13 a -- like, we don't have, like, text chains or

14 anything like that.

15 Q. What do you have?

16 A. I mean, it would be like something like --

17 Q. A camera --

18 A. -- a picture.

19 Q. A picture of the kids.

20 A. Right.

21 Q. Okay. How long have you known Congressman

22 Steve King?

23 A. Since he came into Congress.

24 Q. And do you know approximately when that

25 might have been?

<p style="text-align: right;">Page 456</p> <p>1 A. I think he came in the same year I did.</p> <p>2 Q. 2010?</p> <p>3 A. No, 2002 we were elected.</p> <p>4 Q. Oh, sorry. 2002, okay. So in and around</p> <p>5 2002.</p> <p>6 And you've known him since then?</p> <p>7 A. Yeah.</p> <p>8 Q. Have you served on the same committees with</p> <p>9 him ever?</p> <p>10 A. I can't remember if we served together on my</p> <p>11 first term or not when I was on the Agriculture</p> <p>12 Committee.</p> <p>13 Q. Okay. Did you leave the Agriculture</p> <p>14 Committee after your first term?</p> <p>15 A. Yeah.</p> <p>16 Q. And that's when you joined some of these</p> <p>17 other --</p> <p>18 A. The Ways and Means Committee.</p> <p>19 Q. Okay. Have you ever worked with him, as you</p> <p>20 recall, on any legislation?</p> <p>21 A. No. But it doesn't mean there's not, but</p> <p>22 it's possible.</p> <p>23 Q. Sure.</p> <p>24 A. I have no idea 'cause there's thousands and</p> <p>25 thousands of bills; so I don't want you to, like,</p>	<p style="text-align: right;">Page 458</p> <p>1 announced at his event, which is why it was so</p> <p>2 preposterous, your story that you wrote, because</p> <p>3 nobody was hiding anything, and that was back in, I</p> <p>4 don't know, 2008 or something.</p> <p>5 Q. And you said you must have talked to him</p> <p>6 before your family moved to Iowa. Why do you think</p> <p>7 that?</p> <p>8 A. Well, I did talk to him, but I'm pretty sure</p> <p>9 I would have talked to him just like with Tom Latham,</p> <p>10 I would have talked to him about -- about that area.</p> <p>11 Well, I know I even talked to him before because I</p> <p>12 had done events out there.</p> <p>13 Q. Okay. But you would have talked to him</p> <p>14 about the area because you were interested in --</p> <p>15 A. But I would have talked to him about the</p> <p>16 area even before that because I had been out there.</p> <p>17 So, I mean, typically, I mean, I could do this for</p> <p>18 basically every state but -- or not every state but</p> <p>19 most of the states where you go out, you speak at an</p> <p>20 event, you do a town hall for people, you do -- you</p> <p>21 talk to people. And I know that in that part of Iowa</p> <p>22 I had been several times before my -- before my</p> <p>23 family even moved there.</p> <p>24 Q. And did you -- did you ever talk to him on</p> <p>25 the phone?</p>
<p style="text-align: right;">Page 457</p> <p>1 take -- oh, you had a bill in 2008 that said this and</p> <p>2 you guys co-sponsored it, so I don't want you to take</p> <p>3 that out of context. It is possible that we were on</p> <p>4 the same piece of legislation together, but I have</p> <p>5 no -- I would not know what that is and I would not</p> <p>6 remember it.</p> <p>7 Q. And how often would you say you interacted</p> <p>8 with him while the two of you were in office</p> <p>9 together?</p> <p>10 A. I mean, he knew that I was -- he knew my</p> <p>11 family went to -- I think I -- I must have talked to</p> <p>12 him before my family moved to Iowa. I did a couple</p> <p>13 events for him, they were public, where he talked</p> <p>14 about -- matter of fact, I think my niece had just</p> <p>15 been born at one or a baptism or something, and I was</p> <p>16 able to -- then I did a town hall for him that was</p> <p>17 widely publicized in that part of the world and</p> <p>18 talked about my family being there publicly. There</p> <p>19 was -- in that Sibley -- south of that Sibley area.</p> <p>20 And he announced to everybody that, hey, Devin Nunes'</p> <p>21 niece was born here, and I think I made the joke that</p> <p>22 this was the first -- she was the first Nunes born</p> <p>23 outside of California.</p> <p>24 Q. Wow.</p> <p>25 A. So that was -- so that was, you know,</p>	<p style="text-align: right;">Page 459</p> <p>1 A. Not that I know of. I mean, I think -- I</p> <p>2 think maybe I might have talked to him when that</p> <p>3 hit piece -- when your hit piece came out.</p> <p>4 Q. Do you recall what he might have said then?</p> <p>5 A. I mean, just that, I mean, he knew it was</p> <p>6 nonsense.</p> <p>7 Q. And do you still talk to him ever?</p> <p>8 A. I mean, he left Congress so I haven't talked</p> <p>9 to him since he left, but I talked to him up until he</p> <p>10 left in 2020.</p> <p>11 Q. And did you look at your own phone records</p> <p>12 for any calls with him?</p> <p>13 A. Yeah, I don't have any calls with him.</p> <p>14 Q. Do you still use Twitter?</p> <p>15 A. I just review it. I don't -- I don't post.</p> <p>16 Q. And why is that?</p> <p>17 A. What's that?</p> <p>18 Q. What's that?</p> <p>19 A. Why don't I post?</p> <p>20 Q. Yeah, yeah.</p> <p>21 A. Because it's a sewer --</p> <p>22 Q. Okay.</p> <p>23 A. -- and I think it's a horrible company and I</p> <p>24 think they're -- I think they've been very</p> <p>25 destructive, they sensor, they shadowban and</p>

Page 460

1 everything else, but they love to promote your stuff,
 2 so lots of replications of your stuff.
 3 Q. And --
 4 A. I can probably find one right now if you
 5 wanted me to look.
 6 Q. Does --
 7 A. Probably in the last few days.
 8 Q. What about on Truth Social, is the story --
 9 the Esquire story --
 10 A. I've seen the -- that's what reminded me of
 11 this. I've seen the little cartoons on Truth Social
 12 somewhere. I should have taken a screenshot of it.
 13 So people that hate me love to go and post
 14 stuff and they use -- I think they use -- I think
 15 it's this picture, one of these pictures. I think
 16 it's that one right there.
 17 Q. Do you know anybody named John Reelhorn?
 18 A. John what?
 19 Q. Reelhorn, R-e-e-l-h-o-r-n.
 20 A. R-e-e-l-h-o-r-n?
 21 Q. That's correct.
 22 A. No.
 23 Q. Okay.
 24 A. Not that I know of.
 25 Q. Have you heard of a nursery called Belmont

Page 461

1 Nursery in Fresno?
 2 A. I know where Belmont is. I'm not sure that
 3 I know of Belmont Nursery. Is that a specific
 4 company?
 5 Q. It is, yes.
 6 A. Okay. Okay. Yeah, yeah, I mean, I think I
 7 know of it.
 8 Q. I will tell you that we saw that
 9 Mr. Reelhorn who runs that nursery had donated to
 10 your campaign. I don't know if that -- I'm sure
 11 many, many people donated to your campaign so I don't
 12 know if that refreshes your recollection at all, does
 13 it?
 14 A. No.
 15 Q. Okay. Do you recall hearings on a 2012 farm
 16 bill -- excuse me -- farm bill that took place in May
 17 of 2010 in Fresno?
 18 A. No.
 19 Q. And the reason I thought you might remember,
 20 I mean, how often are hearings held in Fresno, for
 21 example?
 22 A. We would have usually a couple times a year.
 23 Q. Okay.
 24 A. I mean, not Fresno but somewhere in the
 25 region.

Page 462

1 Q. And --
 2 A. Either field hearings or things of that
 3 nature.
 4 Q. Okay. And do you --
 5 A. But in 2010 we wouldn't -- I don't even
 6 remember -- I don't remember that at all. I don't
 7 even think I would have been there.
 8 Q. Well, so that's the interesting thing.
 9 Well, maybe it's not interesting but --
 10 A. No.
 11 Q. -- I will note that based on the record that
 12 I can provide that if you want to look at it.
 13 A. Yeah, but you could have provided this
 14 before if you wanted me to answer questions about a
 15 2010 field hearing that was 12 years ago.
 16 Q. So you wouldn't have been on the ag
 17 committee at that time; right?
 18 A. I was not on the ag committee at that time,
 19 correct.
 20 Q. And yet you had attended this hearing of the
 21 ag committee with the permission of the committee
 22 because you were interested in what the committee was
 23 doing; does that sound correct?
 24 A. Typically it is -- it is customary that if
 25 there's a field hearing or a visit by a -- like a

Page 463

1 cabinet level official or even any government agency,
 2 typically it's -- I think the term is called
 3 Congressional courtesy, you get invited to it.
 4 Q. And then did you always go?
 5 A. I don't know if I always went but, I mean,
 6 you know -- I mean, I -- I mean, I know I missed a
 7 lot of -- because I know a lot of times it was in
 8 August and I spent the better part of a decade in
 9 August overseas for my intelligence work.
 10 Q. Okay. And when --
 11 A. So I missed a lot of those periods, which is
 12 why I'm surprised I was even at one in 2010. I don't
 13 remember that at all.
 14 Q. When you were at the hearings, though, you
 15 would have paid attention to what was going on;
 16 right?
 17 A. I don't remember. I mean, you know, I don't
 18 know how long I was there. If I don't remember
 19 something from 2010 it's unlikely that I would --
 20 that I would know -- you know, recall what was there.
 21 I mean, I probably popped in, said hello, made an
 22 opening statement, walked out. That's usually how
 23 those go.
 24 Q. Okay.
 25 A. I doubt I was there the whole time. I don't

<p style="text-align: right;">Page 464</p> <p>1 know. But it sounds like -- I mean, you could have 2 provided the records so you're -- I mean, this is 3 once again, you know, kind of -- 4 MR. BISS: By the way, Ravi, have you 5 produced the records in discovery, these records that 6 you are alluding to -- 7 MR. SITWALA: These are records -- 8 MR. BISS: -- produced them in discovery? 9 MR. SITWALA: -- we would have asked from 10 you and you would have told us were a matter of 11 public record and not produced. 12 MR. BISS: Okay. So the answer is no; 13 right? 14 MR. SITWALA: I've also not introduced the 15 records, so in any event. 16 MR. BISS: Okay. Fair enough. So you 17 didn't produce them in discovery and you're not going 18 to show them to the witness. 19 MR. SITWALA: I'm not going to because I 20 don't want to ask any more questions about it and 21 waste his time. 22 MR. BISS: Okay. Fair enough. 23 MR. SITWALA: I will provide him a copy if 24 he wants it. 25 MR. BISS: That's actually a good thing.</p>	<p style="text-align: right;">Page 466</p> <p>1 A. -- but I'm spending, you know, ten days to 2 three weeks in Florida sometimes. 3 Q. Okay. So -- 4 A. Or in Washington or in other places around 5 the country. 6 Q. And so tell me, where have you traveled in 7 the last, let's say, four months? 8 A. Well, I was in London. 9 Q. Okay. Where else? 10 A. Just would have been Sarasota. 11 Q. That's it? 12 A. In the four months? 13 Q. Let's say this year. 14 A. Four months? 15 Q. Let's just say 2022. 16 A. I mean, I'm traveling all the time. 17 Q. Okay. 18 A. I mean, I've been in Dallas, I've been in 19 Minnesota, I've been in Iowa. 20 Q. When was the last time you were in Iowa? 21 A. I don't know. Like in the last, like, a 22 month ago. 23 Q. Oh, what were you doing there? 24 A. I was -- I had a meeting in Minne- -- or 25 outside of Minneapolis.</p>
<p style="text-align: right;">Page 465</p> <p>1 THE WITNESS: Okay. 2 BY MR. SITWALA: 3 Q. So you would agree you have a rich history 4 in California; right? 5 A. I mean, my family's been here on the same 6 farm for over 100 years. 7 Q. So yes? 8 A. (Witness nods head.) 9 Yes. 10 Q. Thank you. 11 A. Yes. 12 Q. And you still live here in California today; 13 right? 14 A. Well, I'm in -- I live in -- I'm here and in 15 Sarasota, Florida. 16 Q. So you have homes in both areas? 17 A. Well -- 18 Q. Residences in both areas? 19 A. Right, right. 20 Q. And how -- 21 A. But I'm still a Californian. 22 Q. What do you mean by that? 23 A. I mean, my driver's license is here, I pay 24 taxes here -- 25 Q. I see.</p>	<p style="text-align: right;">Page 467</p> <p>1 Q. Okay. 2 A. And then I drove down there and had -- I 3 drove south and had dinner and then flew out of Sioux 4 Falls. 5 Q. Dinner with your family. 6 A. Yes. 7 Q. Okay. Your meeting was for your company? 8 A. Correct. 9 Q. Okay. Have you been to DC this year? 10 A. I've been twice. 11 Q. And what about New York? 12 A. I've been to New York. 13 Q. Have you been to Miami? 14 A. Why? 15 Q. I'm just interested. Miami? 16 A. This is weird questioning. Are you trying 17 to track everywhere I've been? 18 Q. No, I'm not asking where you're going 19 because I figured you'd -- 20 A. That sounds really -- 21 (Overlapping speakers.) 22 THE WITNESS: That sounds really creepy. I 23 mean, do you have access to my phone? 24 BY MR. SITWALA: 25 Q. I do not.</p>

<p style="text-align: right;">Page 468</p> <p>1 A. Well, then, why are you asking me these 2 places I've been that you already clearly know that I 3 must have been? 4 Q. No, I didn't know. That's why I asked. 5 A. Are you going to play guessing games of all 6 the places I've been? Yes, I've been to Miami. 7 Q. Okay. What about -- 8 A. Or I've been to just -- I am not sure it was 9 considered Miami but it was close. 10 Q. What about LA? 11 A. LA? I don't think I've been to LA -- 12 Q. San Francisco? 13 A. -- in the last year. 14 I have not been to San Francisco. I'm 15 trying to think if I went through the -- the only way 16 I would have would have been through the airport. 17 Q. Okay. 18 A. Oh, wait. I've been -- well, not LA, but I 19 was in -- you're saying in the last year? 20 Q. Yeah. 21 A. I was in like the Riverside area last year 22 at some point. And probably through the -- I know I 23 flew out of Ontario airport. 24 MR. SITWALA: Okay. Why don't I take a 25 break so I can go over and see what else there is and</p>	<p style="text-align: right;">Page 470</p> <p>1 Q. It looks like you should demand a bonus 2 after this deposition so ... 3 Okay. You had mentioned in the beginning of 4 the deposition, and I just want to get a little more 5 clarity on this, that your father had mentioned that 6 there was an exhibit shown to him, at least one 7 exhibit, that was tampered with by the defendants, 8 and I just wanted to know anything else you know 9 about that in terms of the nature of the exhibit or 10 anything -- anything you know about the specifics of 11 that 'cause this is a serious allegation and we want 12 to understand it. 13 A. Yeah, I mean, I'm pretty sure you guys are 14 well aware of it. I mean, I don't know all the 15 details because I wasn't in the -- I mean, I'd have 16 to go review the deposition. 17 And so didn't you say I can review the 18 deposition? 19 Q. Well, I'm just asking what your father told 20 you. I'm not asking for you to go figure it out for 21 yourself. 22 A. I just remember him saying that there was 23 either -- words were taken out of context or was 24 partial words or something like that, and I think 25 it's in the story --</p>
<p style="text-align: right;">Page 469</p> <p>1 hopefully we can wrap this up relatively quickly. 2 Steve, is that okay with you? 3 MR. BISS: It sure is, Ravi. Thank you. 4 MR. SITWALA: Okay. Why don't I take 5 15 minutes. That way I can really try to just have 6 one more thing and be done with it. 7 THE WITNESS: Okay. 8 MR. BISS: Okay. 9 THE VIDEOGRAPHER: We are off the record. 10 The time is 2:31 p.m. 11 (Recess taken.) 12 THE VIDEOGRAPHER: We are back on the 13 record. The time is 2:51 p.m. 14 BY MR. SITWALA: 15 Q. Thank you, Congressman. I just have a few 16 more questions and then hopefully we can wrap this 17 up. 18 First of all, your contract -- your current 19 employment contract says that you're entitled to a 20 bonus. Did you receive a bonus in 2021? 21 A. I'm not even aware of a bonus. 22 Q. Okay. And you don't recall receiving -- 23 A. I never even knew that was in my contract. 24 Q. So maybe we've done you a favor today. 25 A. Yeah.</p>	<p style="text-align: right;">Page 471</p> <p>1 Q. Okay. 2 A. -- about that he was threatening Lizza and 3 then you guys accused him of threatening, and I think 4 that's in the story. 5 Q. I see. 6 A. And then -- and then he said that in his 7 deposition that -- that -- I don't know if he tried 8 to explain that that wasn't what happened and that it 9 was only part of the story. 10 Q. Okay. And do you recall anything else of 11 that -- 12 A. Well, I just know at the time, and I think I 13 testified to this in my last deposition, that when 14 Lizza was prowling around, I told you about the chaos 15 that ensued after that because he was running around 16 all over Northwest Iowa prowling on people and 17 stalking people. 18 So the day before I got a call from my dad 19 saying that, hey, there's a weird car driving around. 20 Q. Okay. 21 A. He called me from the farm. 22 Q. But -- 23 A. Okay. 24 Q. -- I'm interested in the deposition, not -- 25 and we've gone over that today and in your prior</p>

<p style="text-align: right;">Page 472</p> <p>1 depositions. I'm not -- all I'm asking about is any 2 details you have -- 3 A. Well, yeah, but that's what I'm referring to 4 is that that's the -- and then at the time he said 5 that -- that -- then the next day he shows up, he 6 parks in a really creepy spot because it's a place 7 that nobody's parked in the history of mankind, it's 8 like on the side of his house and like back by a 9 field. 10 Q. But what does that have to do -- 11 A. So did you ever -- have you ever been to 12 Sibley, Iowa? 13 Q. I have not, personally. 14 A. Okay. So -- so it was parked in a really 15 creepy place. And then my dad, as I recall the 16 story, he called me right after that and he said that 17 he was going to call the Sheriff because this -- he 18 said -- and then he tells me this name, I think he 19 used the wrong term, and I -- he called them 20 something different. And then I said what, you know, 21 and then he -- and then he -- and I said oh, my God, 22 it's that guy, he doesn't have a job. 23 And then he had been stalking -- then later 24 he had been stalking my nieces, but my dad said I 25 remember that guy, he says I went and confronted him</p>	<p style="text-align: right;">Page 474</p> <p>1 no? 2 MR. SITWALA: No. 3 MR. BISS: No, you don't need to respond 4 right now, but I'll respond. 5 Ravi, we are going to need to move in limine 6 before trial to get a ruling on this issue because we 7 are definitely going to be introducing evidence at 8 trial as to Ryan Lizza's actions while he was on the 9 ground in Sibley and the impression that that gave to 10 everybody. So put that on your list of motions in 11 limine because the -- you can move to strike it out 12 of this deposition, but we are definitely going to 13 be -- going to be seeking to introduce evidence. 14 How the judge will rule is -- is anybody's 15 issue, but we think it -- we think the -- what Ryan 16 Lizza -- what Ryan Lizza did and how he frightened 17 these people is very relevant to -- to his actual 18 knowledge and other issues, including punitive 19 damages. 20 So Ravi, are you finished with all your 21 questions? 22 MR. SITWALA: I am, and I note what you just 23 said. 24 MR. BISS: Okay. 25 THE WITNESS: Can I just -- I don't want to</p>
<p style="text-align: right;">Page 473</p> <p>1 because I didn't know he had been driving around the 2 farm and all these places, and then he was parked in 3 a really creepy spot that the jury -- I'm sure that 4 we'll have photos of it because nobody's ever parked 5 in the history of the time that that was built in 6 that spot; okay? 7 And so my dad calls me, I said that's weird, 8 I said -- and then I said what -- I said, well, stay 9 away, what did you do? Like, no, I didn't know who 10 he was, and then he told him that he was going to 11 call the Sheriff because he was trespassing yesterday 12 and now -- and now. 13 And then what was in the story was that my 14 dad threatened him, and then you guys made that 15 accusation, as I understand it, in the deposition. 16 So he said that you had taken his words out of 17 context or you had cut up his words. 18 Q. I see. Okay. Thank you. 19 MR. SITWALA: So just for the record before 20 I pass the witness, I'm going to move to strike any 21 impertinent and scandalous references to Mr. Lizza 22 that have been made in the deposition, but with that 23 I will pass the witness to you, Mr. Biss. 24 THE WITNESS: Well, I don't know that -- I 25 mean, before -- well, do I get to respond to that or</p>	<p style="text-align: right;">Page 475</p> <p>1 belabor this, I don't want to belabor this, but I 2 don't know how they -- how you can strike from the 3 record when I gave verbatim, you know, or best to my 4 ability the conversations that I had at the time with 5 my father where I relayed that this guy -- you know, 6 so I'm not sure, what are you striking? 7 MR. SITWALA: I'm asking for it to be 8 stricken, I'm not asking you or Steve, so it's just 9 for the record. Nothing's being stricken based on me 10 having said it. 11 THE WITNESS: Okay. But I mean -- 12 MR. SITWALA: I'm saying it shouldn't be 13 there, you're clearly saying it should. It's 14 something a judge could decide a later day. It's 15 not -- that's all it is. 16 THE WITNESS: Okay. So that would be -- 17 'cause my recollection of how that -- the phone 18 calls, what occurred and -- during that time frame, I 19 just want to make sure that that's not -- you're not 20 striking that. 21 MR. SITWALA: I'm not going to go delete it. 22 I don't have the power to do that. 23 THE WITNESS: Okay. Okay. Okay. All 24 right. 25 Are we good, Steve, on that?</p>

<p style="text-align: right;">Page 476</p> <p>1 MR. BISS: I've got one -- I've got one 2 follow-up question. 3 THE WITNESS: Okay. 4 EXAMINATION 5 BY MR. BISS: 6 Q. So earlier in Mr. Sitwala's examination he 7 asked you about somebody by the name of John 8 Reelhorn; do you remember that? 9 A. Yes. 10 Q. And he asked you or maybe he made the point 11 that Mr. Reelhorn donated to your campaign; do you 12 remember that? 13 A. Yes. 14 Q. Okay. I have a broader question and that is 15 this: Can you describe the impact that this article, 16 this hit piece had on your ability to raise money for 17 your campaign or -- or the impact that it had on your 18 campaign in general? 19 A. Yes. So I guess that gets to -- I probably 20 didn't mention this earlier to their -- to their 21 earlier questions on damages, humiliation, whatever 22 all those -- all the terms were, but there -- there 23 were many corporations -- I don't have the whole 24 number yet -- that after these accusations then 25 refused to -- they stopped contributing to me. And I</p>	<p style="text-align: right;">Page 478</p> <p>1 you know, probably talk to some of my old people just 2 to -- 'cause I don't want to give a name that's not 3 accurate. 4 Q. All right. 5 A. But there definitely will be -- there would 6 be names. I just don't have them off the top of my 7 head right now. 8 MR. BISS: All right. I don't have any 9 other questions. Thank you. 10 MR. SITWALA: Just a couple follow-ups on 11 that. 12 FURTHER EXAMINATION 13 BY MR. SITWALA: 14 Q. So did you -- 15 A. Wait. I thought you were already done. 16 Q. Well, once he raises something new I get to 17 ask you a couple more questions. 18 A. But why didn't he get to ask me questions? 19 Q. He just did. 20 A. That was -- that was it? Does he get to ask 21 you -- or does he get to come back and ask me more 22 questions? 23 Q. If he would like, yes. But let's hope for 24 everybody's sake that we don't do that. 25 I just want to say, did you have</p>
<p style="text-align: right;">Page 477</p> <p>1 don't know if I disclosed that in discovery or not, 2 but I need to do an accounting of that. So is 3 this -- 4 Q. Do you remember the -- go ahead. 5 A. I just don't remember. I know there were -- 6 there were probably dozens -- you know, probably two 7 or three dozen companies that I think would be 8 relevant, but I need to -- I need to comb through. 9 And these are people that stopped supporting me after 10 these accusations. 11 Q. Do you remember the names of any of the 12 corporations sitting here today? 13 A. I don't want to -- I think I have a good 14 idea, but I'd probably screw up and give you the 15 wrong -- you know, give one that's the wrong one. 16 But, I mean, they are many of the top corporation -- 17 you know, many of the top companies in the United 18 States. 19 Q. And what are -- and what are some of the 20 records that you would need to review to determine or 21 refresh your recollection as to some of the names? 22 What are some of the records you have to review? 23 A. I'd probably have to look at the Federal 24 Election Commission records and then remember -- you 25 know, and then remember who -- who it is that I've --</p>	<p style="text-align: right;">Page 479</p> <p>1 conversations with people, representatives of any of 2 these companies in connection with these lost 3 donations that you just mentioned? 4 A. Yeah, I know that I have. 5 Q. Do you have records of those? 6 A. I don't. 7 Q. Do you recall them? 8 A. But I know they -- I know that there's -- I 9 just don't want to -- you know, like I thought long 10 and hard about the 11 names I disclosed of people 11 that definitely had information about -- you know, 12 about the damages at the time that I worked with. 13 But like, for example, I thought about the additional 14 names that I provided you today and I know that there 15 are -- and I don't want to make some -- put some poor 16 guy or gal on a list and then all of a sudden, you 17 know, you guys call him or her and then -- but I know 18 that it happened. I just -- but it just is going to 19 take me some time to analyze and then disclose. 20 Q. And do you recall the substance of the 21 conversations? 22 A. It would be that my team would have reached 23 out like in terms of doing fundraisers and then they 24 would have -- then they would have said no, sorry, 25 we're not -- we're no longer going to support the</p>

Federal Rules of Civil Procedure

Rule 30

(e) Review By the Witness; Changes.

(1) Review; Statement of Changes. On request by the deponent or a party before the deposition is completed, the deponent must be allowed 30 days after being notified by the officer that the transcript or recording is available in which:

(A) to review the transcript or recording; and

(B) if there are changes in form or substance, to sign a statement listing the changes and the reasons for making them.

(2) Changes Indicated in the Officer's Certificate. The officer must note in the certificate prescribed by Rule 30(f)(1) whether a review was requested and, if so, must attach any changes the deponent makes during the 30-day period.

DISCLAIMER: THE FOREGOING FEDERAL PROCEDURE RULES ARE PROVIDED FOR INFORMATIONAL PURPOSES ONLY.

THE ABOVE RULES ARE CURRENT AS OF APRIL 1, 2019. PLEASE REFER TO THE APPLICABLE FEDERAL RULES OF CIVIL PROCEDURE FOR UP-TO-DATE INFORMATION.
